You may not otherwise copy the Software without Datometry's prior written consent.

2.4. Benchmarking. You may use the Software to conduct internal performance testing and benchmarking studies. You may only publish or otherwise distribute the results of such studies to third parties only if Datometry has reviewed and approved of the methodology, assumptions and other parameters of the study (please contact Datometry at benchmark@datometry.com to request such review and approval) prior to such publication and distribution.

3. RESTRICTIONS; OWNERSHIP.

3.1. Restrictions. You acknowledge that the Software and the structure, organization and source code of the Software constitute valuable trade secrets of Datometry. Accordingly, except as expressly permitted in Section 2 or as otherwise authorized by Datometry in writing, You will not and will not permit any third party to: (a) sell, lease, license, distribute, sublicense or otherwise transfer in whole or in part the Software or Documentation to any third party; (b) decompile, disassemble, reverse engineer, or otherwise attempt to derive source code from the Software, in whole or in part; (c) copy the Software, except for archival purposes, as set out in Section 2.3; (d) create, develop, license, install, use, or deploy any software or services to circumvent, enable, modify or provide access, permissions or rights which violate the technical restrictions of the Software as described in this EULA; (e) translate, modify or create derivative

3.2. **Decompilation.** Notwithstanding the foregoing, decompiling the Software is permitted to the extent the laws of the Territory give You the express right to do so to obtain information necessary to render the Software interoperable with other software; provided, however, You must first request such information from Datometry (at info@Datometry.com), provide all reasonably requested information to allow Datometry to assess Your claim, and Datometry may, in its discretion, either provide such interoperability information to You, impose reasonable conditions, including a reasonable fee, on such use of the Software, or offer to provide alternatives to ensure that Datometry's proprietary rights in the Software are protected and to reduce any adverse impact on Datometry's proprietary rights.

3.3. **Ownership.** The Software and Documentation, all copies and portions thereof, and all improvements, enhancements, modifications and derivative works thereof, and all Intellectual Property Rights therein, are and shall remain the sole and exclusive property of Datometry and its licensors. Your rights to use the Software and Documentation shall be limited to those expressly granted in this EULA and any applicable Order. No other rights with respect to the Software or any related Intellectual Property Rights are implied. You are not authorized to use (and shall not permit any third party to use) the Software, Documentation or any portion thereof except as expressly authorized by this EULA or the applicable Order.

4. **ORDER.** Your Order is subject to this EULA. No Orders are binding on Datometry until accepted by Datometry. Orders for Software are deemed to be accepted upon Datometry's delivery of the Software included in such Order. Orders issued to Datometry do not have to be signed to be valid and enforceable.

5. **AUDIT RIGHTS.**

5.1. Records. You will, during the License Term for any Software licenses acquired under this EULA (and for a period of two (2) years from the expiration of the applicable License Term), maintain accurate records of your use of the Software sufficient to demonstrate Your compliance with the terms of this EULA and all Orders.

Datometry may conduct no more than one (1) audit in any twelve (12) month period. Audits will be conducted during normal business hours and Datometry will use commercially reasonable efforts to minimize the disruption of Your normal business activities. Datometry, and any third-party auditor, shall not have physical access to Your computing devices in connection with any such audit, without Your prior written consent. You will reasonably cooperate with Datometry and/or its third-party auditor and will promptly pay directly to Datometry any underpayments revealed by such audit. You will promptly reimburse Datometry for all reasonable costs and expenses incurred by Datometry for such audit if: (i) such audit reveals an underpayment by You of more than five percent (5%) of the fees payable by You to Datometry for the period audited, or (ii) such audit reveals You have materially failed to maintain accurate records of Your use of the Software.

6. SUPPORT AND SUBSCRIPTION SERVICES. Datometry does not provide any support or subscription services for the Software under this EULA. You have no rights to any updates, upgrades or extensions or enhancements to the Software developed by Datometry unless you separately purchase Datometry support or subscription services. These support or subscription services are subject to the Services Terms.

7. WARRANTIES.

7.1. Software Warranty. Datometry warrants to You that the Software will, for a period of ninety (90) days following delivery ("Warranty Period"), substantially conform to the applicable Documentation, provided that the Software (a) has been properly installed and used at all times and in accordance with the applicable Documentation; and (b) has not been modified or added to by persons other than Datometry or

its authorized representative. Datometry will, at its own expense and as its sole obligation and Your exclusive remedy for any breach of the foregoing warranty, either replace the applicable Software or correct any reproducible error in the Software reported to Datometry by You in writing during the Warranty Period. If Datometry determines that it is unable to correct the error or replace the Software, Datometry will refund to You all License fees actually paid by You, in which case the License for the applicable Software and Your right to use such Software will terminate.

7.2. Disclaimer of Warranties. THE EXPRESS WARRANTY IN SECTION 7.1 ABOVE IS IN LIEU OF AND, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, DATOMETRY AND ITS LICENSORS DISCLAIM, ALL OTHER WARRANTIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT AND ANY WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE) REGARDING OR RELATING TO THE SOFTWARE, THE DOCUMENTATION, OR ANY MATERIALS FURNISHED OR PROVIDED TO YOU UNDER THIS EULA. DATOMETRY AND ITS LICENSORS DO NOT WARRANT THAT THE SOFTWARE WILL OPERATE UNINTERRUPTED OR THAT IT WILL BE FREE FROM DEFECTS OR THAT THE SOFTWARE WILL MEET (OR IS DESIGNED TO MEET) YOUR BUSINESS REQUIREMENTS.

8. INTELLECTUAL PROPERTY INDEMNIFICATION.

8.1. Defense and Indemnification. Subject to the remainder of this Section 8, Datometry shall defend You against any third party claim that the Software infringes any patent, trademark or copyright of such third party, or misappropriates a trade secret (but only to the extent that such misappropriation is not a result of Your actions) under the laws of: (a) the United States and Canada; (b) the European Economic Area; (c) Australia; (d) New Zealand; (e) Japan; or (f) the People's Republic of China, to the extent that such countries are part of the Territory for the License ("Infringement Claim") and indemnify You from the resulting costs and damages finally awarded against You to such third party by a court of competent jurisdiction or agreed to in settlement; provided that You: (i) promptly provide Datometry with notice of such Infringement Claim; (ii) allow Datometry sole control over the defense thereof and related settlement negotiation; and (iii) reasonably cooperate in response to Datometry requests for assistance. You may not settle or compromise any Infringement Claim without the prior written consent of Datometry.

8.2. Remedies. Should the Software become, or in Datometry's opinion be likely to become, the subject of an Infringement Claim, Datometry will, at Datometry's option and expense either: (a) procure the rights necessary for You to make continued use of the affected Software in accordance with this EULA; (b) replace or modify the affected Software to make it non-infringing; or (c) terminate the License to the affected Software and discontinue the related support services, and, upon Your certified deletion of the affected Software, refund: (i) the fees paid by You for the License to the affected Software, less straight-line depreciation over a three (3) year useful life beginning on the date such Software was delivered; and (ii) any pre-paid service fee attributable to related support services to be delivered after the date such service is stopped. Nothing in this Section 8.2 shall limit Datometry's obligation under Section 8.1 to defend and indemnify You, provided that You replace the allegedly infringing Software upon Datometry's making alternate Software available to You and/or You discontinue using the allegedly infringing Software upon receiving Datometry's notice terminating the affected License.

8.3. Exclusions. Notwithstanding the foregoing, Datometry will have no obligation under this Section 8 or otherwise with respect to any claim based on: (a) a combination of Software with non-Datometry products (other than non-Datometry products that are listed on the Order and used in an unmodified form); (b) use for a purpose or in a manner for which the Software was not designed; (c) use of any older version of the Software when use of a newer Datometry revision would have avoided the infringement; (d) any modification to the Software made without Datometry's express written approval; (e) any claim that relates to open source software or freeware technology or any derivatives or other adaptations thereof that is not embedded by Datometry into Software listed on Datometry's commercial price list; (f) any claim that relates to Linux or Android open source software, even when it has been embedded into or distributed with the Software or (g) any Software provided on a no charge, beta or evaluation basis.

THIS SECTION 8 STATES YOUR SOLE AND EXCLUSIVE REMEDY AND DATOMETRY'S ENTIRE LIABILITY FOR ANY INFRINGEMENT CLAIMS OR ACTIONS.

9. LIMITATION OF LIABILITY.

9.1. Limitation of Liability. TO THE MAXIMUM EXTENT MANDATED BY LAW, IN NO EVENT WILL DATOMETRY AND ITS LICENSORS BE LIABLE FOR ANY LOST PROFITS OR BUSINESS OPPORTUNITIES, LOSS OF USE, LOSS OF REVENUE, LOSS

OF GOODWILL, BUSINESS INTERRUPTION, LOSS OF DATA, OR ANY OTHER INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES UNDER ANY THEORY OF LIABILITY, WHETHER BASED IN CONTRACT, TORT, NEGLIGENCE, PRODUCT LIABILITY, OR OTHERWISE. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE PRECEDING LIMITATION MAY NOT APPLY TO YOU. DATOMETRY'S AND ITS LICENSORS' LIABILITY UNDER THIS EULA WILL NOT, IN ANY EVENT, REGARDLESS OF WHETHER THE CLAIM IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, EXCEED THE LICENSE FEES YOU PAID FOR THE SOFTWARE, IF ANY. THE FOREGOING LIMITATIONS SHALL APPLY REGARDLESS OF WHETHER DATOMETRY OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

9.2. Further Limitations. Datometry's licensors shall have no liability of any kind under this EULA and Datometry's liability with respect to any third party software embedded in the Software shall be subject to Section 9.1. You may not bring a claim under this EULA more than eighteen (18) months after the cause of action arises.

10. TERMINATION.

10.1. License Term. This EULA will terminate in its entirety upon the termination of the License Term, unless terminated earlier under this Section 10.

10.2. Termination for Breach. Datometry may terminate this EULA in its entirety effective immediately upon written notice to You if: (a) You breach any provision in Section 3 and do not cure the breach within ten (10) days after receiving written notice thereof from Datometry; (b) You fail to pay any portion of the fees under an applicable Order within ten (10) days after receiving written notice from Datometry that payment is past due; (c) You breach any other provision of this EULA and don't not cure the breach within thirty (30) days after receiving written notice thereof from Datometry; or (d) You commit a material breach that is not capable of being cured.

10.3. Termination for Insolvency. Datometry may terminate this EULA in its entirety effective immediately upon written notice to You if You: (a) terminate or suspend your business; (b) become insolvent, admit in writing Your inability to pay Your debts as they mature, make an assignment for the benefit of creditors; or become subject to control of a trustee, receiver or similar authority; or (c) become

subject to any bankruptcy or insolvency proceeding.

10.4. Effect of Termination. If Datometry terminates this EULA under this Section 10: (a) all Licensed rights to all Software granted to You under this EULA will immediately cease to exist; and (b) You must promptly discontinue all use of all Software, and (destroy all copies of the Software and all License Key(s)) and return, or if requested by Datometry, destroy, any related Datometry Confidential Information in Your possession or control and certify in writing to Datometry that You have fully complied with these requirements. Sections 1 (Definitions), 3 (Restrictions; Ownership), 5.1 (Records), 5.2 (Audit Rights), 7.2 (Disclaimer of Warranties), 9 (Limitation of Liability), 10 (Termination), 11 (Confidential Information) and 12 (General) will survive termination of this EULA.

11. CONFIDENTIAL INFORMATION.

11.1. Definition. "Confidential Information" means information or materials provided by one party ("Discloser") to the other party ("Recipient") which are in tangible form and labeled "confidential" or the like, or, information which a reasonable person knew or should have known to be confidential. The following information shall be considered Confidential Information whether or not marked or identified as such: (a) License Keys; (b) information regarding Datometry's pricing, product roadmaps or strategic marketing plans; and (c) non-public materials relating to the Software.

11.2. Protection. Recipient will not use any Confidential Information of Discloser for any purpose not expressly permitted by the EULA, and will disclose the Confidential Information of Discloser only to the employees or contractors of Recipient who have a need to know such Confidential Information for purposes of the EULA and who are under a duty of confidentiality no less restrictive than Recipient's duty hereunder. Recipient will protect Confidential Information from unauthorized use, access, or disclosure in the same manner as Recipient protects its own confidential or proprietary information of a similar nature but with no less than reasonable care.

11.3. Exceptions. Recipient's obligations under Section 11.2 with respect to any Confidential Information will terminate if Recipient

can show by written records that such information: (a) was already known to Recipient at the time of disclosure by Discloser; (b) was disclosed to Recipient by a third party who had the right to make such disclosure without any confidentiality restrictions; (c) is, or through no fault of Recipient has become, generally available to the public; or (d) was independently developed by Recipient without access to, or use of, Discloser's Information. In addition, Recipient will be allowed to disclose Confidential Information to the extent that such disclosure is required by law or by the order of a court of similar judicial or administrative body, provided that Recipient notifies Discloser of such required disclosure promptly and in writing and cooperates with Discloser, at Discloser's request and expense, in any lawful action to contest or limit the scope of such required disclosure.

11.4. Data Privacy. You agree that Datometry may process technical and related information about Your use of the Software which may include internet protocol address, hardware identification, operating system, application software, peripheral hardware, and non-personally identifiable Software usage statistics to facilitate the provisioning of updates, support, invoicing or online services and may transfer such information to other companies in the Datometry worldwide group of companies from time to time. To the extent that this information constitutes personal data, Datometry shall be the controller of such personal data. To the extent that it acts as a controller, each party shall comply at all times with its obligations under the local legislation applicable in the Territory for the protection of individuals with regard to the processing of personal data. Collected data is subject to Datometry's Privacy Policy at <http://www.datometry.com/support/privacy>.

12. GENERAL.

12.1. Assignment. This EULA and any Orders, and any of Your rights or obligations thereunder, may not be assigned, subcontracted or transferred by You, in whole or in part, whether voluntary, by operation of contract, law or otherwise, without the prior written consent of Datometry. Any attempted assignment or transfer in violation of the foregoing will be null and void. 12.2. Notices. Any notice delivered by Datometry to You under this

EULA will be delivered via mail, email or fax.

12.4. Severability. If any provision of this EULA is held to be illegal, invalid or unenforceable, the provision will be enforced to the maximum extent permissible so as to effect the intent of the parties, and the remaining provisions of this EULA will remain in full force and effect.
