An “Authorized Device” means a server, partition, computer, or any other virtual or otherwise emulated hardware system controlled or owned by Client that meets the requirements for operation of a Solution as identified in the Documentation. Each Authorized Device, including its operating system, must be of a type on which a Solution is designed to be used. If a Solution license is subject to any quantity or Seat restrictions, Client is authorized to maintain a Solution on the number of Authorized Devices as set forth in the applicable Order Form.

Fortra shall provide Solution support in compliance with the applicable Documentation or Solution Specific Schedule which may be modified at any time by Fortra provided that such support levels are not degraded.

5.2 If Client purchased a perpetual license for a Solution and paid its annual Maintenance Fees, Client shall receive Maintenance Services for the duration of each Maintenance Period. If Client purchased a subscription license and paid its annual Subscription Fees, Client shall receive Maintenance Services as part of its subscription license for the duration of each Subscription Period. The initial Subscription Period or Maintenance Period shall commence and expire on the dates indicated on the Order Form. **Thereafter, the Subscription Period or Maintenance Period renews for successive twelve (12) month periods** unless Client provides written notice of its election to cancel the Maintenance Services at least sixty (60) days in advance of the renewal date. For subscription licenses, if Client fails to pay the Subscription Fees prior to the expiration date of the then-current Subscription Period, Fortra shall suspend Client's use of the subscription license and the accompanying Maintenance Services of a Solution. Client may reinstate the subscription license and accompanying Maintenance Services by paying a relicensing fee to be determined in Fortra's sole discretion. For perpetual licenses, if Client fails to pay the Maintenance Fees prior to the expiration date of the then-current Maintenance Period, Client shall continue to be permitted to utilize the version of a Solution for which it last paid the Maintenance Fees, but Fortra has no obligation and will terminate further Maintenance Services to Client. Fortra may condition any subsequent reinstatement of the Maintenance Services on payment of the back unpaid Maintenance Fees from the date that such Maintenance Services stopped through the then-current date and/or a relicensing fee to be determined in Fortra's sole discretion. Subscription Fees following the completion of each Subscription Period, or Maintenance Fees following the completion of each Maintenance Period are subject to change in Fortra's sole discretion.

6. Solution Limited Warranty and Disclaimer.

Limited Warranties. Fortra warrants that the Solution, excluding a Service, shall materially conform to its specifications as provided on a Solution Specific Schedule for a period of ninety (90) days commencing on the initial Solution license term specified on an Order Form and a Service will be performed in a good and workmanlike manner consistent with generally accepted industry standards for a period of ten (10) days unless set forth on the applicable Solution Specific Schedule. A Solution may enable Client to add or access links to websites and to access content, products, and services of third-parties, including users, advertisers, affiliates and sponsors of such third-parties. Fortra is not responsible for any third-party website or third-party content provided on or through a Solution and Client bears all risks associated with the access and use of such websites and third-party content, products and services.

7. Confidentiality.

Confidential Information. "Confidential Information" means all non-public, confidential or proprietary information, in whatever form or medium, disclosed before, on or after the Effective Date, by one Party to the other Party or its affiliates, or to any of such Party's or its affiliates' employees, officers, directors, partners, members, shareholders, agents, attorneys, accountants, contractors or advisors, and shall include, but not be limited to, Fortra Property, non-public Client

Confidential Information Protection Obligations. Each Party reserves any and all right, title and interest that it may have in or to any Confidential Information that it may disclose to the other Party under this Agreement. The receiving Party will protect Confidential Information of the disclosing Party against any unauthorized use or disclosure to the same extent that the receiving Party protects its own Confidential Information of a similar nature against unauthorized use or disclosure, but in no event less than a reasonable standard of care; provided that the Confidential Information of the disclosing Party is conspicuously marked or otherwise identified as confidential or proprietary upon receipt by the receiving Party or the receiving Party otherwise knows or has reason to know that the same is Confidential Information of the disclosing Party. The receiving Party will use any Confidential Information of the disclosing Party solely for the purposes for which it is provided by the disclosing Party. This paragraph will not be interpreted or construed to prohibit any use or disclosure of Confidential Information to the extent: (a) necessary or appropriate in connection with the receiving Party's performance of its obligations or exercise of its rights under this Agreement or any other agreement between the Parties; or (b) required to be disclosed by applicable law (e.g., pursuant to applicable securities laws or legal process), provided that if not prohibited from doing so, the receiving Party uses reasonable efforts to give the disclosing Party reasonable advance notice thereof (e.g., so as to afford the disclosing Party an opportunity to intervene and seek an order or other appropriate relief for the protection of its Confidential Information from any unauthorized use or disclosure). Accordingly, each Party shall be entitled to seek injunctive relief or other equitable relief to restrain a breach or threatened breach of this Agreement or to specifically enforce this Agreement, without proving that any monetary damages have been sustained.

8. Audit; Cooperation.

Audit. Fortra shall have the right to perform, or engage an independent third party bound by a duty of confidentiality to perform, an audit in order to verify Client's compliance with this Agreement. The costs in connection with the audit will be borne by Fortra, unless the audit concludes that Client did not comply with this Agreement, in which case the costs will be borne by Client. The audit shall be conducted during Client's normal business hours and in such a manner as to avoid unreasonable interference with Client's business operations. Client will maintain records reasonably required to verify its compliance with this Agreement and provide to Fortra upon request.

Cooperation. Client must follow all reasonable instructions provided by Fortra in relation to Client's access or use of a Solution, including, but not limited to any Solution Specific Schedules, Documentation, operating manuals, and record keeping requirements. In addition, Client shall provide Fortra all necessary information regarding its access or use of a Solution as may be required by any regulator or Fortra in order to comply with applicable laws and regulations.

9. Term and Termination.

Term of this Agreement. Unless terminated sooner as provided in this Agreement, the initial term of this Agreement shall be for a period of one (1) year commencing on the Effective Date of this Agreement (the “**Initial Term**”). Thereafter, this Agreement will automatically renew for successive one (1) year periods unless either Party provides written notice to the other Party of its desire to avoid such automatic renewal at least sixty (60) days in advance of the conclusion of the immediately preceding term. To the extent a license term for a Solution has not expired or terminated under an Order Form prior to the expiration or termination of the Initial Term or any subsequent term (each, a “**Term**”), then the Term shall continue only with respect to such Solution until the license term for such Solution under such Order Form has been completed or the Order Form is terminated pursuant to the provisions of this Agreement. The Parties understand and agree that this Agreement shall automatically terminate six (6) months after the last Order Form then in effect expires or terminates.

Term of an Order Form. An Order Form shall provide the license term of the purchased Solution. If the initial term is not specified in the Order Form, the initial term will be deemed to have a duration of twelve (12) months. Upon expiration of the initial term, the term of the Order Form will automatically renew for additional successive terms of the same duration as the initial term (the “**Renewal Term**”), unless either Party gives the other Party written notice of non-renewal at least thirty (30) calendar days prior to the beginning of the Renewal Term. Such Renewal Terms will be under the terms and conditions of the initial term, unless Fortra has provided written notice to Client of any amended terms and conditions and/or a pricing increase at least sixty (60) calendar days prior to the beginning of the Renewal Term. In such an event, the amended terms and conditions and/or the pricing increase will apply to the Renewal Term.

Termination for Breach/Insolvency. Either Party may immediately terminate this Agreement or an Order Form for material breach of this Agreement by the other Party if such breach is not cured within thirty (30) days after written notice thereof. Either Party can terminate this Agreement immediately and without notice if a Party enters into compulsory or voluntary liquidation or is deemed unable to pay its debts as they fall due or convene a meeting of or enter into any composition with creditors or have an administrative receiver, receiver manager, or administrator appointed over all or some of the undertaking or assets or anything analogous to the events described occurs in any jurisdiction.

Consequences of Termination. Immediately upon termination of this Agreement or a particular Order Form: (a) the licenses granted to either Party shall immediately terminate; (b) upon written request, each Party shall destroy or return to the other Party any and all Confidential Information received from the other Party; and (c) Client shall cease to use the applicable Solution(s) and, if applicable, Fortra shall cease hosting and supporting the Solution(s) for Client. Upon termination or expiration of this Agreement or an Order Form, Fortra shall have no obligation to maintain or provide any applicable Client Data and will thereafter, unless legally prohibited, delete all applicable Client Data in its systems or otherwise in its possession or under its control.

10. Indemnification.

Fortra Indemnity. Fortra shall defend Client, and Client’s affiliates, and their respective officers and directors, employees and agents against any third-party claim that alleges that the use of a Solution as contemplated hereunder infringes any valid, issued United States patents or United States registered copyrights, and Fortra shall pay any losses, damages, costs, liabilities and expenses (including, but not limited to, reasonable attorneys’ fees) finally awarded by a court to such third-party or otherwise agreed to in settlement of such claim by Fortra.

If a Solution becomes, or in Fortra’s opinion is likely to become, the subject of an infringement or misappropriation claim, Fortra may, at its option and expense, either (a) procure for Client the right to continue using the Solution; (b) replace or modify the Solution so that it becomes non-infringing; or (c) terminate Client’s right to use the Solution and provide Client a refund or credit of the amounts actually paid Client to Fortra for the Solution less a reasonable allowance for the period of time Client has used the Solution. Fortra shall have no obligation with respect to any infringement or misappropriation claim based upon: (1) any use of the Solution not in accordance with this Agreement, an applicable Solution Specific Schedule, or for purposes not intended by Fortra; (2) any use of the Solution in combination with other products, equipment, software, or data not supplied by Fortra; (3) any use of any release or version of the Solution other than the most current release or version made available to Client; or (4) any modification of the Solution made by any

person other than Fortra. This Section 10 states Fortra's entire liability and Client's sole and exclusive remedy for infringement and misappropriation claims and actions.

Client Indemnity. Client will defend Fortra, and Fortra's affiliates, and their respective directors, officers, employees, agents, and Client's customers from and against any third-party claims arising out of or related to: (a) any Client Data posted, stored or otherwise transmitted on or through the Solution, including any claims that such content violates the intellectual property, privacy or other rights of, or has otherwise harmed, a third-party; and (b) Client's unauthorized use of a Solution. Client shall pay any losses, damages, costs, liabilities, and expenses (including, but not limited to, reasonable attorneys' fees) finally awarded by a court to such third-party or otherwise agreed to in settlement of such claim by Client.

Process. Each Party's duties of indemnification under this Section 10 are conditioned on: (a) the indemnified Party giving the indemnifying Party prompt written notice of each third-party claim; (b) the indemnified Party providing its full cooperation in the defense of such third-party claim, if requested by the indemnifying Party and at the indemnifying Party's expense; and (c) the indemnified Party granting the indemnifying Party the sole authority to defend or settle the third-party claim. The indemnified Party may engage legal counsel to monitor, but not control, any such third-party claim at the indemnified Party's expense.

11. Limitation of Liability.

IN NO EVENT WILL EITHER PARTY, ITS DIRECTORS, OFFICERS, EMPLOYEES OR AGENTS BE LIABLE FOR ANY SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, OR ANY OTHER DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO LOSS OF USE, LOSS OF PROFITS OR LOSS OF DATA, WHETHER IN AN ACTION IN CONTRACT, TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE) OR OTHERWISE, ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS AGREEMENT, INCLUDING USE OF OR INABILITY TO USE A SOLUTION, OR ANY MATERIALS CONTAINED IN OR ACCESSED THROUGH A SOLUTION, INCLUDING WITHOUT LIMITATION ANY DAMAGES CAUSED BY OR RESULTING FROM RELIANCE BY CLIENT ON ANY INFORMATION OBTAINED FROM FORTRA, OR THAT RESULT FROM MISTAKES, OMISSIONS, INTERRUPTIONS, DELETION OF FILES OR EMAIL, ERRORS, DEFECTS, VIRUSES, DELAYS IN OPERATION OR TRANSMISSION OR ANY FAILURE OF PERFORMANCE, WHETHER OR NOT RESULTING FROM ACTS OF GOD, COMMUNICATIONS FAILURE, THEFT, DESTRUCTION OR UNAUTHORIZED ACCESS TO FORTRA'S RECORDS, PROGRAMS OR SERVICE, OR INCLUDING PROBLEMS INHERENT IN THE USE OF THE INTERNET, MOBILE AND PERSONAL COMPUTING DEVICES, TRANSMISSION OF ELECTRONIC COMMUNICATIONS OVER THE INTERNET OR OTHER NETWORKS, AND THIRD PARTY HOSTING SERVICE PROVIDERS. IN NO EVENT SHALL FORTRA'S LIABILITY TO CLIENT AS A RESULT OF ANY CLAIM ARISING UNDER THIS AGREEMENT, REGARDLESS OF WHETHER SUCH CLAIM IS BASED ON BREACH OF CONTRACT, TORT, STRICT LIABILITY, OR ANY OTHER THEORY OF LIABILITY, EXCEED THE AMOUNTS PAID BY CLIENT IN THE TWELVE (12) MONTHS PRIOR TO THE OCCURRENCE OF THE ACT OR OMISSION GIVING RISE TO SUCH CLAIM.

12. Export Control and Government.

Export Control. Client acknowledges that the Solutions are subject to export control laws in the United States, the United Kingdom and elsewhere. Client shall comply with all applicable export laws, obtain all applicable export licenses, and will not export or re-export any part of a Solution to any country in violation of such restrictions. Client acknowledges that the Solutions licensed pursuant to this Agreement may also be subject to export controls applicable to cybersecurity items under the U.S. Export Administration Regulations ("EAR"). Client shall not use the Solution, or allow the same to be used, to affect the confidentiality, integrity, or availability of information or information systems, without authorization by the owner, operator, or administrator of the information system (including the information and processes within such systems). Client further represents and warrants that it will not export, re-export, or transfer (in country) the Solution and its components to be used to affect, without authorization, the confidentiality, integrity, or availability of information or information systems; nor does the Client know or have reason to know that the Solution and its components will be put to such use; nor is Client or its Authorized Users named on any U.S. government list of entities or persons prohibited from receiving exports. Without limiting the generality of the foregoing, Client shall not permit any third party to access or use the Solution in, or export the Solution to, a country subject to a United States embargo or in violation of a United States sanction.

The information provided within the Solutions is not intended for distribution to or use by any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation or which would subject Fortra to any registration requirement within such jurisdiction or country. Fortra reserves the right to limit the availability of the Solution or any portion of the Solution, to any person, geographic area, or jurisdiction, at any time and in Fortra's sole discretion.

Anti-Corruption Laws. Client represents and warrants that it has not taken, and will not take, any action that would cause Fortra, and its subsidiaries or affiliates, to violate any anti-corruption law, including but not limited to the United States Foreign Corrupt Practices Act, the UK Bribery Act, and all other applicable anti-corruption laws.

Commercial Item. Client acknowledges that the Solutions are "**Commercial Item(s)**", as that term is defined at 48 C.F.R. § 2.101, consisting of "Commercial Computer Software" and "Commercial Computer Software Documentation," as such terms are used in 48 C.F.R. § 12.212 and 48 C.F.R. § 227.7202, as applicable. Consistent with 48 C.F.R. §§ 12.212, 227.7202-1 through 227.7202-4, the Commercial Computer Software and Commercial Computer Software Documentation are being licensed to U.S. Government end-users (a) only as Commercial Items and (b) with only those rights as are granted to all other end-users pursuant to the terms and conditions in this Agreement.

13. General Provisions.

The Parties are independent contractors and nothing in this Agreement shall be deemed to create the relationship of partners, joint ventures, employer-employee, master-servant, or franchisor-franchisee between the Parties. This Agreement, together with each Solution Specific Schedule and Order Forms, contains the entire agreement of the Parties and supersedes any prior or present understanding or communications regarding its subject matter, and may only be amended in a writing signed by an authorized representative of each Party. In the event of a conflict between the terms in an Order Form, a Solution Specific Schedule, and this Agreement, the following order of precedence shall control unless otherwise expressly provided in this Agreement: (a) the terms of the applicable Solution Specific Schedule, if any; (b) the terms of this Agreement; (c) the terms of an Order Form. All additional and conflicting terms and conditions presented with or in any communication, including but not limited to Client's purchase orders ("P.O.") are hereby rejected and shall be deemed null and void. In the event any provision of this Agreement is held by a court of law or other governmental agency to be void or unenforceable, such provision shall be changed and interpreted so as to best accomplish the objectives of the original provision to the fullest extent allowed by law, and the remaining provisions shall remain in full force and effect. Client may not assign or otherwise transfer any of its rights or obligations hereunder, by operation of law or otherwise, and any assignment or transfer is null and void. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective permitted successors and assigns.
