BY (1) ORDERING A PRODUCT; AND/OR (2) USING AND CONTINUING TO USE A PRODUCT, COMPANY AGREES THAT ANY SUCH ACTION CONSTITUTES:

- (a) **ACKNOWLEDGEMENT THAT IT HAS HAD THE OPPORTUNITY TO READ AND REVIEW THIS AGREEMENT;**
- (b) **ACCEPTANCE AND ASSENT TO THIS AGREEMENT AND THAT FURTHER WRITTEN APPROVAL IS NOT REQUIRED FOR THE VALIDITY OR ENFORCEABILITY OF THIS AGREEMENT;**
- (c) **ACCEPTANCE OF THIS VERSION OF THE AGREEMENT, WHICH ALSO CONSTITUTES ACCEPTANCE OF ALL FUTURE VERSIONS OF THIS AGREEMENT PUBLISHED ON TREND MICRO'S WEBSITE, AND ACKNOWLEDGEMENT THAT THE APPLICABLE TERMS AT ANY MOMENT IN TIME WILL BE THE MOST RECENT VERSION PUBLISHED;**
- (d) **AN ONGOING REPRESENTATION AND WARRANTY TO TREND MICRO THAT COMPANY COMPLIES WITH ALL OF THE TERMS, CONDITIONS, AND REQUIREMENTS SET FORTH IN THIS AGREEMENT; AND**
- (e) **A REPRESENTATION AND WARRANTY TO TREND MICRO THAT COMPANY'S REPRESENTATIVE ACTING ON ITS BEHALF IS AUTHORIZED TO ACCEPT, AGREE, AND BIND COMPANY TO THIS AGREEMENT.**

**1. Scope of the Agreement.**

1.1 **Applicability of the Agreement.** The Parties acknowledge that this Agreement is applicable to each Order of Products by Company as set forth in Section 1.4.

1.2 **Entire Agreement.** The Parties agree that this Agreement is the entire agreement between the Parties relating to the subject matter and any prior agreements, representations, statements, white papers, quotes, advertisement or usage of the trademarks or descriptions of Trend Micro (whether oral or written) or otherwise arising from any course of dealing between the Parties that are not specifically set forth herein are all superseded by this Agreement.

1.3 **Not a Master Purchase Agreement.** Company acknowledges that this is NOT a master purchase agreement for subsequent purchases of Products, but rather, this Agreement only applies to the instant Order of Products by Company. Each subsequent Order of Products by Company will be made subject to the then-current version of this Agreement.

1.4 **Procurement Under This Agreement.** Company may order Products under this Agreement by one of three methods:

- (a) **Directly from Trend Micro.** Company may receive a Quote and place an Order directly with Trend Micro, which Order if accepted by Trend Micro will be governed solely by the terms set forth in this Agreement (including the Certificate). All fees and payment terms will be as set forth in a Quote and all payments for Products will be made directly to Trend Micro.
- (b) **Indirectly via a Reseller.** Company may receive a Quote for Products from a Reseller. Based on such Quote, Orders by Company will be sent to the Reseller at such fees, discounts, and on invoice and payment terms as agreed solely between Company and Reseller. Company understands that if an Order is placed with a Reseller, the Reseller will place an order with Trend Micro for Products through a Trend Micro distributor, but such Order is subject to acceptance or rejection by Trend Micro. Except for the matters described in the second sentence of this paragraph between Reseller and Company, all other terms regarding Products ordered by Company are exclusively set forth in this Agreement. All payments must be made directly to the Reseller and never to Trend Micro. No Reseller is authorized to act on behalf of Trend Micro.
- (c) **Indirectly via a Marketplace Provider.** Company may order certain Products that are sold on and/or hosted by a Marketplace Provider either directly or via a Reseller. As a supplier to Trend Micro, a Marketplace Provider is acting solely as a seller of record to facilitate the purchase by Company of the right to use Products agreed hereunder and for no other purpose. As such, Company acknowledges and agrees that: (A) this Agreement is between Company and Trend Micro and is not with the Marketplace Provider; (B) Products are designed, tested, updated, supported, and hosted by and/or on behalf of Trend Micro as owner of each Product and Trend Micro (and not Marketplace Provider) shall be solely responsible/liable to Company with respect to the Products on the terms and subject to this Agreement; (C) Marketplace Provider has no obligation to (i) furnish a Product to Company, (ii) furnish any maintenance/support services for any Product to Company, or (iii) otherwise handle any warranty claim, complaint or otherwise address or resolve any claim or dispute of any kind or nature that Company may have under this Agreement; and (D) it shall not assert, make, or file any claim, demand, or cause of action against any Marketplace Provider with respect to this Agreement, regardless of reason.

In this case, invoicing and collection of Fees is done by the Marketplace Provider on behalf of and for the benefit of Trend Micro.
- b) **Reseller via Marketplace Provider.** If Company places an Order for Products via a Reseller on a marketplace, then such Reseller will set the Fees to be paid by the Company, but all other terms and conditions regarding the Products ordered by Company through such Reseller are exclusively set forth in this Agreement. If Company is legally entitled to an exemption from the collection and remittance of any otherwise applicable Taxes, Company is responsible for providing Trend Micro with legally sufficient tax exemption certificates for each taxing jurisdiction. Otherwise, Company will be invoiced for, and pay, all Taxes as required to be collected by Trend Micro under Applicable Law.

  - c) **General Audit Right.** In any event, Trend Micro shall have the right on 20 day's prior written notice, to cause an audit (by an internationally recognized audit firm) to be conducted no more frequently than once each calendar year. Company will provide all records and information reasonably necessary for Trend Micro or its independent auditor to successfully perform such audit.
  - d) **Non-compliance.** If any audit described in Sections (a), (b) and (c) above reveals that (1) Company owes fees to Trend Micro, or its Reseller and/or Marketplace Provider, or (2) any deployment or use of any Products is in excess of any use or deployment described in the applicable Certificate (including the Capacity) or (3) is otherwise out of compliance with this Agreement, then Company agrees to promptly correct such non-compliance and will promptly remit such underpaid amounts to Trend Micro and /or its Reseller/ Marketplace Provider. Company consents to Trend Micro's disclosure of such audit results to the Reseller and/or Marketplace Provider. If the value of any unlicensed or excess utilization of Products audited under this [Section 3.9](#) is greater in the aggregate than 10% of the actual Capacity or licensed use for Products ordered by Company, Company agrees to reimburse Trend Micro for its reasonable costs incurred in performing such audit.

    - a. The Parties irrevocably agree that each controversy, dispute, or claim in any way arising from, pertaining to, or in connection with this Agreement, any Products, or the performance/non-performance of both or either Party (each a "**Dispute**") will be solely

and exclusively resolved by mandatory and binding arbitration that is administered by Singapore International Arbitration Center ("SIAC") which will be held and conducted in Singapore in accordance with the Arbitration Rules of Singapore International Arbitration Center ("SIAC Rules") on the Publication Date. The arbitration award will be final and binding for the Parties without appeal and will be in writing and set forth the findings of fact and the conclusions of law. In arriving at their award, the arbitrators shall make every effort to find a solution to the Dispute in the language of this Agreement and shall give full effect to all provisions hereof. However, if a solution cannot be found in the language of this Agreement, the arbitrators shall exclusively apply the substantive law of Singapore existing on the Publication Date hereof and are specifically divested by the Parties of any power or authority to: (i) apply any principles that would permit them to ignore this Agreement, or (ii) apply the law of any jurisdiction other than Singapore.

- b. The number of impartial arbitrators will be three (3), with each Party being entitled to appoint one arbitrator. The 2 arbitrators appointed by the Parties will appoint a third arbitrator (who must be a lawyer with a multinational law firm and have a minimum of 10 years of experience in the field of computer software development, licensing, and distribution) who will act as chairman of the proceedings, or if no agreement is reached by such arbitrators within 20 days of the last to be appointed, then the post of chairman will be filled by the president of SIAC at the request of either Party. Vacancies in the post of chairman will be filled by the president of SIAC in accordance with the SIAC Rules. Other vacancies will be filled by the respective nominating Party. Proceedings will continue from the stage they were at when the vacancy occurred.
- c. If one of the Parties refuses or otherwise fails to appoint an arbitrator within 30 days of the date the other Party appoints its arbitrator, the Parties irrevocably agree that the first appointed arbitrator will be the sole arbitrator, provided that such arbitrator was validly and properly appointed in accordance with the SIAC Rules unless such sole arbitrator appointment shall be void or voidable under SIAC Rules, in which event a sole arbitrator having the qualifications of the chairman will be appointed by the president of SIAC in accordance with the SIAC Rules.

Each Party represents to the other and agrees that such *in personam* jurisdiction is reasonable and fair and hereby waives any objection which it may now or hereafter have based on improper venue.

12.12 **Provisional Remedies; No Waiver.** Notwithstanding the Parties agreement to arbitrate in Sections 12.10.6, a Party may apply at any time to any court or courts having jurisdiction over the relevant Party or Parties for an order (that is NOT dispositive or final of any Dispute), including, but not limited to, an *ex parte* temporary restraining order, temporary injunction proceedings, or other provisional or interim/ancillary remedies or equitable relief (each a "Temporary Action") seeking protection: (1) of its Confidential Information provided hereunder as described in Section 6; or (2) from a breach of or non-compliance with any Product grant in Section 2 of this Agreement or from infringement, misappropriation, or a violation of such applying Party's intellectual property rights forming a part of any Product or otherwise, including any and all rights protectable under intellectual property laws anywhere in the world such as (by way of example) patent, copyright, trade secret, and trademark law; *provided, however*, no such Temporary Action shall be a final disposition of any matter to be submitted to arbitration nor shall it compromise, limit, or avoid the sole and exclusive right of the arbitrators to decide and finally dispose of all Disputes subject to arbitration hereunder, including, without limitation, granting temporary or permanent relief of the subject of any request for Temporary Action. The institution and maintenance of a Temporary Action shall not be deemed an election of remedies or constitute a waiver or abrogation (in whole or in part) of the agreed right and obligation of each Party, including the plaintiff in any arbitration or Temporary Action, to submit each and every Dispute to arbitration, nor supersede or render inapplicable (all or in part) the agreed compulsory arbitration provisions of this Agreement.
