Trial Access is for the sole and exclusive purpose of enabling Customer to evaluate a prospective purchase of Products and not to be deployed as part of Customer's business processes. Certain features may not be available for use during the Trial Period. Unless earlier terminated, Trial Access will automatically time-out at the end of the Trial Period without further notice. Dynatrace may make other Free Use available to Customer in its sole discretion from time to time.
- 5.3.2. All Free Use, including Trial Access, is subject to the terms and conditions of the Agreement; supplemental terms and conditions made available by Dynatrace may also apply and are incorporated herein by this reference. In the event of a conflict between this Section and any other portion of the Agreement, this Section shall control. Free use is provided to Customer without charge, subject to certain limits, and otherwise as described in the Documentation. Usage over the limits established by Dynatrace for Free Use requires Customer's purchase of additional Products, resources or services. Customer agrees that Dynatrace, in its sole discretion and for any or no reason, may terminate Customer's access to the Free Use or any part thereof without prior notice, and Customer agrees that Dynatrace will not be liable to Customer or any third party for such termination. Customer is solely responsible for exporting Customer Data, if applicable, from the Products subject to Free Use prior to termination or expiration of its access to Free Use.
- 5.3.3. NOTWITHSTANDING THE SECTIONS BELOW CAPTIONED "MUTUAL WARRANTIES" AND "LIMITED WARRANTIES AND REMEDIES", TRIAL ACCESS AND OTHER FREE USE IS PROVIDED "AS-IS" WITHOUT ANY WARRANTY OF ANY KIND, EXPRESS OR IMPLIED. DYNATRACE SHALL HAVE NO LIABILITY OF ANY TYPE WITH RESPECT TO SUCH ACCESS OR USE UNLESS SUCH EXCLUSION OF LIABILITY IS NOT ENFORCEABLE UNDER APPLICABLE LAW IN WHICH CASE DYNATRACE'S LIABILITY SHALL NOT EXCEED \$1,000.00. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE "LIMITATION OF LIABILITY" SECTION BELOW, CUSTOMER SHALL BE FULLY LIABLE UNDER THE AGREEMENT TO DYNATRACE AND ITS AFFILIATES FOR ANY BREACH BY CUSTOMER OF THE AGREEMENT OR ANY DAMAGES ARISING OUT OF CUSTOMER'S USE OF THE PRODUCTS UNDER THIS

SECTION 5.3.

- 5.4. **Open Source Software.** Notwithstanding the foregoing license grants, the Agreement is not meant to change or supersede the terms of any Open Source Software license applicable to any portion of the Products or any component provided with the Products. To the extent that the terms of any such license conflict with the terms set forth herein, the terms of such Open Source Software license will prevail.
- 5.5. **Government Customer and End-User Rights.** U.S federal government End-Users acknowledge and agree that Dynatrace Offerings are “commercial items” as defined in Federal Acquisition Regulation (FAR) 2.101, and any agreement between Dynatrace and Partner or its End-User as Customer is a commercial-item subcontract governed by FAR 52.244-6 or 52.212-5(e) as applicable; only the mandatory flow-down clauses of FAR 52.244-6 or 52.212-5(e) apply to Dynatrace unless further FAR and FAR Supplement clauses are specifically identified and are accepted by Dynatrace in writing. For all United States federal government Customers and End-Users, the terms of this standard commercial software license customarily provided to the public govern, as provided by FAR 12.212, Defense FAR Supplement (DFARS) 227.7202-1 and 227.7202-3, or other applicable laws and regulations. No other license to the Product is valid or enforceable unless (and solely to the extent) specifically agreed to in writing by Dynatrace. For all other government entities, license to the Products is offered only under this license; no other license to the Products is valid or enforceable unless (and solely to the extent) specifically agreed to in writing by Dynatrace.
6. **SUPPORT.** Dynatrace will provide Support for Products, subject to the payment of any applicable fees as specified in the Order Form.
7. **PROFESSIONAL SERVICES.**
- 7.1. **Statements of Work.** Dynatrace will provide the Professional Services identified in an Order Form, which may be further described in one or more SOWs. Each SOW may include, without limitation: (a) a description of the scope and type of Professional Services; (b) the location where the Professional Services will be performed; (c) any Deliverables; (d) the schedule for performance and delivery of Deliverables; and (e) additional fees, out of pocket expenses and payment terms applicable to the Professional Services.
- 7.2. **Deliverables.** Dynatrace retains all Intellectual Property Rights in the Deliverables and other works prepared by Dynatrace under the Agreement. Subject to Customer's compliance with the Agreement, Dynatrace hereby grants Customer a limited, non-exclusive, non-transferable, license to use the Deliverables, solely for its internal business purposes as necessary to Customer's related use of the applicable Product. Notwithstanding any other provision of the Agreement, nothing herein will be construed to assign or transfer any Intellectual Property Rights in the Dynatrace Materials or Deliverables, and to the extent Dynatrace Materials are delivered with or as part of the Deliverables, they are licensed, not assigned, to Customer, on the same terms as the Deliverables. Training sessions may not be recorded without Dynatrace's prior written consent.
- 7.3. **Non-Solicitation.** During the term of any Professional Services engagement and for twelve (12) months thereafter, Customer agrees to the extent permitted by law that it will not, directly or indirectly, solicit for employment or employ any Dynatrace employee who is identified by Customer as a result of or in connection with the Professional Services; provided, however, that (a) non-directed newspaper or internet help wanted advertisements and search firm engagements shall not be considered solicitations hereunder, and (b) the restrictions of this clause shall not apply with respect to Dynatrace employees that initiate contact with Customer.
8. **PRICING, INVOICING, AND PAYMENTS.**
- 8.1. **Pricing and Invoicing.** Prices for the Dynatrace Offerings are set forth in the applicable Order Form; fees may be invoiced in advance or otherwise as specified in the Order Form. Customer may use up to the purchased consumption amount set forth in an Order Form as provided therein; additional charges will apply for additional purchases or usage in excess of the purchased consumption. Except as provided under the Agreement, Orders may not be cancelled or reduced during the Term.
- 8.2. **Payments.** Unless otherwise specified in an Order Form, Customer will pay Dynatrace the amounts set forth on any invoice issued pursuant to the Agreement in the specified currency within thirty (30) days of the date of the invoice. Payment obligations for all Dynatrace Offerings are non-cancelable, and fees are non-refundable except as otherwise provided in the Agreement. Unless otherwise provided in an Order Form or SOW, Dynatrace may impose a late payment charge not to exceed the maximum rate allowed by law. If

Customer fails to pay any fee due under an Order Form or the Agreement, without limiting any of its other rights or remedies, Dynatrace may suspend performance until Dynatrace receives all past due amounts from Customer. Should Dynatrace be forced to commence legal action to collect fees owed, Dynatrace is entitled to recover its attorneys' fees and other direct costs of collection. Customer understands that one or more invoices may be issued under each Order Form, that multiple Order Forms may be executed under the Agreement, that Customer shall have no right to set-off, deduct from or reduce payments owed under any Order Form in respect of any claim against or obligation of Dynatrace whatsoever, and that Customer's obligation to pay for Dynatrace Offerings ordered under one Order Form is separate from, and not contingent on delivery or performance of Dynatrace Offerings ordered under any other Order Form. In the event of a good faith dispute for payment on any invoice, Customer will, within fifteen (15) days of receipt of the invoice, notify Dynatrace in writing of the dispute and the parties will use commercially reasonable efforts to resolve such dispute. Undisputed amounts remain payable as provided herein and in the relevant Order Form. The existence of a dispute shall not delay, limit or restrict Dynatrace's rights to collect such amounts or enforce its right to payment.

- 8.3. **Purchase Order(s).** Customer may provide a purchase order (which does not have to be signed by Customer to be valid) or the number or copy of its purchase order, to Dynatrace for Customer's administrative convenience. On request, Dynatrace will reference the purchase order number on its invoices, provided the purchase order references the Order Form and is received reasonably prior to the date of the invoice. Customer acknowledges that Dynatrace has the right to issue an invoice and collect payment without a corresponding purchase order. The terms and conditions stated in any purchase order delivered in connection with an Order Form (or an invoice thereunder) shall have no force or effect.
- 8.4. **Delivery.** Products are made available by electronic delivery. Products are deemed to be delivered and accepted on issuance of the license key or when electronic notice is sent that the purchased Products are available.
- 8.5. **Renewals.** Fees for any Renewal Term are subject to a fee increase of not more than a seven percent (7%) increase (or such higher percentage as is indicated by applying a generally accepted national consumer price index for the relevant period) from the annual fee level for the relevant Subscription in the immediately prior term. Fees for renewal of promotional or one-time priced Subscriptions will be at Dynatrace's applicable list price in effect at the time of the applicable renewal. Renewal fee increases will be effective, and the initial invoice amount will be due and payable, at the start of the Renewal Term. Notwithstanding anything to the contrary, any renewal that has decreased in units, term or otherwise from the prior Subscription will result in re-pricing at renewal without regard to the prior term's pricing.
9. **TAXES AND DUTIES.** Customer will pay all sales, seller's use, VAT, GST, or similar taxes ("Transaction Taxes") due under the Agreement, except for taxes based on Dynatrace net income, unless Customer provides Dynatrace with a properly completed exemption certificate. Transaction Taxes will be separately stated on a Dynatrace invoice. Except as specifically identified in an Order Form, all prices are exclusive of all taxes, duties, withholdings and other governmental assessments.

If Customer is required to pay any such taxes to taxing authorities, directly or through withholding obligations, Customer will deduct the amount of such taxes from any amounts due to Dynatrace hereunder and promptly pay that amount to the relevant taxing authority. Customer will provide Dynatrace with documentation evidencing the payment or withholding of any such taxes to the proper taxing authorities.

10. CUSTOMER RESPONSIBILITIES.

- 10.1 Customer will (a) be responsible for Users' compliance with the Agreement (including contractual usage limitations) and Documentation; (b) be responsible for the accuracy, quality and legality of Customer Data, the means by which Customer acquired Customer Data, Customer's use of Customer Data with the Products, and providing any required notices to, and receiving any required consents and authorizations from, Users and persons whose Personal Data may be included in Account Data or Customer Data; (c) use commercially reasonable efforts to prevent unauthorized access to or use of the Products or Deliverables, and promptly notify Dynatrace of any such unauthorized use or access; (d) ensure use of the Dynatrace Properties is only in accordance with the Agreement, the Documentation, and all applicable laws and government regulations, including without limitation Data Protection Law; and (e) assume sole responsibility for results obtained from its use of the Products.

Customer or Users, or use any Product or Deliverable for the benefit of anyone other than Customer as permitted by the Agreement; (b) reverse engineer, decompile, disassemble or otherwise attempt to derive or gain access to the object code, source code or other operational mechanisms or the underlying ideas, methodologies or algorithms of the Dynatrace Properties (except and to the extent such restriction is specifically prohibited by applicable law without the possibility of waiver, and then on prior written notice to Dynatrace); (c) modify, adapt, translate, copy or create derivative works based on any element of the Dynatrace Properties; (d) sell, resell, license, sublicense, distribute, make available, rent, lease, publish, assign, or otherwise commercially exploit or transfer its rights to use any Product or Deliverable to any third party, including as part of a managed services offering, service bureau, outsourcing offering, software as a service, cloud or other technology or service (unless such managed services are expressly authorized by a separately executed agreement between the parties); (e) use the Product to store or transmit Malicious Code; (f) attempt to gain unauthorized access to any Product or its related systems or networks, including through direct or indirect penetration testing; or (g) access or use any Product or Deliverable in order to (1) copy or re-use ideas, features, functions or graphics, (2) develop, offer or build a product or service that competes with any Dynatrace Offering, (3) perform or publish benchmarks or competitive analyses, or (4) determine whether Dynatrace Properties are within the scope of any patent.

11. OWNERSHIP.

- 11.1. **General.** Customer acknowledges and agrees that this is not an agreement for custom development or “work for hire”, and as such, Customer will not acquire any ownership rights in the Dynatrace Properties.
- 11.2. **Dynatrace Properties; Feedback.** As between Dynatrace and Customer, all right, title and interest, including all worldwide Intellectual Property Rights, in and to the Dynatrace Properties belong to and are retained solely by Dynatrace or its licensors, as applicable. Customer hereby agrees that Dynatrace shall have the unrestricted, transferrable, worldwide, fully paid, royalty-free right and license to use, practice and exploit any and all evaluations, ideas, feedback and suggestions made by Customer to Dynatrace regarding the Dynatrace Properties (collectively, “Feedback”) including the right to use and exploit all Intellectual Property Rights in the Feedback.
- 11.3. **Customer Data.** As between Dynatrace and Customer, all right, title and interest in the Customer Data and all Intellectual Property Rights therein, belong to and are retained solely by Customer. Customer hereby grants to Dynatrace a limited, non-exclusive, royalty-free, worldwide license to use the Customer Data and perform all acts with respect to the Customer Data as may be necessary for Dynatrace to provide the Dynatrace Offerings to Customer, or as otherwise authorized by Customer in writing. Customer agrees that Dynatrace may monitor and collect data from Customer’s use of the Dynatrace Offerings for license compliance, to improve Dynatrace’s current and future offerings, to prevent fraud and illegal activity, and if aggregated and not identifying Customer or any individual, for industry analysis, benchmarking, and analytics.

12. WARRANTIES.

- 12.1. **Mutual Warranty.** Each party represents, warrants and covenants that: (a) it has the full power and authority to enter into the Agreement and to perform its obligations hereunder, without the need for any consents, approvals or immunities not yet obtained; and (b) its acceptance of and performance under the Agreement will not breach any agreement with any third party or any obligation owed by it to any third party.
- 12.2. **Limited Warranties and Remedies.** The following limited warranties apply only to the extent that Customer has purchased the applicable Dynatrace Offering:
- 12.2.1. **Dynatrace Products.** Dynatrace warrants that the Products will operate substantially in compliance with the applicable Documentation during the Term, provided that the Products have been properly installed and always used as described in the applicable Documentation and have not been modified or added to other than by Dynatrace. If the Product does not perform as warranted, Dynatrace will undertake, at its sole option and as Customer’s exclusive remedy for breach of this warranty, to (a) correct the non-conformance, (b) replace the Customer Hosted Software, or (c) if Dynatrace determines that it is not commercially reasonable or possible to correct a material non-conformity within a reasonable time from receipt of written notice from Customer detailing the warranty claim, the Order Form for the affected Product will be cancelled and Dynatrace will refund any unused prepaid fees for the affected Product.

12.2.2. **Professional Services.** Dynatrace will use commercially reasonable efforts to perform the Professional Services and deliver the Deliverables according to the specifications, if any, set forth in the relevant Order Form and SOW. If Dynatrace fails to do so and Customer notifies Dynatrace within thirty (30) days of the date the Professional Services were performed, Dynatrace will undertake at its sole option and as Customer's exclusive remedy for breach of this warranty, to (a) re-perform the non-conforming Professional Services, or (b) if Dynatrace determines that re-performance is not commercially reasonable, the SOW for the affected Professional Services will be cancelled and Dynatrace will refund to Customer any pre-paid fees corresponding to the affected Professional Services.

12.3. **WARRANTY DISCLAIMER.** TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EXCEPT FOR THE EXPRESS WARRANTIES SPECIFIED ABOVE, DYNATRACE DISCLAIMS ALL OTHER WARRANTIES, WHETHER WRITTEN, ORAL, EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE, AND NON-INFRINGEMENT. WITHOUT LIMITING THE FOREGOING, DYNATRACE DOES NOT WARRANT THAT THE DYNATRACE OFFERINGS, DELIVERABLES OR RESULTS OF THE USE THEREOF WILL: (A) OPERATE IN COMBINATION WITH ANY OTHER HARDWARE, SOFTWARE, SYSTEM OR DATA; (B) MEET CUSTOMER'S REQUIREMENTS OR EXPECTATIONS; (C) BE UNINTERRUPTED, ERROR-FREE OR VIRUS-FREE; (D) IDENTIFY, BLOCK, OR REMEDIATE ALL SECURITY VULNERABILITIES, THREATS, OR ATTACKS; OR (E) RENDER THE CUSTOMER ENVIRONMENT INVULNERABLE TO UNAUTHORISED ACCESS AND/OR THIRD-PARTY INTERFERENCE. IN ADDITION, DYNATRACE MAKES NO WARRANTY ABOUT ANY THIRD-PARTY PRODUCTS.

13. **DYNATRACE INDEMNITY.**

13.1. **IP Claims.** Dynatrace, at its expense, will defend Customer and its Affiliates and their respective officers, directors and employees (the "Customer Indemnified Parties") from and against all actions, proceedings, claims and demands by a third party (a "Third-Party Claim") alleging that the Product or Deliverable received by Customer under the applicable Order Form, as of the delivery date, infringes any copyright or misappropriates any trade secret and will pay all damages, costs and expenses, including attorneys' fees and costs (whether by settlement or final award) incurred by the Customer Indemnified Parties directly from any such Third-Party Claim. Together with the mitigation obligations set forth below, this represents Dynatrace's entire liability, and Customer's sole and exclusive remedy, for infringement of any intellectual property or proprietary rights by any Dynatrace Product, Deliverable or otherwise. Notwithstanding anything to the contrary in the Agreement, the foregoing obligations will not apply with respect to a claim of infringement that arises out of (a) infringing or illegal Customer Data; (b) use of the Dynatrace Product in combination with any software, hardware, network, technology or system not supplied by Dynatrace where the alleged infringement relates to such combination; (c) any modification or alteration of the Product other than by Dynatrace; (d) Customer's continued use of the Product after Dynatrace notifies Customer to discontinue use because of an infringement claim; (e) use of the Product other than as authorized under the Agreement; or (f) failure to implement an update, upgrade or bug fix that Dynatrace has provided at no charge where such implementation may avoid infringement.

13.2. **Mitigation.** If any Third-Party Claim which Dynatrace is obligated to defend has occurred, or in Dynatrace's determination, is likely to occur, Dynatrace may, at its option: (a) obtain for Customer the right to continue using the Product; (b) replace or modify the Product so that it avoids such claim; or (c) if such remedies are not reasonably available, terminate Customer's license for the infringing Product or Deliverable and provide Customer with a refund of any unused fees Customer prepaid to Dynatrace for the infringing Product or Deliverable, provided however that with respect to infringing Products licensed to Customer for a perpetual term, such refund is pro-rated equally over a thirty-six (36) month period from the date of delivery of such Product. If such termination materially affects Dynatrace's ability to meet its remaining obligations under the relevant Order Form then Dynatrace may, at its option and upon written notice, terminate the Order Form, in whole or in part, and refund such other unused fees prepaid to Dynatrace for Dynatrace Offerings terminated.

14. **CUSTOMER INDEMNITY.** Customer will, at its expense, defend Dynatrace, its Affiliates, licensors and their respective officers, directors and employees (the "Dynatrace Indemnified Parties") from and against any and all Third-Party Claims which arise out of or relate to: (a) a claim or threat that the Customer Data infringes, misappropriates or violates any third party's privacy or Intellectual Property Rights; (b) Customer's breach of

Section 10.2 (Restrictions); or (c) the occurrence of any of the exclusions set forth above in Section 13.1 (IP Claims) (a) through (f). Customer will pay all damages, fines, costs and expenses, including attorneys' fees and costs (whether by settlement or award of by a final judicial judgment) incurred by the Dynatrace Indemnified Parties from any such Third-Party Claim.

- 15. INDEMNIFICATION PROCEDURES.** Either Party's respective indemnification obligations (each an "Indemnifying Party") are conditioned upon: (a) being promptly notified in writing of any Third-Party Claim, (b) having the sole and exclusive right to control the defense and settlement of the Third-Party Claim, and (c) the Dynatrace or Customer Indemnified Parties (as applicable the "Indemnified Party") providing all reasonable assistance (at the Indemnifying Party's expense and reasonable request) in the defense of such Third-Party Claim. In no event will an Indemnified Party settle any claim without the Indemnifying Party's prior written approval. The Indemnified Party may, at its own expense, engage separate counsel to advise it regarding a Third-Party Claim and to participate in the defense of the Third-Party Claim, subject to the Indemnifying Party's right to control the defense and settlement.

16. CONFIDENTIALITY.

- 16.1. Definition of Confidential Information.** "Confidential Information" means any and all non-public information disclosed by one party (the "Disclosing Party") to the other party (the "Receiving Party") in any form or medium, whether oral, written, graphical or electronic, pursuant to the Agreement, that is designated confidential or proprietary, or that a reasonable person should understand is confidential or proprietary. Confidential Information includes, but is not limited to: the terms of the Agreement, information related to either party's technology, products, know-how, trade secrets, whether or not patentable or copyrightable, security reports, specifications, customers, business plans, pricing information, promotional and marketing activities, finances and other business affairs, Dynatrace Properties and anything else created or developed by Dynatrace in connection with the Agreement and the Dynatrace Offerings. Customer will not remove or destroy any proprietary markings or restrictive legends placed upon or contained in the Dynatrace Properties. The foregoing notwithstanding, Confidential Information excludes business contact information such as job/position title; department, team or functional group name; business telephone, mobile or fax numbers; and business email addresses.
- 16.2. Nondisclosure Obligations.** The Receiving Party will not use the Confidential Information of the Disclosing Party for any purpose other than as necessary to fulfill its obligations or to exercise its rights under the Agreement, and by Dynatrace to improve the Dynatrace Offerings (the "Purpose"). The Receiving Party will not disclose Confidential Information of the Disclosing Party to any third party; provided that the Receiving Party may disclose Confidential Information to its partners, officers, directors, employees, contractors, Affiliates, agents, advisors, or representatives ("Representatives") who need access to such Confidential Information for the Purpose and who are subject to written confidentiality obligations at least as stringent as the obligations set forth in this Section 16. Each party accepts responsibility for the actions of its Representatives and will protect the other party's Confidential Information in the same manner as it protects its own valuable confidential information, but with no less than reasonable care. The Receiving Party will promptly notify the Disclosing Party upon becoming aware of a breach or threatened breach hereunder and will cooperate with any reasonable request of the Disclosing Party in enforcing its rights.
- 16.3. Exceptions to Confidential Information.** "Confidential Information" does not include information which: (a) is known by the Receiving Party prior to receipt from the Disclosing Party, without any obligation of confidentiality; (b) becomes known to the Receiving Party directly or indirectly from a source other than one having an obligation of confidentiality to the Disclosing Party; (c) lawfully becomes publicly known or otherwise publicly available, except through a breach of the Agreement; or (d) is independently developed by the Receiving Party without use of or access to the Disclosing Party's Confidential Information. The Receiving Party may disclose Confidential Information pursuant to the requirements of applicable law, legal process or government regulation, but only after it notifies the Disclosing party (if legally permissible) to enable the Disclosing party to seek a protective order or otherwise to contest such required disclosure, at the Disclosing Party's expense.
- 16.4. Injunctive Relief.** The parties agree that any unauthorized disclosure of Confidential Information may cause immediate and irreparable injury to the Disclosing Party and that, in the event of such breach, the Disclosing Party will be entitled, in addition to any other available remedies, to seek immediate injunctive and other equitable relief, without bond and without the necessity of showing actual monetary damages.

17. LIMITATION OF LIABILITY.

- 17.1. EXCEPT FOR CUSTOMER'S PAYMENT OBLIGATIONS, CUSTOMER'S BREACH OF SECTION 10.2 (RESTRICTIONS), OR EITHER PARTY'S INDEMNITY OBLIGATIONS, THE CUMULATIVE LIABILITY OF EACH PARTY AND ITS AFFILIATES WILL NOT EXCEED THE ANNUAL FEES PAID OR PAYABLE BY CUSTOMER FOR THE APPLICABLE DYNATRACE OFFERING AT THE TIME THE CLAIM ARISES. FOR PRODUCTS LICENSED TO CUSTOMER FOR A PERPETUAL TERM, THE LIABILITY CAP WILL BE BASED ON AN EQUAL PRORATION OF THE PREPAID AMOUNT OVER THIRTY-SIX (36) MONTHS FROM DELIVERY OF THE PRODUCTS.
- 17.2. EXCEPT CUSTOMER'S BREACH OF SECTION 10.2 (RESTRICTIONS), OR EITHER PARTY'S BREACH OF SECTION 16 (CONFIDENTIALITY), NEITHER PARTY WILL BE LIABLE FOR SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES, INCLUDING BUT NOT LIMITED TO BUSINESS INTERRUPTION, LOST PROFITS, LOSS OF DATA OR COST OF COVER, EVEN IF SUCH PARTY KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES.
- 17.3. THE WAIVERS AND LIMITATIONS IN THIS SECTION 17 APPLY REGARDLESS OF THE FORM OF ACTION OR THEORY OF LIABILITY ASSERTED, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, PRODUCT LIABILITY, OR ANY OTHER LEGAL OR EQUITABLE THEORY, AND WILL SURVIVE AND APPLY EVEN IF ANY LIMITED REMEDY IN THE AGREEMENT FAILS OF ITS ESSENTIAL PURPOSE.
- 17.4. NEITHER PARTY LIMITS OR EXCLUDES ITS LIABILITY FOR: (A) DEATH OR PERSONAL INJURY CAUSED BY NEGLIGENCE, (B) FRAUDULENT MISREPRESENTATION, OR (C) ANY OTHER LIABILITY TO THE EXTENT THAT SUCH LIABILITY CANNOT BE EXCLUDED OR LIMITED BY APPLICABLE LAW.

18. TERM AND TERMINATION.

- 18.1. **Subscription Agreement.** This Subscription Agreement may be updated from time to time by Dynatrace, provided that no such update or modification will apply to Order Forms previously executed between the parties.
- 18.2. **Term of Order Form; SOW.** Each Order Form or SOW incorporating this Subscription Agreement begins on its effective date and, unless earlier terminated under Section 18.3, continues in effect through the end date of the Term set forth therein, or for SOWs, the Service Period as defined therein. Each Subscription will automatically renew for additional periods equal to the greater of the expiring subscription term or one year (the "Renewal Term"), unless either party gives the other written notice (email acceptable) to WW-Renewals-Team@dynatrace.com (with a copy to: legalnotices@dynatrace.com) at least 60 days before the end of the relevant Term.
- 18.3. **Termination for Cause.** Either party may terminate any Order Form or SOW incorporating this Subscription Agreement in whole or in part, for cause: (a) on thirty (30) days' written notice to the other party of a material breach if such breach remains uncured at the expiration of such period (or immediately if the material breach is not capable of being remedied); or (b) immediately upon written notice if the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation, or an assignment for the benefit of creditors. In addition, Dynatrace may terminate any or all Order Forms or SOWs with Customer incorporating this Subscription Agreement, immediately on written notice in the event: (1) Customer fails to pay any amounts due hereunder, and such failure continues more than 10 days after written notice by Dynatrace thereof; or (2) Customer or its Users infringe or misappropriate Dynatrace's Intellectual Property Rights, including without limitation use of a Dynatrace Offering other than as authorized under the Agreement.
- 18.4. **Other Termination.** In the event it becomes illegal for Dynatrace to perform any aspect(s) of the Agreement, then Dynatrace will be excused from performance or may suspend or terminate the Agreement to the extent necessary to comply with applicable laws, rules or regulations, without any liability for breach or termination.
- 18.5. **Effect of Termination or Expiration of Agreement.**
 - 18.5.1. **Termination of Order Form; SOW.** On termination or expiration of an Order Form (other than the termination by Customer under Section 18.3 above of an Order Form for Product licensed for a perpetual term), Customer's subscription or license to the Product purchased thereunder will terminate and Customer and Users will immediately cease to use the SaaS Subscription and either

uninstall or destroy the Customer Hosted Software. Upon request by Dynatrace, Customer will certify in writing to Dynatrace that all copies of such Customer Hosted Software are no longer in use. Dynatrace will make any remaining Customer Data stored in the SaaS Subscription available on request by Customer in the format in which it is stored in the SaaS Subscription for up to thirty-five (35) days following the effective date of termination or expiration. After such period, Dynatrace will have no obligation to maintain or provide any Customer Data and may thereafter, unless legally prohibited, delete all Customer Data in its systems or otherwise in its possession or under its control. For the avoidance of doubt, except in the case of termination following Customer's infringement of Products as provided in Section 18.3 above, termination of one Order Form will not terminate any other Order Form or other Agreement.

18.5.2. **Refund or Payment upon Termination for Cause.** If an Order Form or SOW is terminated by Customer in accordance with Section 18.3 (Termination for Cause) or by Dynatrace in accordance with Section 18.4 (Other Termination), Dynatrace will refund Customer any unused prepaid fees for the Dynatrace Offering terminated, provided however that with respect to Products licensed to Customer for a perpetual term, such refund is pro-rated equally over a thirty-six (36) month period from the date of delivery of the Product. If an Order Form or SOW is terminated by Dynatrace in accordance with Section 18.3 (Termination for Cause), Customer will immediately pay Dynatrace any unpaid fees and expenses covering the remainder of the term of such terminated Dynatrace Offering.

19. **SURVIVAL.** The following provisions will survive expiration or termination of the Agreement: (a) any payment obligations of Customer hereunder; (b) Section 3 (Partner Transactions), Section 7.3 (Non-Solicitation), Section 8 (Pricing, Invoicing, and Payments), Section 9 (Taxes and Duties), Section 10 (Customer Responsibilities), Section 11 (Ownership), Section 13 (Dynatrace Indemnity), Section 14 (Customer Indemnity), Section 15 (Indemnification Procedures), Section 16 (Confidentiality), Section 17 (Limitation of Liability), Section 18 (Term and Termination), Section 26 (Electronic Communication; Notices), Section 28 (Governing Law), and (c) any rights (including surviving perpetual licenses) or obligations which are expressed to, or by their nature will, survive. The expiry or termination of the Agreement does not affect any rights which accrued before the date of expiry or termination.

20. **LICENSE COMPLIANCE.** Customer agrees that Dynatrace tracks and records usage of Customer's purchased consumption units, licenses, subscriptions and services. Customer will, without prejudice to other rights of Dynatrace, address any non-compliance identified by Dynatrace by promptly paying additional fees at Dynatrace's then-current list price and any reinstatement charges for lapsed Subscriptions.

21. **INDEPENDENT CONTRACTORS.** The parties are independent contractors and will so represent themselves in all regards.

22. **FORCE MAJEURE.** Excluding payment obligations, neither party will be liable for delay or default in the performance of their respective obligations if the delay or default is caused by conditions beyond its reasonable control, including but not limited to, acts of God, war, acts of terrorism (whether actual or threatened), riot or civil unrest, failure of electrical, Internet, co-location or telecommunications service, non-Dynatrace applications, denial of service or similar attacks, acts of civil or military authorities, fire, floods, weather disturbances, volcanic eruption, earthquakes, accidents, strikes or labor actions, epidemics, pandemics, quarantines, or energy crises.

23. **ASSIGNMENT.** Neither party may transfer or assign the Agreement, in whole or in part, without the other's prior written consent. A transfer or assignment upon a change of control, through a merger, consolidation, reorganization, operation of law or otherwise, will be deemed a transfer or assignment for purposes of the Agreement that requires the other party's prior written consent. Notwithstanding the foregoing, Dynatrace may, without Customer's consent assign the Agreement or any Order Form or agreement incorporating this Subscription Agreement, to any of its Affiliates, or to an entity who acquires all or substantially all of its business or assets, or in connection with a change in control of Dynatrace (through merger, consolidation, reorganization, operation of law or otherwise). Any assignment in violation of this Section will be void *ab initio* and of no effect. Subject to the foregoing, the Agreement is binding upon, inures to the benefit of and is enforceable by the parties and their respective successors and assigns.

24. **COMPLIANCE WITH LAWS.**

24.1. Dynatrace will comply with all laws and regulations applicable to its provision of the Dynatrace Offering. However, Dynatrace is not responsible for compliance with any laws or regulations that apply to Customer

or Customer's industry that are not otherwise applicable to Dynatrace (e.g., Dynatrace does not determine whether Customer Data includes information subject to any specific law or regulation).

- 24.2. Customer must comply with all laws and regulations applicable to its use of the Dynatrace Offerings, including laws related to privacy, data protection and confidentiality of communications. Customer is responsible for providing notice and obtaining all necessary rights for Dynatrace to provide the Products and Deliverables, implementing and maintaining privacy protections and security measures for components that Customer provides or controls, and for determining whether the Products and Deliverables are appropriate for storage and processing of information subject to any specific law or regulation.

25. DATA PRIVACY AND SECURITY.

25.1. General.

25.1.1. Dynatrace has implemented and will maintain and follow appropriate technical and organizational measures intended to protect Personal Data against accidental, unauthorized, or unlawful access, disclosure, damage, alteration, loss, or destruction. Customer will ensure that all Account Data is current and accurate throughout the applicable order Term, will limit Personal Data in Account Data to only the information necessary to create and administer its customer account and in no event include Restricted Information. Customer is responsible for its configuration of data privacy settings in the Products as described in the Documentation, its secure use of the Products and Deliverables, including securing its account authentication credentials, protecting the security of Customer Data and Personal Data when in transit to and from the SaaS Subscription or Dynatrace and taking any appropriate steps to securely encrypt or backup any Customer Data and Personal Data uploaded to the SaaS Subscription or otherwise provided to Dynatrace.

25.1.2. If Dynatrace becomes aware of any unlawful access to any Personal Data stored on Dynatrace equipment or in a Dynatrace facility, or unauthorized access to such equipment or facilities resulting in loss, disclosure, or alteration of Personal Data (each a "Security Incident"), Dynatrace will notify Customer of the Security Incident without undue delay (provided that such notification may be delayed as required by a law enforcement agency) and take commercially reasonable steps to comply with its obligations under Applicable Privacy Laws pertaining to responding to a Security Incident. Dynatrace's obligation to report or respond to a Security Incident under this Section is not an acknowledgement by Dynatrace of any fault or liability with respect to the Security Incident. Customer must notify Dynatrace without undue delay, about any possible misuse of its accounts or authentication credentials or any security incident related to the SaaS Subscription.

25.1.3. Customer acknowledges that use of the Dynatrace Offerings does not require and is not intended for the collection, storage, or other processing of Restricted Information; therefore, Customer agrees not to provide Restricted Information to Dynatrace. Failure to comply with this requirement will be deemed cause for termination under Section 18.3 in Dynatrace's sole discretion. If Restricted Information is inadvertently provided, Dynatrace will treat it in the same way as it treats Personal Data under the Agreement. Customer will use reasonable efforts to restrict the inclusion of other Personal Data in Customer Data. The Documentation provides further information on data privacy settings in the Products.

- 25.2. **Data Processing Agreement.** To the extent Dynatrace processes any Personal Data on Customer's behalf that is subject to Data Protection Law, and the parties have not executed a separate data processing agreement that complies with such Data Protection Law, the terms of the Data Processing Agreement, located at <https://www.dynatrace.com/company/trust-center/customers/>, are incorporated by reference and shall apply.

- 26. ELECTRONIC COMMUNICATION; NOTICES.** Dynatrace may use electronic means to communicate with Customer related to its performance of obligations under the Agreement, including but not limited to notices posted in the Product and Support portal, online Documentation, in-product chat, RSS subscriptions to be notified of updates and email. For the purpose of the Agreement, Customer consents to receive communications from Dynatrace in an electronic form and agrees that all terms and conditions, agreements, notices, disclosures and other communications that Dynatrace provides to Customer electronically constitute a written communication.

Either party may give notice by written communication, sent by first class postage prepaid mail or nationally

recognized overnight delivery service, to the other party's address as specified in the Agreement. Customer may send notices to Dynatrace at 1601 Trapelo Road, Suite 116, Waltham, MA 02451, Attention: General Counsel, with a copy to legalnotices@dynatrace.com. Dynatrace may send notices to Customer at the address set forth at the top of the Order Form. If Dynatrace requires an email address from Customer, Customer is responsible for providing and updating its most current email address for the purpose requested. Either party may from time to time change its address for notices under this Section by giving the other party notice of the change in accordance with this Section.

27. **CUSTOMER REFERENCE.** Customer agrees that Dynatrace may reference Customer as a Dynatrace customer, subject to Customer's trademark and logo usage guidelines provided by Customer, and that occasionally, after Customer review, Dynatrace may issue a press release and case study.
28. **GOVERNING LAW.** The Agreement will be governed by and construed in accordance with the laws of the State of Delaware without regard to its conflicts of law principles. The parties hereby consent to the personal and exclusive jurisdiction of the federal and state courts of the State of Delaware. If the entity selling the Dynatrace Offerings is an Affiliate of Dynatrace LLC, the Agreement will be governed by the laws of the country in which such Dynatrace Affiliate is situated, and the parties consent to the exclusive jurisdiction of the courts where such Dynatrace Affiliate is located, or in the event of multiple offices, where the head office of such Affiliate is located. If any provision of the Agreement is contrary to and in violation of an applicable law of any governmental unit in such country, such provision will be considered null and void to the extent that it is contrary to such law, but all other provisions of the Agreement will remain in effect. The parties agree that the 1980 United Nations Convention on Contracts for the International Sale of Goods is specifically excluded from application to the Agreement.
29. **EXPORT CONTROLS.** Customer agrees to comply with applicable U.S. Government, EU and UN export and re-export laws, regulations and requirements. Customer further certifies that it will not export or re-export any software that may be subject to such laws, regulations and requirements, to any location, or to any end-user, or for any end-use, without first obtaining any export license, permit or other approval that may be required. Without limiting the foregoing, Customer specifically agrees that it will not export or re-export any software subject to export and re-export laws to (a) any Group E country listed in [Supplement No. 1 to Part 740 – Country Groups](#) and the Crimea Region of Ukraine, or (b) any company, entity or person listed as a party of concern found here http://2016.export.gov/ecr/eg_main_023148.asp, or (c) for any end-use related to the development, production or use of nuclear, chemical or biological weapons or missiles.
30. **ANTI-CORRUPTION.** The parties agree to:
- (a) comply with all applicable laws, statutes and regulations relating to anti-bribery and anti-corruption;
 - (b) not engage in any activity, practice or conduct which would constitute an offence under applicable laws, statutes and regulations relating to anti-bribery and anti-corruption;
 - (c) have and shall maintain in place throughout the Term its own policies and procedures, including adequate procedures under applicable laws, statutes and regulations relating to anti-bribery and anti-corruption, to ensure compliance with these laws and will enforce them where appropriate;
 - (d) promptly report to the other party any request or demand for any undue financial or other advantage of any kind received in connection with the performance of the Agreement; immediately notify the other party in writing if a foreign public official becomes an officer or employee of the party or acquires a direct or indirect interest in the party;
 - (e) for the purpose of this Section 30 (Anti-Corruption), the meaning of adequate procedures and foreign public official and whether a person is associated with another person shall be determined in accordance with applicable laws, statutes and regulations relating to anti-bribery and anti-corruption. For the purposes of this Section 30 (Anti-Corruption), a person associated with a party includes any subcontractor of the party.
31. **MISCELLANEOUS.** The Agreement sets forth the entire agreement and understanding between the parties with respect to the subject matter hereof, and supersedes any other agreements, discussions, proposals, representations or warranties, written or oral, with respect to the subject matter hereof. Any other terms stated in any purchase order delivered to Dynatrace in connection with an Order Form or invoice thereunder shall have no effect. Each party acknowledges that it has reviewed and accepted the terms of the Agreement and agrees that contractual ambiguities are not to be construed in favor of or against any party based on its role

in drafting the Agreement. Performance of any obligation required by a party hereunder may be waived only by a written waiver signed by an authorized representative of the other party. Failure or delay by either party in exercising any right or remedy will not constitute a waiver. If any provision of the Agreement will be declared invalid, the entire Agreement will not fail on its account, and that provision will be severed, with the balance of the Agreement continuing in full force and effect. The Agreement may only be amended in writing signed by both parties.
