

Agreement for Chainguard Products and Services

By purchasing or subscribing to any products or services that Chainguard, Inc. (“**Chainguard**”) sells through Amazon Web Services, Inc. via its online public offer functionality (“**AWS Marketplace**”), you agree to Chainguard’s [Master Services and License Agreement](#), and supplemental terms, if any, applicable to such products and services. If you have previously entered into an agreement with Chainguard for the products and services you are purchasing through the AWS Marketplace via a public offer, that existing agreement supersedes and governs your use of such products and services.
