END-USER LICENSE AGREEMENT

Your use of this software is governed by the terms of the AWS Customer Agreement (https://aws.amazon.com/agreement/) or other agreement with AWS governing your use of AWS services ("Services").

When using the Services, you may use Precisely Connect CDC (formerly SQData) developed and owned by Precisely. If you choose to use Connect CDC, you agree to these additional terms and conditions:

- Connect CDC is neither sold nor distributed to you and you may use it solely in conjunction with the Services.

- You may not transfer or use Connect CDC outside the Services.

- You may not remove, modify or obscure any copyright, trademark or other proprietary rights notices that are contained in or on Connect CDC.

- You may not reverse engineer, decompile or disassemble Connect CDC, except to the extent expressly permitted by applicable law.

- You will not utilize Connect CDC for military purposes or end uses, or in the design, development or production of nuclear, chemical, or biological weapons.

- Precisely disclaims, to the extent permitted by applicable law, all warranties by Precisely and any liability by Precisely or its suppliers for any damages, whether direct, indirect, or consequential, arising from the Services.

- Precisely is not responsible for providing any support in connection with the Services. Do not contact Precisely for support.
