

1. Acceptance and modification of the terms of service

1.1 "Mingyu Operation and Maintenance Audit and Risk Control System User Agreement" (hereinafter referred to as "this Agreement") is between the user and Hangzhou Anheng Information Technology Co., Ltd. (hereinafter referred to as "Anheng") regarding the user's use of Mingyu Operation and Maintenance Audit Agreements with various services provided by the risk control system. "User" refers to an individual or organization enjoying various services of Mingyu Operation and Maintenance Audit and Risk Control System, and is more commonly referred to as "you" or "user" in this agreement. This agreement constitutes a prerequisite for you to use the services provided by Mingyu operation and maintenance audit and risk control system. Unless you accept the terms of this agreement, you have no right to use the services provided by Mingyu operation and maintenance audit and risk control system content. Your registration, login, viewing, use and other behaviors are deemed to have read and accepted the terms of this agreement.

1.2 Anheng may revise the terms of the agreement at any time. Once the terms of the agreement are changed and modified, Anheng will prompt the revised content on the relevant page or notify you by other means to release the revised version of this agreement. Unless otherwise specified in the updated version, document or policy, the revised terms will take effect after posting or notification. You will need to periodically review these terms online. If you continue to use the services provided by Mingyu Operation and Maintenance

Audit and Risk Control System after the terms become effective , you are deemed to have accepted all the modifications of this agreement.

1.3 Please be sure to read carefully, fully understand the content of each clause, and choose to accept or not. You must fully and strictly abide by the terms of this agreement when enjoying the various services provided by Mingyu operation and maintenance audit and risk control system (hereinafter referred to as "the service").

2. Service Description

2.1 Service Acquisition

2.1.1 In order to access and use the service, you must provide valid information to register as a user of the Mingyu operation and maintenance audit and risk control system. For the opening of certain services, Anheng may require you to provide further identity information, business qualifications and information , to complete identity verification or eligibility verification. You can order and use related cloud services only after completing the corresponding identity authentication and qualification verification. You understand and agree that Mingyu Operation and Maintenance Audit and Risk Control System has the right to examine whether the information you provide during real-name authentication is true, accurate and valid by itself or by entrusting a third party. You must ensure that the information submitted is true and accurate, otherwise, Anheng shall not be liable for any direct or indirect disputes arising therefrom.

2.2.1 If your account information changes, please update the information in your account in time. You are responsible for the confidentiality of your account, the security of identity and password verification, and the activities under your account. If there is any abnormality in the account, you will notify us immediately.

2.1.3 Users can purchase this service directly through the official website of Mingyu Operation and Maintenance Audit and Risk Control System or from dealers authorized by Anheng . If the user obtains the service through a third party not authorized by Anheng , Anheng cannot guarantee that the service can be used normally, and will not be responsible for the losses suffered by the user.

2.2 Payment and refund

2.2.1 When users purchase this service , they must submit order requirements and confirm order information in accordance with the relevant procedures and rules published on the website. After the order is submitted, any information such as order information, company information, and invoice information submitted will not be able to be modified in any way. .

2.2.3 Anheng will issue an invoice according to the invoicing information reserved by the user within 7 working days after the user has paid and received the account, and will issue the invoice according to the invoice receiving method and address reserved by the user.

2.2.4 The service fee standard is subject to the detailed fee price marked on the website of Mingyu Operation and Maintenance Audit and Risk Control

System. Anheng has the right to change the above fee standard based on its own business development needs. At the same time, Anheng may make adjustments based on actual operating conditions. Users who have been activated and continue to be valid at different stages will be given different tariff discounts in terms of renewal and upgrade.

2.2.5 If a refund is required, the user can submit a refund application within 3 working days from the date the order payment is completed, and no refund application will be issued if it is overdue. When refunding, only the actual paid amount will be refunded, and the used vouchers, coupons, etc. will not be refunded. If the invoice has been issued, you need to return the invoice to us before you can get a refund.

3. Service Usage Specifications

3.1 User accounts are limited to the use of individuals or organizations who apply for or purchase services, and are not allowed to be gifted, borrowed, rented, sublicensed, transferred or sold. Otherwise, Anheng has the right to cancel the user qualification of the Mingyu operation and maintenance audit and risk control system of the transfer account and the transferee account without notice, and the losses caused by this shall be borne by the user.

3.2 The user shall be responsible for properly and correctly keeping, using, and maintaining the account, account information, and account password that you have applied for in the Mingyu operation and maintenance audit and risk control system. Users should take necessary and effective confidentiality measures

for your account information and account password. Anheng shall not be liable for any leakage of your account password or loss due to improper storage, use, and maintenance due to non-Anheng reasons .

3.3 The service may contain or provide you with third-party content. We do not make any form of representation or guarantee for any third-party content. Anheng shall not be liable for any losses caused by the actions or omissions of the third party, including but not limited to payment services and network access services, any infringement by third parties.

3.4 Unless permitted by law or with the written permission of Anheng , you shall not engage in the following behaviors during the use of this service :

3.4.1 modify, alter the service or create derivatives of the service, or reverse engineer, reverse assemble, decompile the service , or otherwise attempt to obtain the source code of any software contained in the service;

3.4.2 Use, rent, lend, copy, modify, link, reprint, compile, publish, publish, establish mirror sites, etc. on the content of Anheng's intellectual property rights ;

Interfere with the service and its components, modules, and data by itself or authorizing others or third-party software ;

3.4.4 Harm the interests of third parties, collect third-party data and information through this service , destroy or steal third-party accounts, and infringe on the legitimate rights and interests of third parties, including but not limited to privacy rights, intellectual property rights, property rights, etc.;

acts that violate laws and regulations or are not authorized by Anheng .

3.4.6 If a third party files a claim against Anheng due to your violation of the above usage specifications, you will compensate for all losses caused to Anheng (including but not limited to compensation, legal fees, attorney fees, investigation fees, etc.).

4. Disclaimer

4.1 You understand and agree: In view of the particularity of network services or adjustments and changes in national policies and industry regulations, Anheng has the right to change, suspend or terminate some or all of the services based on the overall operation of the service or related operating norms and rules, etc. service, Anheng will notify the user in the notification method stipulated in this agreement.

7. About notifications

7.1 Anheng may use one or more of web announcements, web prompts, emails, mobile phone text messages, WeChat messages, and internal messages sent in the management system of your registered service account to send you information about this service . Various rules, notices, reminders and other information, once such information is published or sent by any of the aforementioned methods, it is deemed that you have accepted and agreed, and it will be binding on you. If you do not accept it, please notify Anheng in writing, otherwise it is deemed that you have accepted and agreed.

you have not received relevant rules, notices, reminders and other information due to errors in the email address, mobile phone number, WeChat account , mailing address and other information you provided in advance , it is deemed that you have received the relevant information and are bound by it , all consequences and responsibilities are borne by you.

8. Duration, Suspension and Termination

8.1 Except for the termination of this agreement, this agreement will remain in effect.

8.2 Circumstances of Suspension

We may suspend your right to access or use the Services under the following circumstances:

8.2.1 Reasonable needs to prevent unauthorized access to your data ;

8.2.2 Your or your end users' access to and use of the Services violates the Acceptable Use Policy, this Agreement or applicable laws and regulations;

8.2.3 you have breached your payment obligations;

8.2.4 Your and your end users' access to and use of the Services may pose security risks to the Services, us or third parties;

8.2.5 Your and your end users' access to and use of the Services may adversely affect the functionality, availability or operation of the Services;

8.2.6 According to the requirements of relevant laws and regulations or government agencies;

8.2.7 Your and your end users' access to and use of the Services may expose us, our affiliates or subcontractors to liability or regulatory compliance risks ;

8.2.8 You may infringe the intellectual property rights of a third party;

You acknowledge and agree that suspension will not relieve you of your obligation to pay for the Services during the period of use prior to the period of

suspension, and that Anheng will not be required to pay you any compensation or compensation for such suspension .

8.3 Anheng has the right to terminate the service provided to you under this agreement at any time when the following circumstances occur:

8.3.1 If you notify Anheng in writing that you do not accept this agreement or that Anheng amends this agreement;

8.3.2 You cannot continue to use the service or Anheng is unable to provide the service due to force majeure ;

8.3.3 Either party declares bankruptcy or enters liquidation or dissolution procedures.

8.3.4 You should complete the renewal procedures in advance before the service expires, otherwise Anheng has the right to terminate your use of the service without notifying you from the expiration date of the service period .

8.3.5 During the effective period of the agreement, if there are new relevant documents issued by national laws, regulations, relevant national departments and telecom operators, or changes in the policy environment, resulting in fundamental changes in the basis for the signing and performance of this agreement, either party may notify the other party Negotiation to change the original agreement, if the negotiation fails, one party may terminate the agreement without taking any responsibility by notifying the other party 15 days in advance.

8.4 If this agreement or this service is terminated for any reason, Anheng may store all the data in your account or any information stored in the server of Mingyu operation and maintenance audit and risk control system due to your use of this service. Such information is retained or deleted, including any data that you had not completed prior to the termination of the service.

8.5 If this agreement or this service is terminated for any reason, you should handle the backup of data and other information and the handling of related matters with your users by yourself.

9. Other

9.1 Matters not covered in this agreement shall be agreed upon by both parties in other agreements or separate negotiations. This agreement is applicable to the relevant laws of the People's Republic of China.

9.2 Both parties agree that the signing place of this agreement is Binjiang District, Hangzhou City. Any dispute arising from or related to this agreement will be submitted to the court with jurisdiction in the place where the contract is signed for settlement.
