## **14. GENERAL.**

**14.1. Entire Agreement, Additional Terms, Amendment.** This Agreement represents the complete agreement concerning the Graphiant Solutions between the parties and prevails over any additional or inconsistent terms in: (a) a purchase order (or similar document) provided by You; or (b) your agreement with a Partner. This Agreement supersedes all prior agreements and representations, written or oral, provided however, that if there is already a mutually signed agreement directly between You and Graphiant (not including a purchase order or similar document) covering your license and/or use of the Graphiant Solutions, then the terms of that agreement will govern. This Agreement may be amended only by a written document executed by a duly authorized representative of each of the parties. The terms and conditions of this MSA shall apply to all Order Form(s), orders and any additional or inconsistent terms appearing on purchase orders generated by Customer, if applicable, are not incorporated into this Agreement and are not otherwise binding on Graphiant. In the event of a conflict between any Order and this Agreement, the Order will control solely with respect to the conflicting term.

**14.2. Force Majeure.** Neither Party shall be liable to the other Party for any delay or failure to perform any obligation under this Agreement (except for a failure to pay fees) if the delay or failure is due to unforeseen events which occur which are beyond the reasonable control of such Party ("Force Majeure Event"), such as a strike, blockade, war, act of terrorism, riot, natural disaster, failure or diminishment of power or telecommunications or data networks or services, or refusal of a license by a government agency. Any Party claiming a Force Majeure Event hereunder shall provide prompt notice thereof to the other Party and make commercially reasonable efforts to overcome the effect of such Force Majeure Event. If such Force Majeure Event prevents the Party from substantially performing its obligations hereunder for a period of thirty (30) days or more, either Party may terminate this Agreement on five (5) days written notice.

**14.3. Assignment.** Neither party may assign this Agreement or any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld). Notwithstanding the foregoing, either party may assign this Agreement without consent to: (a) an Affiliate; or (b) in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all its assets (except for an assignment by You to a direct competitor of Graphiant). Any unauthorized assignment will be void and of no force or effect. This Agreement will bind and inure to the benefit of each party's permitted successors and assigns.

**14.4. Validity.** In case any provision of this Agreement shall be invalid, illegal, or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

**14.5. Exercise of Rights.** No failure or delay on the part of Graphiant hereto in exercising any right, power or remedy shall operate as a waiver thereof, any waiver granted by Graphiant, hereunder must be explicit and in writing and shall be valid only in the specific instance in which given.

**14.6. Notices.** Any notice hereunder will be in writing to the notice address set forth in the Order Form: (i) upon receipt if by personal delivery; (ii) upon receipt if sent by certified or registered mail (return receipt requested); (iii) two (2) days after it is sent if by overnight delivery by a major commercial delivery service; or (iv) upon written confirmation of receipt by the receiving party if sent by email. Either party may, by similar notice described herein, specify, or change an address to which notices and communications shall thereafter be sent.

**14.7. Export Controls.**

You will comply fully with applicable United States government and any other country's export and re-export laws, regulations, and requirements. You may not export or re-export any Solution that may be subject to such laws, regulations, and requirements, to any location, or for any use, without first obtaining any export license, permit or other approval that may be required. Without limiting the foregoing, (i) You shall not export or re-export any Solution subject to export control laws to any person who is listed on any U.S. government list of prohibited or restricted parties or located in (or a national of) a country that is subject to a U.S. government embargo or that has been designated by the U.S. government as a "terrorist supporting" country, (ii) You shall not resell, access, or use the Solutions in violation of any U.S. export embargo, prohibition or restriction or for any end-use related to the development, production or use of nuclear, chemical or biological weapons or missiles. Graphiant's obligations hereunder shall at all times be subject to the export control laws and regulations of the United States government and any amendments thereof. "

14.8. **Compliance with Laws.** Each party will comply with all laws and regulations applicable to its obligations under this Agreement.

14.9. **Government Users.** If you are a branch or agency of the United States Government, the Graphiant Solutions and any other services provided by Graphiant hereunder, are comprised of “commercial computer software” and “commercial computer software documentation” as such terms are used in 49 C.F.R. 12.212, and are provided to you either (i) for acquisition by or on behalf of civilian agencies, consistent with the policy set forth in 48 C.F.R. 12.212 or (ii) for acquisition by or on behalf of units of the Department of Defense, consistent with policies set forth in 48 C.F.R. 227.7202-1 and 227.7202-3.

14.10. **Independent Contractors.** The parties to this Agreement are independent contractors. There is no relationship of partnership, joint venture, employment, franchise, or agency created hereby between the Parties. Neither Party will have the power to bind the other or incur obligations on the other Party's behalf without the other Party's prior written consent.

14.11. **Governing law; Venue.** This Agreement shall be governed by the laws of the United States of America and the State of California, excluding its conflict of laws rules. The United Nations Convention on the International Sale of Goods and the Uniform Computer Information Transactions Act are specifically excluded from application to this Agreement. The Parties hereby submit to the exclusive jurisdiction of, and waive any venue jurisdiction or venue objections against, the state and Federal courts located in Santa Clara County, California.

By signing below, each party indicates that it agrees to all terms and conditions of this Agreement as of the Effective Date.
