

## AWS BYOL for WhizAI

### WHIZAI AWS BYOL END USER LICENSE AGREEMENT

1. Applicable Agreement. Licensee may use WhizAI software ("WhizAI") as a BYOL on AWS Marketplace only in accordance with the end user license agreement that governs Licensee's use of the WhizAI ("Agreement"), as modified by these terms and conditions ("Additional Terms"). Use of the WhizAI is expressly conditioned on Licensee's compliance with the terms of the Agreement and these Additional Terms. By using the WhizAI on AWS Marketplace, the user represents that user is duly authorized to legally bind Licensee to the terms of the Agreement and these Additional Terms. The Agreement and the Additional Terms constitute the entire agreement for the use of the WhizAI as a BYOL on AWS Marketplace.
2. Limited License. Subject to Licensee's compliance with the Agreement and these Additional Terms, WhizAI grants to Licensee a limited, non-exclusive, non-transferable, non-sublicensable license to use the WhizAI within Pre-Installed Images that deployed in AWS Marketplace for its own internal business operations. "Pre-Installed Image" means a virtual machine image offered by WhizAI in which the WhizAI is pre-installed.
3. Use within AWS. Licensee may use the WhizAI only within pre-installed images that WhizAI deploys in AWS. Licensee has no rights or license in any pre-installed images. Licensee may not duplicate the WhizAI software, or use the WhizAI software on any other device or system, including but not limited to on-premises computing systems, other virtualized or cloud computing environments, or other AWS virtual machines.
4. Term. Provided that Licensee complies with the terms of the Agreement and the Additional Terms, Licensee's right to use WhizAI will continue for as long as WhizAI continues to offer WhizAI software as a BYOL within the AWS Marketplace. In the event that WhizAI elects to discontinue offering WhizAI software within the AWS Marketplace, these Additional Terms will terminate. WhizAI may terminate the Additional Terms immediately in the event that Licensee violates any terms of the Agreement or these Additional Terms. Upon termination of these Additional Terms, Licensee must immediately discontinue use of the WhizAI on the AWS Marketplace.
