

END-USER LICENSE AGREEMENT

Your use of this software is governed by the terms of the AWS Customer Agreement (<https://aws.amazon.com/agreement/>) or other agreement with AWS governing your use of AWS services ("Services").

Using Precisely Software. In conjunction with the Services, you may be allowed to use certain software (including related documentation) developed and owned by Precisely. If you choose to use the Precisely Connect CDC(SQData), Precisely require that you agree to these additional terms and conditions:

Use of Precisely's software is subject to the terms of the applicable Precisely End User License Agreement located at <https://www.precisely.com/legal/licensing/products-and-services-end-user-license-agreement>

The Precisely Software is neither sold nor distributed to you and you may use it solely in conjunction with the Services.

You may not transfer or use the Precisely Software outside the Services.

You may not remove, modify or obscure any copyright, trademark or other proprietary rights notices that are contained in or on the Precisely Software.

You may not reverse engineer, decompile or disassemble the Precisely Software, except to the extent expressly permitted by applicable law.

Precisely disclaims, to the extent permitted by applicable law, all warranties by Precisely and any liability by Precisely or its suppliers for any damages, whether direct, indirect, or consequential, arising from the Services.

Precisely is not responsible for providing any support in connection with the Services. Do not contact Precisely for support.

NOTICE RELATING TO OPEN SOURCE SOFTWARE

This product contains software ("Open Source Software") that is provided to you under open source licenses. In the event of a conflict between the software license applicable to this product as described above and the open source license applicable to such Open Source Software, the open source license will prevail with respect to that Open Source Software. Some open source licenses give you the right to obtain a copy of source code. You may obtain a copy of source

code for Open Source Software licensed under such licenses at <https://amazon-source-code-downloads.s3.amazonaws.com/aws/mf/mf-src.tar.gz>.
