1. **Ordering and Subscription.**

- 1.1. Access Right. Subject to the terms and conditions of this Agreement, Company hereby grants Customer a limited, worldwide, non-exclusive, non-sublicensable, non-transferable and revocable right to remotely access (i.e. on a SaaS basis) the Company’s software-as-a-service and related services for the purpose of data backup and recovery (the “**Service**”) during the corresponding subscription term defined in the Order (“**Subscription Term**”), solely for Customer’s internal business purposes (collectively, the “**Subscription**”). Unless otherwise indicated, the term “Service” also includes any downloadable software or appliance; any manual or documentation (“**Documentation**”) and any related services, each to the extent provided or made available to Customer in connection with the operation of the Service. Customer’s use of the Service is subject to the use limitations specified in this Agreement and the respective Order, and subject to Customer’s compliance with applicable laws and regulations. Customer shall maintain and operate a supported web browser as specified in the Documentation and all information technology infrastructure, equipment, systems, assets, access, internet connection and ancillary goods and services needed to access and use the Service and shall ensure their compatibility with the Service. For clarity, Customer shall be responsible to determine whether the Service meets Customer’s regulatory, technical or business requirements.
- 1.2. Account Setup. In order to access the Service, Customer is required to set up an account with Company, by

submitting the information requested in the applicable Service interface (“**Account**”), and each Permitted User may need to set up a user account (each, a “**User Account**”, and references herein to the “**Account**” shall be deemed to include all such User Accounts if applicable). Customer warrants that all information submitted during the registration process is, and will thereafter remain, complete and accurate. The Service may be accessed solely by Customer, its Affiliates (as defined below) and any employees and/or service providers of Customer or of its Affiliates who are explicitly authorized by Customer to use the Service solely for the benefit of Customer or its Affiliates (“**Permitted Users**”). Customer will ensure that the Permitted Users comply with the terms of this Agreement at all times and maintain the confidentiality and security of their account credentials. Customer will be fully responsible for any acts or omissions by a Permitted User and shall promptly notify Company upon becoming aware of any unauthorized access to or use of the Service. “**Affiliate**” with respect to an entity, means any other entity controlling, controlled by or under common control with such entity, where “control” means direct or indirect ownership or voting control of fifty percent (50%) or more of the equity or voting securities of the entity in question or having the power, by commitment or otherwise, to elect a majority of the Board of Directors (or similar governing body) of the entity in question.

1.3. Third Party Integrations and AI.

1.3.1. Company may allow Customer to link, connect, use or integrate with several workplace tools and other third-party software, files, components, integrations, and materials (“**Third Party Software**”). All of the foregoing will be at Customer’s sole risk and responsibility and subject to the applicable third party agreement(s). Customer hereby represents and warrants that Customer has the permission, authority, and rights required for such Third Party Software and hereby grants Company permission to access and/or use such Third Party Software on its behalf as part of this Agreement. Company disclaims any liability associated with such Third Party Software on Customer’s behalf. Customer hereby warrants that if its rights to allow Company automatic access and/or use to such Third Party Software lapses, Customer will immediately disable such Third Party Software from and/or to the Service.

1.3.2. Company may make available optional features that utilize artificial intelligence technologies, in connection with the Services (the “**AI**”). Customer or its Permitted Users may submit data or content, including Customer Data, to the AI (“**AI Input**”) and receive output generated by the AI in response to such AI Input (“**AI Output**”). Company will not use Customer Data provided in AI Inputs or AI Outputs to train or improve AI without Customer’s prior written consent. As between Customer and Company, Customer retains all right, title and interest in and to all in Customer Data contained in AI Inputs and AI Outputs. Customer acknowledges and agrees that (i) AI Output is generated probabilistically and may be inaccurate, incomplete, or inappropriate for Customer’s specific use case, and (ii) due to the nature of artificial intelligence, AI Output may not be unique, and other customers may receive similar or identical outputs based on similar inputs. Customer is responsible for reviewing, validating, and determining the suitability of AI Output for Customer’s purposes prior to use AI Output. Without limiting any other disclaimers under this Agreement, Company makes no warranties or representations regarding AI Output, including any warranty that AI Output will be accurate, complete, error-free, non-infringing, or fit for a particular purpose.

1.4. Ordering. Customer may purchase a Subscription to use the Service either directly from Company via an electronic or written order form executed with Company (a “**Direct Order**”) or from Company’s authorized partner, including a reseller or a distributor, and including via an online cloud marketplace (each shall be referred to herein as a **Partner**”). If Customer has purchased a Subscription from a Partner, then, as between Customer and Company, in the event of any conflict between this Agreement and the agreement entered between Customer and the respective Partner, including any purchase order and/or written or electronic order form (“**Partner Order**”), this Agreement shall prevail. Any rights granted to Customer in such Partner Order which are not contained in this Agreement or agreed in writing by Company and Customer, apply only in connection with such Partner and not between the Customer and the Company. In that case, Customer must seek redress or realization or enforcement of such rights solely with such Partner. The term “**Order**” under this Agreement shall mean any Partner Order and/or Direct Order to which this Agreement is attached or incorporated.

2. **Support Services and Professional Services.**

2.1. Support Services. Company shall provide support and maintenance services in accordance with the Company’s then current Service Level Agreement, which shall be made available to Customer upon request (the “**SLA**”). The support and maintenance services shall be performed by Company, a Partner and/or Company’s certified third party providers. Company shall be responsible for such service providers’ performance of the support and maintenance services. The term “**Subscription**” shall include the standard

support services provided under the SLA.

- 2.2. **Professional Services.** If Customer wishes to receive any additional services from Company that are not included in the SLA, such as installation, deployment, configuration, customization, integration, training, or other professional services (“**Professional Services**”), Customer shall request same from Company in writing, and, if Company, at its sole discretion, agrees to perform such Professional Services, they shall be specifically set out in the applicable Order, including without limitation any additional fees and payment terms related thereto.

3. **Subscription Plans.**

The use of the Service by the Customer will be by consuming credits purchased by the Customer (“**Credits**”), in accordance with the following plans, as specifically stated in the applicable Order:

- 3.1. **Commitment Based Plan.** Under this plan, Customer will purchase Credits in advance, and at the volume, pricing, and payment terms agreed upon in the applicable Order, the entire Credits purchased will be made available to Customer for consumption upon execution of the applicable Order (“**Up-Front Credits**”). The Up-Front Credits may be used by the Customer, at its own discretion, during the applicable Subscription Term specified within the Order, and no refunds or credits will be provided for any portion of the Up-Front Credits that remains unused following the applicable Subscription Term. If Customer’s use of the Service (i.e. consumption of Credits) during the applicable Subscription Term exceeds the purchased Up-Front Credits, Customer may continue to use the Service, provided that any excess Credits consumed during each month will be invoiced and charged to Customer in accordance with the Company’s then-current price list for such Credits. The applicable charges for such excess Credits shall be calculated and applied to Customer in accordance with the Company’s standard billing cycles then in effect.
- 3.2. **Consumption Based Plan.** Under this plan, Customer may, at any time during the Subscription Term, purchase Credits on a consumption basis, in accordance with Company’s then-applicable price list. The Credits used by the Customer will be calculated and charged on a monthly basis.

4. **Fees; Payment Terms.**

- 4.1. **General.** The Service is conditioned upon Customer’s payment of the applicable fees at the rates agreed in the applicable Order (“**Fees**”). Unless otherwise set forth in a Direct Order (if applicable) or hereunder, all Fees shall be due in U.S. Dollars and are non-refundable and without right of set off or cancellation.
- 4.2. **Partner Order Payment Terms.** If Customer purchased the Subscription from a Partner, then (a) Customer shall pay all Fees directly to Partner and in accordance with the terms of the Partner Order, unless otherwise specified therein and to the extent Customer has no direct payment obligations to Company; and (b) unless otherwise instructed by Company, if Customer is entitled to a refund, Customer shall request such refund only from Partner, and the Partner will be the sole responsible for refunding the appropriate amounts to Customer. It is hereby clarified that if Customer purchased the Subscription from a Partner, the Subscription is subject to the full payment of the applicable fees as set forth in the Partner Order between Customer and the respective Partner.
- 4.3. **Direct Order Payment Terms.** If Customer purchased the Subscription directly from the Company, the Fees due shall be paid to Company in accordance with the payment terms specified in the Direct Order. Company may change the Fees and billing cycle at any time, with or without prior notice, and any such changes will apply with respect to any new purchase of Credits. If Customer does not agree to Company’s updated Fees, Customer must refrain from purchasing additional Credits.
- 4.4. **Chargebacks and Late Payments.** If, at any time, the Company records a decline, chargeback, or other rejection or non-payment of a charge of any due and payable Fees on Customer’s Account (“**Chargeback**”), this will be considered a breach of Customer’s payment obligations hereunder, and Company reserves the right to suspend the Subscription, including Customer’s access to the Service, until Customer pays the entire Fees due. In the event that such Chargeback is not cured within ninety (90) it will be considered a material breach of this Agreement. Additionally, Company reserves the right to charge any fees and expenses for each Chargeback received (including interest calculated on a daily basis until the due Fees are paid in full, at the lesser of the rate of one and a half percent (1.5%) per month and the highest amount permitted by applicable law, handling and processing charges and fees incurred by the Company and/or the applicable payment processor), without derogating from any other remedy that may be applicable to Company under this Agreement or applicable law.
- 4.5. **Taxes.** Each Party shall be responsible for any taxes, duties, levies, and other similar charges imposed on it under applicable law in connection with this Agreement. The Company may charge any applicable national, state, or local sales or use taxes or value added taxes that the Company is legally obligated to charge (the “**Taxes**”). If applicable, the Customer may provide Company with an exemption certificate or equivalent information acceptable to the relevant taxing authority, in which case the Company will not charge or collect the Taxes covered by such certificate. In the event that any amount payable by the Customer hereunder is

subject to deduction or withholding for taxes, the amount payable by Customer hereunder shall be increased such that the amount received by the Company equals the amount stated on the applicable invoice. Upon written request, the Company will provide the Customer with any forms, documents, or certifications as may be required for Customer to satisfy any information reporting or withholding tax obligations with respect to any payments under this Agreement. If Customer is entitled to an exemption from, or reduction of, Withholding Taxes, Customer may deliver to Company a valid tax certificate or other appropriate documentation evidencing such exemption or reduction, in which case Customer shall apply such exemption or reduction as permitted under applicable law. If Customer has purchased a Subscription pursuant to the terms hereof from a Partner, all Taxes to be applied to the Fees shall be as agreed between Customer and the Partner.

5. **Subscription Restrictions, Suspension.**

- 5.1. Subscription Restrictions. As a condition to the Subscription, and except as expressly permitted otherwise under this Agreement, Customer shall not do (or permit or encourage to be done) any of the following subscription restrictions (in whole or in part): (a) copy, “frame” or “mirror” the Service; (b) sell, assign, transfer, lease, rent, sublicense, or otherwise distribute or make available the Subscription, including Service to any third party (such as offering it as part of a time-sharing, outsourcing or service bureau environment); (c) publicly perform, display or communicate the Service; (d) modify, alter, adapt, arrange, or translate the Service; (e) decompile, disassemble, decrypt, reverse engineer, extract, or otherwise attempt to discover the source code or non-literal aspects (such as the underlying structure, sequence, organization, file formats, non-public APIs, ideas, or algorithms) of, the Service; (f) remove, alter, or conceal any copyright labels or proprietary rights notices displayed on or in the Service; (g) circumvent, disable or otherwise interfere with security-related or technical features or protocols of the Service; (h) make a derivative work of the Service, or use it or the Documentation to develop any service or product that is competing or the same as (or substantially similar to) the Service; (i) store or transmit any robot, malware, Trojan horse, spyware, or similar malicious item intended (or that has the potential) to damage or disrupt the Service; or (j) use the Service in an abusive manner or otherwise take any action that imposes or may impose (as determined in Company’s reasonable discretion) an unreasonable or disproportionately large load on the servers, network, bandwidth, or other cloud infrastructure which operate or support the Service, or otherwise systematically abuse or disrupt the integrity of such servers, network, bandwidth, or infrastructure.
- 5.2. Suspension. Company reserves the right to temporarily suspend Customer’s access to the Service: (a) if Company deems such suspension necessary as a result of Customer’s breach under Section 6.1 (*Subscription Restrictions*); (b) following a Chargeback; (c) if Customer’s account is no longer active and no data is backed-up during a period of at least ninety (90) days; (d) if Company reasonably determines suspension is necessary to avoid material harm to Company or its other customers, including if the Service’s cloud infrastructure is experiencing denial of service attacks or other attacks or disruptions outside of the Company’s control, or (e) as required by law or at the request of governmental entities. Company will use reasonable efforts to reestablish Customer’s access to the Service promptly after Company determines that the issue causing the suspension has been resolved. Any suspension under this Section shall not excuse Customer’s payment obligations.

6. **Intellectual Property Rights and Data.**

- 6.1. Service. As between the Parties, Company is, and shall be, the sole and exclusive owner of all intellectual property rights in and to: (a) the Service and all related software and intellectual property; (b) any other products, deliverables or services provided by Company; and (c) any and all improvements, derivative works, and/or modifications of/to the foregoing, regardless of inventorship or authorship. Customer shall make, and hereby irrevocably makes, all assignments necessary or reasonably requested by Company to ensure and/or provide Company the ownership rights set forth in this paragraph. Company shall be entitled, from time to time, to modify the Service (but not material functionalities therein, unless such modifications improve the material functionalities of the Service) and user interface of the Service. Use of and access to the Service is licensed, not sold, and nothing herein constitutes a waiver of Company’s intellectual property rights under any law.
- 6.2. Feedback. If Company receives any Feedback (as defined below), all rights, including intellectual property rights in and to such Feedback shall belong exclusively to Company and such shall be considered Company’s Confidential Information (as defined below). Customer hereby irrevocably and unconditionally transfers and assigns to Company all intellectual property rights it has in such Feedback and waives any and all moral rights that Customer may have in respect thereto. Company may but is not obliged to make use of the Feedback. “**Feedback**” means any feedback (e.g., questions, comments, suggestions or the like), whether orally or in writing, regarding any of the Service.
- 6.3. Customer Data. As between the parties, Customer owns and retains all right, title and interest (including all

intellectual property rights) in and to any data, materials or information that Customer and/or its Permitted Users upload to, store on, and/or access with the Service, or otherwise originates, resides on, or otherwise processed through Company's systems and processed by Company in the provision of Service ("**Customer Data**"). Customer hereby grants Company and its Affiliates a worldwide and non-exclusive license, to access and use the Customer Data, during the Term, for Company's provision of the Service and obligations hereunder. As the exclusive owner of the Customer Data, Customer represents, warrants and covenants that it has received and/or obtained any and all required consents or permits and has acted in compliance with any and all applicable laws, including, without limitation privacy laws, as necessary to allow Company to receive, transfer and use the Customer Data in accordance with this Agreement and solely as necessary in order to perform the Service. Company may use or disclose the Customer Data: (a) for legally required disclosures to law enforcement authorities (of which Customer will be notified except where prohibited by law) and/or (b) to collect, store, transfer, and/or process the Customer Data through Company's Affiliates, third party service providers, as reasonably necessary to provide the Service, including, without limitations, for the purpose of providing support services. Company will maintain commercially reasonable administrative, technical, and physical safeguards designed to protect the security, confidentiality, and integrity of Customer Data.

- 6.4. Account Data and Analytics Information. Customer acknowledges and agrees that Company may monitor Customer's use of the Service and collect and process information regarding Customer's access to and use of the Service, including the number of users and devices, and information regarding storage usage and storage locations, configuration, performance and security ("**Account Data**"). The Account Data may be used by Company for internal purposes, including billing and support purposes, in order to ensure compliance with this Agreement, to develop and operate the Service and to fulfill legal obligations. Any anonymous information, which is derived from the use of the Service (i.e., metadata, aggregated and/or analytics information and/or intelligence relating to the operation, support, and/or Customer's use, of the Service) which is not personally identifiable information and which does not identify Customer or its Permitted Users ("**Analytics Information**") may be used by Company in any manner, including for providing the Service, for development, and/or for statistical purposes. Such Analytics Information is Company's exclusive property.
 - 6.5. Personal Data. To the extent that Customer Data contains Personal Data, the Parties agree to be bound by and to comply with the Eon Data Processing Agreement attached hereto as Exhibit A ("**DPA**"), and any Personal Data will be handled in accordance with the DPA, the executed version of which shall apply and be deemed as an integral part of this Agreement. The capitalized terms set forth in this Section that are not otherwise defined in this Agreement shall have the meanings ascribed to them in the DPA.
7. **Third Party Components.** The Service may use or include third party software and/or services, including open source software files, libraries or components or other third party software and/or services that may be distributed to Customer and are subject to third party license terms. A list of any third party open source software and related open source licenses will be provided to Customer upon request and may be updated from time to time by the Company. If there is a conflict between any third party license and the terms of this Agreement, then the third party license terms shall prevail but solely in connection with the related third party software. Company makes no warranty or indemnity hereunder with respect to any third party software.
 8. **Confidentiality.** "**Confidential Information**" means any information disclosed by or on behalf of one Party ("**Discloser**") to the other Party ("**Recipient**") pursuant to this Agreement that is marked as "confidential," or in some other manner to indicate its confidential nature. Without limiting the foregoing, the Service is Company's Confidential Information. Confidential Information does not include any information which: (i) is or becomes generally known and available to the public through no act of the Recipient; (ii) was already in the Recipient's possession without a duty of confidentiality owed to the Discloser at the time of the Discloser's disclosure; (iii) is lawfully obtained by the Recipient from a third party who has the express right to make such disclosure; or (iv) is independently developed by the Recipient without breach of an obligation owed to the Discloser. The Recipient may use the Discloser's Confidential Information solely to perform its obligations under this Agreement. Except as set forth in the immediately following sentence, the Recipient will not disclose the Discloser's Confidential Information to any third party except to its employees, consultants, affiliates, agents, and subcontractors having a need to know such information to perform its obligations under this Agreement who have signed a non-disclosure agreement with the Recipient containing terms at least as protective of the Discloser's Confidential Information as those contained herein. The Recipient may disclose the Discloser's Confidential Information to the extent that such disclosure is required by law, or by the order of a court of similar judicial or administrative body, provided that it notifies the Discloser's of such required disclosure to enable Discloser's to seek a protective order or otherwise seek to prevent or restrict such disclosure. All right, title, and interest in and to Confidential Information are and will remain the sole and exclusive property of the Discloser. The Recipient will use no less than reasonable efforts to

protect the Discloser's Confidential Information from unauthorized access, use, or disclosure. Notwithstanding anything to the contrary in this Agreement, (a) Company's obligations with respect to the protection of Customer Data are solely as set forth in Section 6.3 (*Customer Data*); and (b) Confidential Information (x) communicated or stored in electronic form may be routinely backed up by the Recipient for disaster recovery or archival purposes and destruction may not be feasible until such time that the back-up copy expires or is recycled or destroyed, in which case the Recipient shall keep such back-up copies secured in accordance with the provisions of this Agreement or (y) legitimately subject to a legal hold for purposes, or in reasonable anticipation, of litigation, shall not be subject to destruction until such time as the litigation (including appeals) has ended or the legal hold is lifted.

9. **Mutual Warranties.** Each Party represents and warrants that (i) it is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation or organization; (ii) the execution and performance of this Agreement will not conflict with other agreements to which it is bound or violate applicable law; (iii) it will comply with all laws and regulations applicable to the conduct of its business and will cause its employees, agents, representatives, and subcontractors performing under this Agreement and any Order to comply, in all respects, with applicable laws and regulations, including, but not limited to all United States foreign export control laws or regulations, and (a) in the case of Company, any laws or regulations applicable to the performance and delivery of the Service and Professional Services, or (b) in the case of Customer, any laws or regulations applicable to the Subscription, including the use of the Service. Applicable laws and regulations may include, without limitation, federal and state laws regarding privacy and personal information.
10. **Disclaimer of Warranties.** Company represents and warrants that, under normal authorized use, the Service shall substantially perform in conformance with its Documentation. As Customer's sole and exclusive remedy and Company's sole liability for breach of this warranty, Company shall use commercially reasonable efforts to repair the Service in accordance with the SLA. The warranty set forth herein shall not apply if the failure of Service results from or is otherwise attributable to: (i) repair, maintenance or modification of the Service by persons other than Company or its authorized representatives; (ii) accident, negligence, abuse or misuse of the Service; (iii) use of the Service other than in accordance with the Documentation; (iv) the combination of the Service with equipment or software not authorized or provided by Company; (v) any unavailability, suspension or termination of third-party software or cloud services or any other cloud service provider performance issues or (vi) any inaccuracy in the Customer Data or other information Customer provided or made available to Company. OTHER THAN AS EXPLICITLY STATED IN THIS AGREEMENT, TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE SERVICE AND THE RESULTS OR OUTPUTS THEREOF ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, AND ANY USE THEREOF IS ENTIRELY AT CUSTOMER'S RISK. COMPANY DOES NOT WARRANT THAT: (I) THE SERVICE WILL MEET CUSTOMER'S REQUIREMENTS, OR (II) THE SERVICE, OR ANY PART THEREOF WILL OPERATE ERROR-FREE. EXCEPT AS SET FORTH IN SECTION 9 (*MUTUAL WARRANTIES*) AND THIS SECTION 10, THE COMPANY EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING MERCHANTABILITY, SATISFACTORY QUALITY TITLE, NON-INFRINGEMENT, NON-INTERFERENCE AND FITNESS FOR A PARTICULAR PURPOSE. CUSTOMER ACKNOWLEDGES THAT THE SERVICE IS ONE TOOL IN CUSTOMER DATA PROTECTION STRATEGY, AND THAT CUSTOMER IS AND SHALL REMAIN RESPONSIBLE TO ENSURE CUSTOMER'S COMPLIANCE WITH APPLICABLE LAWS, AND THAT CUSTOMER HAS THE REQUIRED DATA PROTECTION, BACKUP AND RECOVERY MEASURES IN PLACE. COMPANY WILL NOT BE LIABLE FOR ANY DAMAGES BASED ON USE OR ACCESS OF THE SERVICE, OR ANY DELAYS, INTERRUPTIONS, SERVICE FAILURES OR OTHER PROBLEMS INHERENT IN USE OF THE INTERNET AND ELECTRONIC COMMUNICATIONS OR FOR ISSUES RELATED TO PUBLIC NETWORKS OR CUSTOMER'S HOSTING SERVICES. COMPANY SHALL NOT BE RESPONSIBLE FOR ANY WARRANTIES AND REPRESENTATIONS MADE BY ANY PARTNER TO CUSTOMER.
11. **LIMITATION OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY LAW:**
- 11.1. EXCEPT FOR ANY DAMAGES RESULTING FROM WILLFUL MISCONDUCT, AND/OR CUSTOMER'S MISAPPROPRIATION OR OTHERWISE VIOLATION OF COMPANY'S INTELLECTUAL PROPERTY RIGHTS (INCLUDING VIOLATION OF THE SUBSCRIPTION RESTRICTIONS BY CUSTOMER) NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF REVENUE, REPUTATION, PROFITS, DATA, OR DATA USE, OR THE COST OF PROCURING ANY SUBSTITUTE GOODS OR SERVICES;
- 11.2. EXCEPT FOR COMPANY'S INDEMNIFICATION OBLIGATION UNDER SECTION 12 AND/OR DAMAGES RESULTING FROM WILLFUL MISCONDUCT, GROSS NEGLIGENCE, AND/OR CUSTOMER'S MISAPPROPRIATION OR OTHERWISE VIOLATION OF COMPANY'S INTELLECTUAL PROPERTY RIGHTS (INCLUDING VIOLATION OF THE SUBSCRIPTION

RESTRICTIONS BY CUSTOMER); EITHER PARTY'S INCLUDING ITS AFFILIATES' MAXIMUM LIABILITY FOR ANY DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER IN CONTRACT OR TORT, OR OTHERWISE, SHALL IN NO EVENT EXCEED, IN THE AGGREGATE, THE TOTAL AMOUNTS ACTUALLY PAID OR PAYABLE BY CUSTOMER TO COMPANY OR TO THE APPLICABLE PARTNER IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO SUCH CLAIM. THIS LIMITATION OF LIABILITY IS CUMULATIVE AND NOT PER INCIDENT. FOR CLARITY, THE LIMITATIONS IN THIS SECTION DO NOT APPLY TO PAYMENTS DUE TO COMPANY UNDER THIS AGREEMENT (INCLUDING ITS EXHIBITS).

12. Indemnification

- 12.1. Company agrees to defend, at its expense, any third party action or suit brought against Customer alleging that the Service, when used as permitted under this Agreement, infringes the intellectual property rights of a third party (“**IP Infringement Claim**”); and Company will pay any damages finally awarded by court against Customer that are attributable to any such IP Infringement Claim, provided that (i) Customer promptly notifies Company in writing of such claim; and (ii) Customer grants Company the sole authority to handle the defense or settlement of any such claim and provides Company with all reasonable information and assistance in connection therewith, at Company's expense. Company will not be bound by any settlement that Customer enters into without Company's prior written consent.
- 12.2. If the Service becomes, or in Company's opinion is likely to become, the subject of an IP Infringement Claim, then Company may, at its sole discretion: (a) procure for Customer the right to continue using the Service; (b) replace or modify the Service to avoid the IP Infringement Claim; or (c) if options (a) and (b) cannot be accomplished despite Company's reasonable efforts, then Company may terminate the affected Order(s) upon written notice to Customer, and Customer shall be entitled to receive from either Company or Partner (as the case may be) a pro-rated refund of any prepaid Subscription Fees under such Order(s) based on the remaining period of the corresponding Subscription Term(s).
- 12.3. Notwithstanding the foregoing, Company shall have no responsibility for IP Infringement Claims resulting from or based on: (i) Company's compliance with Customer's instructions or specification; or (ii) combination or use of the Service with equipment, devices or software not supplied by Company.
- 12.4. This Section 12 states Company's entire liability, and Customer's exclusive remedy, for any IP Infringement Claim.

13. Term and Termination

- 13.1. Term. This Agreement commences on the Effective Date and, shall continue in full force and effect until all Orders are terminated or expired (the “**Term**”).
- 13.2. Termination.
 - 13.2.1. Each Party may, upon written notice to the other Party, terminate this Agreement if the other Party breaches this Agreement and such breach remains uncured fifteen (15) days after having received written notice thereof.
 - 13.2.2. Customer may terminate this Agreement, for convenience, by providing Company with a thirty (30) days' written termination notice. It is hereby clarified that in the event of Customer's termination for convenience any unused Up-Front Credits shall be forfeited, and any payment responsibilities tied to an Order shall remain binding, non-cancelable, and non-refundable.
 - 13.2.3. Company may terminate this Agreement by providing Customer with a reasonable written termination notice: (i) for suspended Accounts; (ii) if the Company decides to discontinue or end-of-life the Service, or a portion thereof, and (iii) at any time solely with respect to Consumption Based Plans. For clarity, if following termination by Company per discontinuation or end-of-life of the Service, Customer obtains any purchased unused Credits, Company shall grant Customer with a prorated refund for the unused Up-Front Credits available to Customer at the date of termination.
- 13.3. Effect of Termination; Survival. - 2.1 The Parties acknowledge and agree that with regard to the Processing of Personal Data under this DPA Eon is the Data Processor and Eon or members of the Eon Group may engage Sub-processors pursuant to the requirements set forth in Section 5 “Sub-processors” below. For clarity, this DPA shall not apply with respect to Eon processing activity as a Data Controller with respect to Eon data as detailed in Eon’s privacy policy.
- 2.2 Customer shall, in its use of the Services, Process Personal Data in accordance with the requirements of Data Protection Laws and Regulations and comply at all times with the obligations applicable to data controllers (including, without limitation, Article 24 of the GDPR). Without limitation, Customer shall comply with any and all transparency-related obligations (including, without limitation, displaying any and all relevant and required privacy notices or policies) and shall at all times have any and all required ongoing legal bases in order to collect, Process and transfer to Eon the Personal Data and to authorize the Processing by Eon of the Personal Data which is authorized in this DPA. Customer shall defend, hold harmless and indemnify Eon, its Affiliates and subsidiaries (including without limitation their directors, officers, agents, subcontractors and/or employees) from and against any liability of any kind related to any breach, violation or infringement by Customer and/or its authorized users of any Data Protection Laws and Regulations and/or this DPA and/or this Section.

The duration of the Processing, the nature and purposes of the Processing, as well as the types of Personal Data Processed and categories of Data Subjects under this DPA are further specified in **Schedule 1** (Details of the Processing) to this DPA.
 - 2.3.2 To the extent that Eon or its Affiliates cannot comply with a request (including, without limitation, any instruction, direction, code of conduct, certification, or change of any kind) from Customer and/or its authorized users relating to Processing of Personal Data or where Eon considers such a request to be unlawful, Eon (i) shall inform Customer, providing relevant details of the problem (but not legal advice), (ii) Eon may, without any kind of liability towards Customer, temporarily cease all Processing of the affected Personal Data (other than securely storing those data), and (iii) if the Parties do not agree on a resolution to the issue in question and the costs thereof, each Party may, as its sole remedy, terminate the Agreement and this DPA with respect to the affected

Processing, and Customer shall pay to Eon all the amounts owed to Eon or due before the date of termination. Customer will have no further claims against Eon (including, without limitation, requesting refunds for Services) due to the termination of the Agreement and/or the DPA in the situation described in this paragraph (excluding the obligations relating to the termination of this DPA set forth below).

- 2.3.3 Eon will not be liable in the event of any claim brought by a third party, including, without limitation, a Data Subject, arising from any act or omission of Eon to the extent that such is a result of Customer's instructions.

3. **RIGHTS OF DATA SUBJECTS.** If Eon receives a request from a Data Subject to exercise its rights as laid down in Chapter III of the GDPR ("**Data Subject Request**"), Eon shall, to the extent legally permitted, promptly notify and forward such Data Subject Request to Customer. Taking into account the nature of the Processing, Eon shall use commercially reasonable efforts to assist Customer by appropriate technical and organizational measures, insofar as this is possible, for the fulfilment of Customer's obligation to respond to a Data Subject Request under Data Protection Laws and Regulations. Failure to object to such Sub-processor in writing within three (3) business days following Eon's notice shall be deemed as acceptance of the Sub-Processor. In the event Customer reasonably objects to a Sub-processor, as permitted in the preceding sentences, Eon will use reasonable efforts to make available to Customer a change in the Services or recommend a commercially reasonable change to Customer's use of the Services to avoid Processing of Personal Data by the objected-to Sub-processor without unreasonably burdening the Customer. If Eon is unable to make available such change within a reasonable period of time, which shall not exceed thirty (30) days, Customer may, as a sole remedy, terminate the applicable Agreement and this DPA with respect only to those Services which cannot be provided by Eon without the use of the objected-to Sub-processor by providing written notice to Eon provided that all amounts due under the Agreement before the termination date with respect to the Processing at issue shall be duly paid to Eon. Until a decision is made regarding the Sub-processor, Eon may temporarily suspend the Processing of the affected Personal Data. Customer will have no further claims against Eon due to the termination of the Agreement (including, without limitation, requesting refunds) and/or the DPA in the situation described in this paragraph.
- 5.4 This Section 5 shall not apply to subcontractors of Eon which provide ancillary services to support the performance of the DPA. This includes, for example, telecommunication services, maintenance and user service, cleaning staff, or auditors.

- 6.2 For the avoidance of doubt, the Parties acknowledge and agree that Eon's responsibilities for the security of Personal Data are limited to maintaining the security of the Service and its underlying infrastructure, as explicitly set forth in the Agreement and the Security Documentation. Customer remains solely responsible for configuring and using the Service in a secure manner and for ensuring the security of its environments, accounts, and data (including Personal Data), as further detailed in the Agreement. Nothing in this DPA shall derogate from or expand the allocation of responsibilities set forth in the Agreement.
- 6.3 Upon Customer's written request at reasonable intervals, and subject to the confidentiality obligations set forth in the Agreement and this DPA, Eon shall make available to Customer that is not a competitor of Eon (or Customer's independent, third-party auditor that is not a competitor of Eon) a copy or a summary of Eon's then most recent third-party audits or certifications, as applicable (provided, however, that such audits, certifications and the results therefrom, including the documents reflecting the outcome of the audit and/or the certifications, shall only be used by Customer to assess compliance with this DPA, and shall not be used for any other purpose or disclosed to any third party without Eon's prior written approval and, upon Eon's first request, Customer shall return all records or documentation in Customer's possession or control provided by Eon in the context of the audit and/or the certification). At Customer's cost and expense, Eon shall allow for and contribute to audits, including inspections of Eon's, conducted by the controller or another auditor mandated by the controller (who is not a direct or indirect competitor of Eon) provided that the parties shall agree on the scope, methodology, timing and conditions of such audits and inspections. Notwithstanding anything to the contrary, such audits and/or inspections shall not contain any information, including without limitation, personal data that does not belong to Customer.
- 6.4 Nothing in this DPA will require Eon either to disclose to Customer (and/or its authorized auditors), or provide access to: (i) any data of any other customer of Eon; (ii) Eon's internal accounting or financial information; (iii) any trade secret of Eon; or (iv) any information that, in Eon's sole reasonable discretion, could compromise the security of any of Eon's systems or premises or cause Eon to breach obligations under any applicable law or its obligations to any third party.

7. **PERSONAL DATA INCIDENT MANAGEMENT AND NOTIFICATION.** Eon shall notify Customer without undue delay after becoming aware of the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to Personal Data, including Personal Data, transmitted, stored or otherwise Processed by Eon of which Eon becomes aware ("**Personal Data Incident**"). Eon shall make reasonable efforts to identify the cause of such Personal Data Incident and take those steps as Eon deems necessary, possible and reasonable in order to remediate the cause of such a Personal Data Incident to the extent the remediation is within Eon's reasonable control. In any event, Customer will be the party responsible for notifying supervisory authorities and/or concerned data subjects (where required by Data Protection Laws and Regulations).

8. **RETURN AND DELETION OF PERSONAL DATA.** Subject to the Agreement, Eon shall, at the choice of Customer, delete or return the Personal Data to Customer after the end of the provision of the Services relating to Processing, and shall delete existing copies unless applicable law requires storage of the Personal Data. In any event, to the extent required or allowed by applicable law, Eon may retain one copy of the Personal Data for evidence purposes and/or for the establishment, exercise or defense of legal claims and/or to comply with applicable laws and regulations. If the Customer requests the Personal Data to be returned, the Personal Data shall be returned in the format generally available for Eon's Customers.

9. **AUTHORIZED AFFILIATES**

- 9.1 The Parties acknowledge and agree that, by executing the DPA, the Customer enters into the DPA on behalf of itself and, as applicable, in the name and on behalf of its Authorized Affiliates, thereby establishing a separate DPA between Eon. Each Authorized Affiliate agrees to be bound by the obligations under this DPA. All access to and use of the Services by Authorized Affiliates must comply with the terms and conditions of the Agreement and this DPA and any violation of the terms and conditions therein by an Authorized Affiliate shall be deemed a violation by Customer.
- 9.2 The Customer shall remain responsible for coordinating all communication with Eon under the Agreement and this DPA and shall be entitled to make and receive any communication in relation to this DPA on behalf of its Authorized Affiliates.

- 10.1 Personal Data may be transferred from the EU Member States, the three EEA member countries (Norway, Liechtenstein and Iceland) (collectively, “**EEA**”), the United Kingdom to countries that offer adequate level of data protection under or pursuant to the adequacy decisions published by the relevant data protection authorities of the EEA, the Union, the Member States or the European Commission, the UK supervisory authority (“**Adequacy Decisions**”), without any further safeguard being necessary.

11. **TERMINATION.** This DPA shall automatically terminate upon the termination or expiration of the Agreement under which the Services are provided. Sections 2.2, 2.3.3, 8 and 12 shall survive the termination or expiration of this DPA for any reason. This DPA cannot, in principle, be terminated separately to the Agreement, except where the Processing ends before the termination of the Agreement, in which case, this DPA shall automatically terminate.

12. **CCPA.** To the extent that the Personal Data is subject to the CCPA, Eon shall not sell or share Customer's Personal Data. Eon acknowledges that when processing Personal Data in the context of the provision of the Services, Customer is not selling or sharing Personal Data to Eon.
