

By subscribing to any product or service sold by **BEEM Technologies Inc.** ("BEEM Services") on the Amazon Web Services Marketplace, you agree to the terms located at <https://www.beemdata.com/legals/terms-of-service> (the "Terms"). If you are entering into these Terms on behalf of a company (such as your employer) or other legal entity, you represent and warrant that you are authorized to bind that entity to these Terms, in which case "you" or "your" will refer to that entity (otherwise, such terms refer to you as an individual). If you do not have authority to bind your entity or do not agree with any provision of these Terms, you are not permitted to subscribe to and may not use the BEEM Services. If you have agreed to a negotiated version of these Terms ("Negotiated Terms") that (a) has not expired or been terminated, and (b) covers the BEEM Services, then the Negotiated Terms will continue to govern your use of such BEEM Services on the Amazon Web Services Marketplace.
