

End User License Agreement for Synap Document Viewer

This End User License Agreement for Synap Document Viewer (this "Agreement") contains the terms and conditions that govern your access to and use of the Synap Document Viewer software ("Software Product") made available by Synapsoft ("we", "us", "our") on the AWS Marketplace as an Amazon Machine Image ("AMI"). This Software Product is licensed and not sold.

You represent to us that you have legal authority to enter into this Agreement. You or the entity you represent ("You") accept and agree to be bound by the terms of this agreement by installing, using the Software Product.

1. License

Subject to the terms and conditions of this Agreement, including payment of all applicable fees, Synapsoft grants you a non-exclusive, non-transferable, worldwide license to use Software Product.

You are not allowed to assign your rights and obligations under this Agreement, or redistribute, encumber, sell, rent, lease, sublicense, or otherwise transfer Software Product.

2. Copyright of Product

The program, deliverables and intangible proprietary information will remain our exclusive property protected by copyright and other intellectual property laws and treaties.

If you infringed the copyright or caused any kind of damage to us, Synapsoft could claim against you for the all damages.

3. Restrictions on Use

You agree to use the Software Product ONLY in Amazon Web Services. You also agree not to modify, reverse compile, disassemble, or otherwise reverse engineer the Software Product and AMI. You also agree not to remove or destroy any proprietary markings or legends or any encrypted License keys or similar security programs placed upon or contained within AMI and Software Product.

4. Technical Support

Synapsoft will provide technical support for the Software Product delivered by AMI that you have purchased. Technical support consists of assistance with problem resolution, defects, and "how to" questions as well as advice and recommendations on installation and configuration.

Synapsoft will have no obligation to provide technical support in the case of or with respect to any incident that is in whole or in part due to, caused by, or resulting from any of the following:

- (i) A breach by you of this Agreement;
- (ii) The operational problems of the AWS related to hardware, instances, or infrastructure;
- (iii) Any third party products, software, hardware, equipment, content, data or information, and any modifications, improvements, updates, new versions or new releases thereto or thereof, not provided by Synapsoft;
- (v) Use of AMI after Synapsoft has notified you to cease use thereof under this Agreement

Synapsoft will have no liability for any changes required by your hardware or software configuration which may be necessary to use any other AMI stacks due to a workaround, error correction, or maintenance release.

5. Warranties

5.1. General

All warranties cover only defects arising under normal use and do not include malfunctions or failure resulting from misuse, abuse, neglect, alteration, problems with electrical power, act of nature, improper installation, or damage caused by you.

All limited warranties on the Software Product are granted only to you and are non-transferable. You also agree to indemnify and hold Synapsoft harmless from all claims, judgments, liabilities, expenses, or costs arising from your breach of this Agreement and/or acts or omissions.

5.2. Disclaimer

Synapsoft makes no warranty that the Software Product will meet your requirements or operate under your specific conditions of use. Synapsoft makes no warranty that operation of the Software Product will be secure, error free, or free from interruption.

5.3. Limitation of Remedies and Damage

Your remedy for any warranty included in this Agreement is the correction or replacement of the Software Product. Selection of whether to correct or replace shall be solely at the discretion of Synapsoft. We reserve the right to substitute a functionally equivalent copy of the Software Product as a replacement. If Synapsoft is unable to provide a replacement or substitute Software Product or corrections to the Software Product, your sole alternate remedy shall be a refund of the purchase price for the Software Product exclusive of any costs for operating.

6. Limitation of Liability

Synapsoft will not be liable for any special, incidental, indirect or consequential damages arising out of this agreement (However arising, including negligence), including, by way of example, lost revenue, lost profits, business interruption, and injury to reputation.

7. Jurisdiction

This agreement is governed by the laws of Republic of Korea, without regard to conflicts of law principles.

If you have any questions or concerns about the terms of this agreement, please contact us.
