This AWS Marketplace Designated Seller of Record ISV Authorization ("**Authorization**") is made pursuant to and part of the Terms and Conditions for AWS Marketplace Sellers ("**Seller Terms**") between you and the relevant AWS Contracting Party (as defined in the Seller Terms). Except as modified by this Authorization, the Seller Terms remain in full force and effect. By completing, signing, and emailing this Authorization to AWS at awsmp-dsor@amazon.com, you authorize:

- (1) DSOR and their affiliates (*i.e.*, controlling, controlled by, or under common control) to create and manage software-as-a-service listings on your behalf on AWS Marketplace ("**DSOR Listings**");
- (2) AWS to facilitate AWS Marketplace transactions for DSOR Listings, including, without limitation, processing all associated payments and refunds; and
- (3) AWS to share your AWS Marketplace listing fees with DSOR.

To revoke this Authorization, you will provide written notice to AWS at awsmp-dsor@amazon.com, which will be effective 30 days after receipt by AWS.
