Customer must promptly notify Armis in writing if it becomes aware of, or has reason to believe, that any of the prohibitions listed in this Section has been breached by Customer or any Authorized User.
3. **Hardware.** If Customer leases or purchases Hardware Appliances, then Customer will pay Armis or its approved Reseller for the Hardware Appliance the amount(s) set forth in the applicable Purchase Order.
- 3.1 **Generally.** In installing and configuring Collectors, Customer will use such Collectors in a careful and proper manner in accordance with the Documentation, at the locations agreed to by the Parties so as to enable proper usage and operation of the Platform. Customer will use any leased or purchased Hardware Appliance in compliance with all applicable laws, ordinances or regulations, and Documentation, and Customer may not use them other than for the purpose for which they were provided to Customer.
- 3.2 **Lease Option.** Where Customer leases Hardware Appliances, Armis hereby leases to Customer, and Customer hereby leases from Armis, any Hardware Appliance under an applicable Purchase Order for use solely in connection with Customer’s subscription to the Platform under such Purchase Order. If a leased Hardware Appliance is lost, stolen, destroyed, or damaged for any reason, or Customer fails to timely return it upon the expiration or termination of these Terms (as applicable), Armis may issue to Customer an invoice for the purchase price of such Hardware Appliance, and payment therefore will be due upon receipt of such invoice. 3.4 **Shipment and Delivery.**

- 3.4.1 **Shipment and Delivery Requirements.** Armis will ship Hardware Appliances to a location agreed upon by the Parties in writing (a "**Delivery Location**") using Armis' standard methods for packaging and shipping. Armis may make partial shipments of Hardware Appliances, each of which constitutes a separate order, and Customer will pay the Fees for each of the units shipped in accordance with this Section 3. Any time quoted for delivery is an estimate only. All Fees charged by Armis for Hardware Appliances are according to Carriage Paid To Delivery Location (Incoterms 2020) and are inclusive of shipping costs but may not be inclusive of other costs including destination charges or customs duty, as applicable, for which Customer is responsible.

- 3.4.2 **Risk of Loss.** Risk of loss for Hardware Appliances will pass to Customer upon delivery to Armis' designated carrier in accordance with Carriage Paid To Delivery Location (Incoterms 2020). Without limiting the foregoing, if Customer fails to accept delivery of any Hardware Appliance on the date when the same have been delivered at the Delivery Location, or if the carrier is unable to deliver any Hardware Appliance at the Delivery Location on such date because Customer has not provided appropriate instructions, documents, licenses, or authorizations: (a) risk of loss to the Hardware Appliance will remain with the Customer; (b) the Hardware Appliance will be deemed to have been delivered; (c) Armis, at its option, may store the Hardware Appliance until Customer picks it up; and (d) Customer will be liable for all related costs and expenses (including storage, insurance, and additional shipping costs).

3.4.3 **Acceptance of Hardware Appliance.**

- 3.4.3.1 **Inspection.** Within ten (10) days after delivery of Hardware Appliances to the Delivery Location, Customer will be deemed to have accepted the Hardware Appliances unless it earlier notifies Armis in writing and furnishes written evidence as reasonably required by Armis that the Hardware Appliances: (a) are damaged, defective, or otherwise do not conform to the applicable Purchase Order; or (b) were delivered to Customer in error. If Customer notifies Armis pursuant to this Section, and Armis in its reasonable discretion agrees that the foregoing clause (a) or (b) applies, then Armis will determine, in its sole discretion, whether to repair or replace the applicable Hardware Appliances.

- 3.4.3.2 **Customer Shipping.** Customer will ship, at its expense and risk of loss, all Hardware Appliances to be repaired or replaced under this Section 3 to a location identified by Armis in writing; provided however, that if Armis repairs or replaces the Hardware Appliance under Section 3.4.3.1 or Section 3.6, then Armis will ship to Customer, at Armis' expense and risk of loss, the repaired or replaced Hardware Appliance to the original Delivery Location and will reimburse Customer for all reasonable shipping costs incurred by Customer from sending the Hardware Appliance to Armis.

- 3.4.3.3 **Limitation on Remedy.** The remedies set out in Section 3.4 are Customer's exclusive remedies, regarding any Hardware Appliance for which Customer has accepted delivery under Section 3.4. Except as provided under Section 3.4 and subject to Customer's obligation to return all Hardware Appliances upon termination or expiration of these Terms, all deliveries of Hardware Appliances under these Terms are made on a one-way basis, and Customer has no other right to return delivered Hardware Appliances.

- 3.5 **Additional Restrictions.** In addition to the restrictions stated in Section 2.10 of these Terms, Customer will not, and will not permit any third party to: (i) rent or lease Hardware Appliances, unless otherwise expressly authorized by Armis in writing; or (ii) transfer or copy the Collector Software within the Hardware Appliance to, or use the SaaS Software on, any other product or device.

- 3.6 **Hardware Warranty.** Subject to the End of Life limitation in Section 3.7 below, Armis warrants that Hardware Appliances will conform to the specifications set forth in the Documentation in all material

respects during the Subscription Term ("**Hardware Warranty**"). If Customer reasonably believes that the Hardware Warranty has been breached, then: (a) Customer must provide Armis detailed information in writing ("**Hardware Warranty Claim**") by submitting a support ticket via the Customer Support Portal for such warranty issue arising under the Hardware Warranty; and (b) Armis in good faith will assess the validity of the Hardware Warranty Claim. If Armis determines the Hardware Warranty Claim is valid, then Customer's sole remedy, and Armis' sole liability, will be to replace or repair, at its option, the Hardware Appliance and deliver the same to Customer's address set forth in the Purchase Order. A Hardware Warranty Claim will not be valid if Armis in good faith determines that such claim arises from Customer's or any other party's (acting on Customer's behalf) attempted or actual misusing, mishandling, neglecting, tampering with, or otherwise modifying the Hardware Appliance.

3.7 **Hardware Support Service.** Support for Hardware Appliances is provided pursuant to Armis' standard support services, as described in the Documentation, which may require installation of a Current Release Collector Software. Collector Software may only be installed on the applicable Hardware Appliance for which it was provided, and may cease to function upon the expiration or termination of the Subscription Term. For leased Hardware Appliances, Customer shall receive support services during the applicable Subscription Term. Support for purchased Hardware Appliances shall be provided during the Subscription Term subject to any End of Life described below. Armis will inform Customers nine (9) months in advance of the date in which Armis will discontinue distribution and support of an applicable Hardware Appliance ("**End Of Life**" or "**EOL**"), such that (i) purchased Hardware Appliances will no longer receive support Services or be subject to the Hardware Warranty; and (ii) Leased Hardware Appliances will be replaced by Armis upon EOL at its expense.

3.8 **Termination of Subscription Term.** At the end of the Subscription Term Customer shall ensure that all Hardware Appliances remain connected to the Internet for seven (7) days for Armis to permanently delete the Collector Software. Lease Customers shall promptly (and in any event no later than thirty (30) days following the termination of the Subscription Term) return the Hardware Appliances to Armis at Armis' expense and in accordance with Armis' instructions.

4. **Payment.** Customer will pay Armis (or its Partner, as applicable) the applicable Assets Block Fees and/or other Platform charges, and any Services fees (collectively "**Fees**"), detailed in any applicable Purchase Order, in accordance with the terms therein. As verified by Armis from time to time during the applicable Subscription Term, if Customer's use of the Platform exceeds the maximum number of Supervised Assets permitted under the then-paid for Asset Block, or otherwise exceeds the Fees then-paid for Platform charges under an applicable Purchase Order, then Customer shall be billed for such usage and Customer agrees to pay the additional Fees in the manner provided herein. Unless otherwise specified in a Purchase Order issued or signed by Armis, or reflecting a valid Quote, with respect to each of the foregoing: (a) all of Armis' obligations under these Terms are conditioned on Customer's upfront payment in full of the applicable Fees set forth in the Purchase Order (b) Customer will pay all Fees under these Terms in U.S. Dollars currency; (c) all Fees invoiced hereunder are due and payable within thirty (30) days of the date of the invoice; and (d) any Fees not paid when due and payable will accrue interest on a daily basis until paid in full at the lesser of: the rate of one and a half percent (1.5%) per month, or the highest amount permitted by applicable law. All Fees and other amounts paid hereunder are non-cancellable and non-refundable and cannot be offset against any other fees claimed as owed by Armis by Customer. All Fees payable under these Terms are exclusive of all sales, use, value-added, withholding, and other direct or indirect taxes, charges, levies and duties (collectively, "**Taxes**"), and all such Taxes are Customer's sole responsibility. If applicable law requires Customer to withhold amounts on payments owed to Armis pursuant to these Terms, Customer shall: (y) effect such withholding and remit such amounts to the appropriate taxing authorities; and (z) ensure that, after such deduction or withholding, Armis receives and retains, free from liability for such deduction or withholding, a net amount equal to the amount Armis would have received and retained in the absence of such required deduction or withholding. Further, if applicable law requires Armis to collect any Taxes from Customer in connection with these Terms, then Armis will issue an invoice for such amounts and Customer will remit those amounts to Armis.

5. **Evaluation; Early Adoption and Beta Use.**

5.1 **Evaluation.** If Customer has registered for an Evaluation, then Armis will provide access to the Platform Assets to Customer on an Evaluation basis under the applicable terms of these Terms from the date indicated on the Evaluation registration web page (or applicable Purchase Order) until the earlier of: (a) the end of the free Evaluation period for which Customer registered; (b) the start date of any

purchased subscriptions ordered by Customer under these Terms; or (c) termination by Armis in its sole discretion (the “**Evaluation Period**”). Once a valid Purchase Order for a paid subscription is executed, the terms of these Terms will continue to govern, subject to the specific limitation in this Section. Additional Evaluation terms and conditions may appear on the trial registration web page. Any such additional terms and conditions are incorporated into these Terms by reference and are legally binding. Customer shall review the applicable Documentation during the free Evaluation Period to become familiar with the features and functions of the Platform before making a purchase.
