

IMPORTANT, PLEASE READ CAREFULLY. THIS IS A LICENSE AGREEMENT

modelizeIT End User License Agreement

This End User License Agreement ("EULA") is a legal agreement between you (either an individual or a single entity) and modelizeIT Inc., a New York State corporation ("modelizeIT") with regard to the copyrighted Software (herein referred to as "Software") provided with this EULA. The Software includes computer software, the associated media, any printed materials, and any online or electronic documentation. Use of any software and related documentation ("Software") provided to you by modelizeIT in whatever form or media, will constitute your acceptance of these terms, unless separate terms are provided by modelizeIT, in which case certain additional or different terms may apply. If you do not agree with the terms of this EULA, do not download, install, copy or use the Software. By installing, copying or otherwise using the Software, you agree to be bound by the terms of this EULA. If you do not agree to the terms of this EULA, modelizeIT is unwilling to license the Software to you.

1. Eligible Licensees. This Software is available for license solely to Software owners, with no right of duplication or further distribution, licensing, or sub-licensing. IF YOU DO NOT OWN THE SOFTWARE, THEN DO NOT DOWNLOAD, INSTALL, COPY OR USE THE SOFTWARE.

2. License Grant. modelizeIT grants to you a non-transferable and non-exclusive right to use the copy of the Software provided with this EULA. You agree you will not copy the Software except as necessary to use it on the processing servers to process the data collected on your target servers. You agree that you will not use the Software to collect and process the data on more processing servers and on more target servers (Total Servers) than is explicitly allowed to you by modelizeIT. You agree that you will use the Software only during the time interval explicitly allowed to you by modelizeIT. You agree that you will stop using the Software and will destroy all Software copies after the expiration of the time interval explicitly allowed to you by modelizeIT. You agree that you may not copy the written materials accompanying the Software. Modifying, translating, renting, copying, transferring or assigning all or part of the Software, or any rights granted hereunder, to any other persons and removing any proprietary notices, labels or marks from the Software is strictly prohibited. Furthermore, you hereby agree not to create derivative works based on the Software. You may not transfer, loan, rent, or lease the Software.

3. Copyright. The Software is licensed, not sold. You acknowledge that no title to the intellectual property in the Software is transferred to you. You further acknowledge that title and full ownership rights to the Software will remain the exclusive property of modelizeIT and/or its suppliers, and you will not acquire any rights to the Software, except as expressly set forth above. If you provide any suggestions, ideas, enhancement requests, recommendations or feedback regarding the Software ("Feedback"), modelizeIT may use and incorporate Feedback in modelizeIT Software. All copies of the Software will contain the same proprietary notices as contained in or on the Software. All title and copyrights in and to the Software (including but not limited to any images, photographs, animations, video, audio, music, text and scripts, signatures, patterns, customizations, code incorporated into the Software), the accompanying printed materials, and any copies of the Software, are owned by modelizeIT or its suppliers. The Software is protected by copyright laws and international treaty provisions. You may not copy the printed materials accompanying the Software.

4. Reverse Engineering. You agree that you will not attempt, and if you are a corporation, you will use your best efforts to prevent your employees and contractors from attempting to reverse compile, modify, translate or disassemble the Software in whole or in part. Any failure to comply with the above

or any other terms and conditions contained herein will result in the automatic termination of this license and the reversion of the rights granted hereunder to modelizeIT.

5. Disclaimer of Warranty. The Software is provided "AS IS" without warranty of any kind. modelizeIT and its suppliers disclaim and make no express or implied warranties and specifically disclaim the warranties of merchantability, fitness for a particular purpose and non-infringement of third-party rights. Neither modelizeIT nor its suppliers warrant that the functions contained in the Software will meet your requirements or that the operation of the Software will be uninterrupted or error-free. modelizeIT is not obligated to provide any updates to the software.

6. Limitation of Liability. modelizeIT's entire liability and your exclusive remedy under this EULA shall not exceed the price paid for the Software license, if any. In no event shall modelizeIT or its suppliers be liable for any damages whatsoever (including, without limitation, incidental, direct, indirect special and consequential damages, damages for loss of business profits, business interruption, loss of business information, or other pecuniary loss) arising out of the use or inability to use the software, even if modelizeIT or its supplier has been advised of the possibility of such damages, or any claim by a third party. Because some states/countries do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you.

7. Data Privacy. The Data Processing Agreement ("DPA") that applies to modelizeIT's processing of your personal data is located at www.modelizeIT.com/documents/us/modelizeIT-DPA.pdf and may be updated from time to time.

8. Upgrades. If the Software is an upgrade from an earlier release or previously released version, you now may use that upgraded product only in accordance with this EULA. If the Software is an upgrade of a software program which you licensed as a single product, the Software may be used only as part of that single product package and may not be separated for use on more processing and target servers than explicitly allowed by modelizeIT.

9. OEM Product Support. Product support for the Software is provided by modelizeIT.

10. Taxes. You will be responsible for all taxes associated with your direct or indirect payments to modelizeIT other than taxes based on modelizeIT's net income.

11. Indemnification by You. If you distribute the Software in violation of this EULA, you agree to indemnify, hold harmless and defend modelizeIT and its suppliers from and against any claims or lawsuits, including attorney's fees that arise or result from the use or distribution of the Software in violation of this EULA.

12. Governing law. This Agreement is governed by and construed in accordance with the substantive and procedural laws of the United States and the State of New York. You and modelizeIT agree to submit to the exclusive jurisdiction of, and venue in, the courts of Suffolk County in New York in any dispute arising out of or relating to this Agreement. The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act do not apply to this Agreement.
