BACKGROUND

Company Name would like to implement SQUARY Enterprise. The client will have access to the SQUARY AI platform or the API as required.

KEY LEGAL TERMS

Company Name and Cognistic LLC d/b/a Cognistx will be independent legal entities for this engagement. The laws of the Commonwealth of Pennsylvania, USA will govern this agreement.

The Client will retain ownership of the data. Cognistx will own SQUARY and any AI/ML models developed as part of this engagement. Cognistx will also retain ownership of any foreground and background IP besides SQUARY that they bring to this engagement. Cognistx will license SQUARY and related IP as long as the monthly SaaS fee is paid by the Client to Cognistx or its partners. The SaaS terms are outlined below:

Authorization and Restrictions

1. Authorization. Subject to and conditioned on the Subscriber's payment of the Subscription Fees and compliance and performance in accordance with all other terms and conditions of this Agreement, Cognistx hereby authorizes the Subscriber to access and use, during the Term, the Subscription Services (including without limitation the underlying code) as Cognistx may supply or make available to Subscriber solely for the conduct of its internal business. This authorization is non-exclusive and non-transferable.
2. Reservation of Rights. Other than as specifically provided herein, nothing in this Agreement grants any right, title, or interest in or to (including any license under) any intellectual property rights in or relating to the Subscription Services, whether expressly, by implication, or otherwise. All rights, title, and interest in and to the Subscription Services are and will remain with Cognistx.
3. Authorization Limitations and Restrictions. Subscriber shall not permit any other person or entity to access or use the Subscription Services except as expressly permitted by this Agreement. For purposes of clarity and without limiting the generality of the foregoing, Subscriber shall not, except as this Agreement expressly permits: copy, modify or create derivative works or improvements of the Subscription Services or associated software; rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer or otherwise make available any Subscription Services to any other person or entity, including on or in connection with the internet or any time-sharing, service bureau, software as a service, cloud or other technology or service; reverse engineer, disassemble, decompile, decode, adapt or otherwise attempt to derive or gain access to the source code of the Subscription Services, in whole or in part, all of which are Confidential Information of Cognistx; bypass or breach any security device or protection used by the Subscription

Services or access or use the Subscription Services other than by through the use of valid access credentials; input, upload, transmit or otherwise provide to or through the Subscription Services, any information or materials that are unlawful or injurious, or contain, transmit or activate any malicious code; damage, destroy, disrupt, disable, impair, interfere with or otherwise impede or harm in any manner the Subscription Services, in whole or in part; remove, delete, alter or obscure any trademarks, warranties or disclaimers, or any copyright, trademark, patent or other intellectual property or proprietary rights notices from any Subscription Services, including any copy thereof; access or use the Subscription Services in any manner or for any purpose that infringes, misappropriates or otherwise violates any Cognistx intellectual property right or other similar right of any third party, or that violates any applicable law; access or use the Subscription Services for purposes of competitive analysis of the Subscription Services or, the development, provision or use of a competing software service or product or any other purpose that is to Cognistx's detriment or commercial disadvantage; or otherwise access or use the Subscription Services beyond the scope of the authorization granted under this Agreement.

Cognistx will continue to show **Company Name** as a client/partner on their website and be able to promote their achievements on social media with approval from **Company Name**. The two organizations will also look for a joint press release to promote this partnership.
