BY INDICATING YOUR ACCEPTANCE OF THIS AGREEMENT OR ACCESSING OR USING ANY SNOWFLAKE OFFERINGS, YOU ARE ACCEPTING ALL OF THE TERMS AND CONDITIONS OF THIS AGREEMENT, INCLUDING THE BINDING ARBITRATION TERMS SET FORTH IN SECTION 13.3(b) (U.S. CUSTOMER) BELOW FOR U.S. CUSTOMERS. IF YOU DO NOT AGREE TO THESE TERMS AND CONDITIONS, YOU MAY NOT USE ANY SNOWFLAKE OFFERINGS. YOU AGREE THAT THIS AGREEMENT IS ENFORCEABLE LIKE ANY WRITTEN AGREEMENT SIGNED BY YOU.

IF YOU ARE USING ANY SNOWFLAKE OFFERINGS AS AN EMPLOYEE, CONTRACTOR, OR AGENT OF A CORPORATION, PARTNERSHIP OR SIMILAR ENTITY, THEN YOU MUST BE AUTHORIZED TO SIGN FOR AND BIND SUCH ENTITY IN ORDER TO ACCEPT THE TERMS OF THIS AGREEMENT, AND YOU REPRESENT AND WARRANT THAT YOU HAVE THE AUTHORITY TO DO SO. THE RIGHTS GRANTED UNDER THIS AGREEMENT ARE EXPRESSLY CONDITIONED UPON ACCEPTANCE BY SUCH AUTHORIZED PERSONNEL.

AGREEMENT

These Snowflake Self-Service On Demand Terms of Service ("**Agreement**") are entered into by and between Snowflake (see Section 14 for this and other capitalized defined terms) and the entity or person placing an order for, or accessing, any Snowflake Offerings ("**Customer**" or "**you**"). This Agreement consists of the terms and conditions set forth below and any ancillary documents (e.g., attachments, addenda, exhibits) expressly referenced as part of the Agreement, and any Online Orders that reference this Agreement.

The "**Effective Date**" of this Agreement is the date of Customer's initial access to any Snowflake Offering (as defined below) through any online provisioning, registration or order process. This Agreement will govern Customer's initial purchase on the Effective Date as well as any future purchases made by Customer through an Online Order.

Modifications to this Agreement: From time to time, Snowflake may modify this Agreement. Unless otherwise specified by Snowflake, changes become effective for Customer upon renewal of the then-current Subscription Term or upon the effective date of a new Online Order after the updated version of this Agreement goes into effect. Snowflake will use reasonable efforts to notify Customer of the changes through communications via Customer's Account, email or other means. Customer may be required to click to accept or otherwise agree to the modified Agreement before renewing a Subscription Term or upon the effective date of a new Online Order, and in any event continued use of any Snowflake Offering after the updated version of this Agreement goes into effect will constitute Customer's acceptance of such updated version.

1. Use of Service.

1.1. Service Provision and Access; Client Software. Snowflake will make the Service available to Customer for the Subscription Term solely for use by Customer and its Users in accordance with the terms and conditions of this Agreement, the Documentation, and the Online Order. Customer may permit its Contractors and Affiliates to serve as Users provided that any use of the Service by each such Contractor or Affiliate is solely for the benefit of Customer or such Affiliate. Customer shall be responsible for each User's compliance with this Agreement, and acts or omissions by any User shall be deemed acts by Customer. To the extent Customer installs Client Software in connection with its use of the Service, Snowflake grants to Customer and its Users a limited, non-transferable, non-sublicensable, non-exclusive license during the Subscription Term to use the object code form of the Client Software internally in connection with Customer's and its Affiliates' use of the Service, subject to the terms and conditions of this Agreement and the Documentation.

1.2. Compliance with Applicable Laws. Snowflake will provide the Snowflake Offerings in accordance with its obligations under laws and government regulations applicable to Snowflake's provision of such Snowflake Offerings to its customers generally, including, without limitation, those related to data privacy and data transfer, international communications, and the exportation of Snowflake Offerings, without regard to Customer's particular use of the Snowflake Offerings and subject to Customer's use of the Snowflake Offerings in accordance with this Agreement.

1.3. General Restrictions. Customer will not (and will not permit any third party to): (a) sell, rent, lease, license, distribute, provide access to, sublicense, or otherwise make available the Snowflake Technology to a third party (except as set forth in the Documentation for Service features expressly intended to enable Customer to provide its third parties with access to Customer Data, or as set forth in an SOW, as applicable) or in a service bureau or outsourcing offering; (b) use the Snowflake Technology to provide, or incorporate the Snowflake Technology into, any substantially similar cloud-based service for the benefit of a third party; (c) reverse engineer, decompile, disassemble, or otherwise seek to obtain the source code or non-public APIs to the Snowflake Technology, except to the extent expressly permitted by applicable law (and then only upon advance written notice to Snowflake); (d) remove or obscure any proprietary or other notices contained in the Service; or (e) use any Snowflake Offerings or Client Software in violation of the Acceptable Use Policy.

2. Customer Data.

2.1. Rights in Customer Data. As between the parties, Customer or its licensors retain all right, title and interest (including any and all intellectual property rights) in and to the Customer Data and any modifications made thereto in the course of operation of the Service. Subject to the terms of this Agreement, Customer hereby grants to Snowflake and its Authorized Snowflake Affiliates a non-exclusive, worldwide, royalty-free right to process the Customer Data solely to the extent necessary to provide the Snowflake Offerings to Customer, to prevent or address service or technical problems therein, or as may be required by law.

2.2. Use Obligations.

(a) In General. Customer's use of the Snowflake Offerings and all Customer Data will comply with applicable laws, government regulations, and any other legal requirements, including but not limited to, any data localization or data sovereignty laws, regulations, and any other third-party legal requirements applicable to Customer. Customer is solely responsible for the accuracy, content and legality of all Customer Data. Customer warrants that Customer has and will have sufficient rights in the Customer Data to grant the rights to Snowflake under this Agreement and that the processing of Customer Data by Snowflake in accordance with this Agreement will not violate any laws or the rights of any third party.

(b) HIPAA Data. Customer agrees not to process any HIPAA Data in the Service unless Customer has entered into a BAA with Snowflake. Unless a BAA is in place, Snowflake will have no liability under this Agreement for HIPAA Data, notwithstanding anything to the contrary in this Agreement or in HIPAA or any similar federal or state laws, rules or regulations. If Customer is permitted to process HIPAA Data in the Service, then Customer may process HIPAA Data in the Service only by providing it as Customer Data. Upon mutual execution of the BAA, the BAA is incorporated by reference into this Agreement and is subject to its terms.

2.3. Data Privacy. The parties shall comply with the DPA.

3. Security. The parties shall comply with the Security Addendum.

4. Intellectual Property.

4.1. Snowflake Technology. Customer agrees that Snowflake or its suppliers retain all right, title and interest (including all patent, copyright, trademark, trade secret and other intellectual property rights) in and to the Snowflake Technology. Except for the express limited rights set forth in this Agreement, no right, title or interest in any Snowflake Technology is granted to Customer. Further, Customer acknowledges that the Service is offered as an online, hosted solution, and that Customer has no right to obtain a copy of the underlying computer code for the Service, except (if applicable) for the Client Software in object code format. Snowflake may freely use and incorporate any suggestions, comments or other feedback about the Snowflake Offerings voluntarily provided by Customer or Users into the Snowflake Technology.

4.2. Usage Data. Notwithstanding anything to the contrary in this Agreement, Snowflake may collect and use Usage Data to develop, improve, support, and operate its products and services. Snowflake may not share any Usage Data that includes Customer's Confidential Information with a third party except (a) in accordance with Section 5 (Confidentiality) of this Agreement, or (b) to the extent the Usage Data is aggregated and anonymized such that Customer and Customer's Users cannot be identified.

4.3. Customer Reference. Snowflake may identify Customer as its customer to other Snowflake customers, prospective customers, or partners, including for purposes of facilitating Customer-controlled data sharing hereunder. Without limiting the foregoing, Snowflake may use and display Customer's name, logo, trademarks, and service marks on Snowflake's website and in Snowflake's marketing materials in connection with identifying Customer as a customer of Snowflake. Upon Customer's written request, Snowflake will promptly remove any such marks from Snowflake's website and, to the extent commercially feasible, Snowflake's marketing materials.

5. Confidentiality. Each party (as "**Receiving Party**") will use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but not less than reasonable care) to: (a) not use any Confidential Information of the other party (the "**Disclosing Party**") for any purpose outside the scope of this Agreement; and (b) except as otherwise authorized by the Disclosing Party in writing, limit access to Confidential Information of the Disclosing Party to those of its and its Affiliates' employees and contractors who need that access for purposes consistent with this Agreement and who are bound by obligations of confidentiality to the Receiving Party containing protections not materially less protective of the Confidential Information than those herein. If Receiving Party is required by law, regulation or court order to disclose Confidential Information, then Receiving Party shall, to the extent legally permitted, provide Disclosing Party with advance written notice and cooperate in any effort to obtain confidential treatment of the Confidential Information including, without limitation, the opportunity to seek appropriate administrative or judicial relief. The Receiving Party acknowledges that disclosure of Confidential Information would cause substantial harm for which damages alone would not be a sufficient remedy, and therefore that upon any such disclosure by the Receiving Party, the Disclosing Party will be entitled to seek appropriate equitable relief in addition to whatever other remedies it might have at law.

6. Fees and Payment; Taxes; Payment Disputes.

6.1. Fees and Payment. Customer will be charged for, and agrees to pay Snowflake, at the payment schedule described in Section 6.2, the sum of the following Fees: (a) with respect to the Service, as further described in the applicable Online Order and the Consumption Table; and (b) any other Fees incurred by Customer for the Snowflake Offerings. Except as expressly set forth in this Agreement, all payment obligations are non-cancelable and Fees are non-refundable. By using the Snowflake Offerings and providing a Payment Method for Customer's use of the Snowflake Offerings, Customer hereby authorizes Snowflake (or its designee) to charge Customer's Payment Method at the payment schedule described in Section 6.2 during the Subscription Term for all applicable Fees incurred during the applicable payment period. Customer acknowledges that the amount billed for each applicable payment period may vary depending on Customer's use of the Snowflake Offerings and the duration of the applicable payment period. If a payment is not successfully settled (e.g., due to expiration or insufficient funds), Customer remains responsible for any uncollected amounts, authorizes Snowflake to continue billing Customer's Payment Method, and acknowledges that for certain Payment Methods the Payment Method issuer may charge a foreign transaction fee and/or other charges, for which Customer will be responsible. Snowflake may, in its sole discretion, offer Customer promotional credits or other free use of the Service. Any such credits or free use will be credited against Customer's Fees during the applicable payment period. Promotional credits and any other free use of the Service have no cash value, are non-transferable and non-refundable, and expire thirty (30) days after they are issued, unless otherwise indicated by Snowflake. Customer also acknowledges and agrees that Customer's use of the Service may be limited or capped by Snowflake in its sole discretion.

6.2. Payment Schedule. Unless expressly stated in the applicable Online Order, Customer agrees to pay Snowflake monthly on or around the first day of each month for any unpaid Fees incurred during the previous month ("**Monthly Payment**"). In addition to the Monthly Payment, if Customer's unbilled accrued Fees for an organization exceed certain thresholds as described in the Documentation, such unbilled accrued Fees may become immediately due and payable, and Snowflake may charge Customer's Payment Method for such unbilled accrued Fees (each a "**Threshold Payment**"). Snowflake will generate a payment receipt or similar notice to Customer for any such Threshold Payments. Any Threshold Payments successfully collected during a given month will be credited against the total Fees incurred for that month and excluded from the subsequent Monthly Payment.

6.3. Taxes. Fees do not include Taxes. Customer is responsible for paying all Taxes associated with its purchases hereunder, including without limitation, all use or access of the Snowflake Offerings by its Users. If Snowflake has the legal obligation to pay or collect Taxes for which Customer is responsible under this section, Snowflake will invoice Customer and Customer will pay that amount unless Customer provides Snowflake with a valid tax exemption certificate authorized by the appropriate taxing authority. Taxes will not be

deducted from payments to Snowflake, except as required by applicable law, in which case Customer will increase the amount payable as necessary so that, after making all required deductions and withholdings, Snowflake receives and retains (free from any liability for Taxes) an amount equal to the amount it would have received had no such deductions or withholdings been made. Upon Snowflake's request, Customer will provide to Snowflake its proof of withholding tax remittance to the respective tax authority. Where applicable, Customer will provide its VAT/GST Registration Number(s) to confirm the business use of the purchased services.

6.4. Payment Disputes. Snowflake will not, for thirty (30) days following notification from Customer of a Payment Dispute, exercise its rights under Section 7.2 (Termination) or Section 7.5(a) (Suspension of the Snowflake Offerings) with respect to non-payment by Customer. If the parties are unable to resolve such Payment Dispute within thirty (30) days, each party shall have the right to seek any remedies it may have under this Agreement, at law or in equity, irrespective of any terms that would limit remedies on account of a dispute. For clarity, any undisputed amounts must be paid in full.

7. Term and Termination.

7.1. Term. This Agreement is effective as of the Effective Date and will remain in effect until terminated in accordance with its terms.

7.2. Termination. Either party may terminate any Online Order in accordance with its terms, and otherwise, by providing notice via email to the other party and requesting termination. Customer will retrieve its Customer Data prior to any termination. If there is no Online Order currently in effect, this Agreement shall be deemed terminated and no longer in effect. Customer shall send any notice of termination to Snowflake at legalnotices@snowflake.com, and Snowflake shall send any notice of termination to the email address provided by Customer.

7.3. Effect of Termination. Snowflake shall have no further obligation to make Customer Data available after the effective date of termination of this Agreement, and to the extent Customer does not retrieve its Customer Data prior to such termination, Snowflake shall promptly delete the Customer Data. After termination of this Agreement, Customer will have no further access to Customer Data and shall cease use of and access to the Snowflake Offerings (including any related Snowflake Technology) and delete all copies of Client Software, Documentation, any associated passwords or access codes, and any other Snowflake Confidential Information in its possession. Notwithstanding any termination or anything to the contrary in this Agreement or any Online Order, Snowflake will charge Customer's Payment Method for all of its use of the Snowflake Offerings.

7.4. Survival. The following sections will survive any expiration or termination of this Agreement: 1.3 (General Restrictions), 4 (Intellectual Property), 5 (Confidentiality), 6.1 (Fees and Payment), 6.2 (Taxes), 7 (Term and Termination), 8.3 (Warranty Disclaimer), 11 (Indemnification), 12 (Limitation of Remedies and Damages), 13 (General Terms), and 14 (Definitions).

7.5. Suspension of the Snowflake Offerings. In addition to any of its other rights or remedies (including, without limitation, any termination rights) set forth in this Agreement, Snowflake reserves the right to suspend provision of the Snowflake Offerings: (a) if any Fees are overdue (and are not otherwise subject to Section 6.4 (Payment Disputes)); (b) if Snowflake deems such suspension necessary as a result of Customer's breach of Sections 1.3 (General Restrictions) or 2.2 (Use Obligations); (c) if Snowflake reasonably determines suspension is necessary to avoid material harm to Snowflake or its customers, including if the Service is experiencing denial of service attacks, mail flooding, or other attacks or disruptions outside of Snowflake's control; (d) Snowflake detects activity Snowflake reasonably believes to be anomalous, erroneous, or fraudulent; or (e) as required by law or at the request of governmental entities. Customer may appeal any such suspension by contacting Snowflake in writing.

8. Warranty.

8.1. Service Warranty. Snowflake warrants that: (a) the Service will operate in substantial conformity with the applicable Documentation; and (b) Technical Services and Deliverables will be provided in a professional and workmanlike manner and substantially in accordance with the specifications in the applicable SOW. If Snowflake is not able to correct any reported non-conformity with this warranty, then as its sole and exclusive remedy, Customer may terminate this Agreement, any Online Order and/or any SOW (as applicable). This warranty will not apply if the error or non-conformance was caused by: (i) Customer's misuse of the Service or Deliverables; (ii) modifications to the Service or Deliverables by Customer or any third party; (iii) External Offerings; or (iv) any services or hardware of Customer or any of its third parties used by Customer in connection with the Service or Deliverables. For Technical Services and Deliverables, this warranty will not apply unless Customer provides written notice of a claim within thirty (30) days after expiration of the applicable SOW.

8.2. Mutual Warranty. Each party warrants that it has validly entered into this Agreement and has the legal power to do so.

8.3. Warranty Disclaimer. TO THE EXTENT PERMITTED BY LAW AND EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, EACH SNOWFLAKE OFFERING, THE CLIENT SOFTWARE AND SAMPLE DATA ARE PROVIDED "AS IS," AND SNOWFLAKE MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY, TITLE, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT. SNOWFLAKE DOES NOT WARRANT THAT THE USE OF ANY SNOWFLAKE OFFERING WILL BE UNINTERRUPTED OR ERROR-FREE, NOR DOES SNOWFLAKE WARRANT THAT IT WILL REVIEW THE CUSTOMER DATA FOR ACCURACY.

9. Support and Availability. During a Subscription Term, Snowflake will provide Customer the level of support for the Service set forth in the applicable Online Order, in accordance with the Support Policy.

10. Technical Services; Access to Customer Assets.

10.1. Provision of Technical Services. Snowflake will perform the Technical Services or other services for Customer as set forth in each applicable SOW, subject to the terms and conditions of this Agreement.

10.2. Assistance. Customer acknowledges that timely access to applicable Customer Materials, resources, personnel, equipment or facilities is necessary for the provision of Technical Services. Customer agrees to provide such access and to reasonably cooperate with Snowflake during a Technical Services project. Snowflake will have no liability for any delay or deficiency to the extent resulting from Customer's breach of its obligations under Section 10.

10.3. Customer Materials. Customer hereby grants Snowflake a limited right to use any Customer Materials solely for the purpose of providing to Customer Technical Services or other services pursuant to this Agreement. Customer will retain any of its rights (including

all intellectual property rights) in and to the Customer Materials. Customer Materials comprising Confidential Information will be subject to Section 5 (Confidentiality). Customer warrants that Customer has and will have sufficient rights in the Customer Materials to grant the rights to Snowflake under this Agreement and that the Customer Materials will not violate any third-party rights.

10.4. Access to Customer Assets. If Customer provides access to Snowflake personnel to any Customer Assets, Customer shall ensure that: (a) multi-factor authentication (MFA) is configured and enabled for all Snowflake personnel accessing Customer Assets; (b) each Snowflake personnel with access to Customer Assets receives unique login credentials; (c) Customer provides Snowflake personnel only the minimum necessary access and privileges to Customer Assets required; (d) Customer strictly limits duration and scope of access to Customer Assets as specified hereunder; (e) Customer Assets to which Snowflake is provided access have been configured to prevent Snowflake personnel from committing code changes or otherwise making changes to the Customer Assets that will impact production environments or production data; (f) Snowflake personnel will not be provided with or requested to use software or other code for Snowflake's systems and/or equipment which could allow any party other than Snowflake to access or use such systems and/or equipment (e.g., remote server services software or SSH access to a laptop); (g) secure remote access configurations to networks (if any) are configured to prevent local network connection(s) to networks and only allow those connections required to provide the relevant services to Customer; (h) Customer Assets are configured to allow traffic only from Snowflake authorized IP addresses; (i) Customer provides to Snowflake an accurate list of all Customer production and non-production accounts, environments, systems, applications, and resources ("**Environments**") to which Snowflake personnel will be granted access prior to the start of any services and will not include any production data in non-production Environments; (j) Customer provides written notice to Snowflake prior to any change to the scope of access granted to Snowflake personnel, including any changes from read-only access to write, modify, or administrative access in a production or non-production Environment.

Notwithstanding anything to the contrary herein, Customer shall ensure that Snowflake personnel are not granted access to any sensitive data, including without limitation, any personal data, credit card or other financial account information, or protected health information. Snowflake will have no liability to the extent such liability arises from or is related to access received in breach of this Section. Customer is solely responsible for the security and technical measures of any Customer Assets (including for monitoring, management, configuration, support and maintenance), connections to/from the foregoing, and for user ID/password management. Where access is no longer required to perform the relevant services, or upon notification by Snowflake that access is no longer required, Customer shall ensure that Snowflake's access is terminated and credentials are revoked. If Snowflake receives access to External Data Applications (as permitted hereunder) or other Customer-managed applications, then Customer has sole and exclusive responsibility for the selection and configuration of these applications, and connections to and from the foregoing. Customer will not grant roles in External Data Applications or other Customer-managed applications that allow Snowflake personnel to transfer data to any destination not approved by Customer, and shall ensure Snowflake has the right to access the External Data Application or other Customer Assets.

10.5. License to Deliverables. The Technical Services Snowflake performs (e.g., providing guidance on configuring the Service) and the resulting Deliverables are generally applicable to Snowflake's business and are part of Snowflake Technology. Subject to the terms and conditions of this Agreement (including the restrictions in Section 1.3 (General Restrictions)), Snowflake hereby grants Customer a limited, non-exclusive, royalty-free, non-transferable worldwide license to use the Deliverables internally solely in connection with such Customer's use of the Service during the period in which such Customer has valid access to the Service. The parties may mutually agree to SOWs with additional terms and restrictions related to the use of Deliverables provided as part of that project, in which case those terms and restrictions will also apply for purposes of those Deliverables only.

10.6. Change Orders; Other Terms. Customer may submit written requests to Snowflake to change the scope of Technical Services under an existing SOW. Snowflake will promptly notify Customer if it believes that the requested change requires an adjustment to the fees, schedule, assumptions or scope for the performance of the Technical Services. Neither party is bound by changes to an SOW unless the parties have entered into a Change Order with respect thereto. Snowflake may use subcontractors to deliver Technical Services but will remain responsible for their performance of those Technical Services under the applicable terms and conditions of this Agreement. For clarity, Customer will be responsible for any consumption and other fees for the Service that are generated as part of the Technical Services.

11. Indemnification.

11.1. Indemnification by Snowflake. Snowflake will defend Customer against any claim by a third party alleging that the Service or any Deliverable, when used in accordance with this Agreement, infringes any intellectual property right of such third party and will indemnify and hold harmless Customer from and against any damages and costs awarded against Customer or agreed in settlement by Snowflake (including reasonable attorneys' fees) resulting from such claim. If Customer's use of the Service or Deliverable results (or in Snowflake's opinion is likely to result) in an infringement claim, Snowflake may either: (a) substitute functionally similar products or services; (b) procure for Customer the right to continue using the Service or Deliverable; or if (a) and (b) are not commercially reasonable, (c) terminate this Agreement, or the applicable Online Order or SOW, and refund to Customer any prepaid unused Fees for the applicable Service or Deliverable. The foregoing indemnification obligation of Snowflake will not apply to the extent the applicable claim is attributable to: (1) the modification of the Service or Deliverable by any party other than Snowflake or based on Customer's specifications or requirements; (2) the combination of the Service or Deliverable with products or processes not provided by Snowflake; (3) any use of the Service or Deliverables in non-conformity with this Agreement; or (4) any action arising as a result of Customer Data, or any deliverables or components not provided by Snowflake. This section sets forth Customer's sole remedy with respect to any claim of intellectual property infringement.

11.2. Indemnification by Customer. Customer will defend Snowflake against any claim by a third party arising from or relating to any Customer Data, Customer Materials or any Customer-offered product or service used in connection with the Service and will indemnify and hold harmless Snowflake from and against any damages and costs awarded against Snowflake or agreed in settlement by Customer (including reasonable attorneys' fees) resulting from such claim.

11.3. Indemnification Procedures. In the event of a potential indemnity obligation under Section 11, the indemnified party will: (a) promptly notify the indemnifying party in writing of the claim, (b) allow the indemnifying party the right to control the investigation, defense and settlement (if applicable) of such claim at the indemnifying party's sole cost and expense, and (c) upon request of the indemnifying party, provide all necessary cooperation at the indemnifying party's expense. Failure by the indemnified party to notify the

indemnifying party of a claim under Section 11 shall not relieve the indemnifying party of its obligations under Section 11. However, the indemnifying party shall not be liable for any litigation expenses the indemnified party incurred before such notice was given, or for any damages and/or costs resulting from any material prejudice caused by the delay or failure to provide notice to the indemnifying party in accordance with this section. The indemnifying party may not settle any claim that would bind the indemnified party to any obligation (other than payment covered by the indemnifying party or ceasing to use infringing materials) or require any admission of fault by the indemnified party, without the indemnified party's prior written consent, such consent not to be unreasonably withheld, conditioned or delayed. Any indemnification obligation under Section 11 will not apply if the indemnified party settles or makes any admission with respect to a claim without the indemnifying party's prior written consent.

12. Limitation of Remedies and Damages. EXCEPT AS TO "EXCLUDED CLAIMS," TO THE MAXIMUM EXTENT PERMITTED BY LAW, AND NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT:

(A) NEITHER PARTY NOR ITS AFFILIATES SHALL BE LIABLE TO THE OTHER PARTY OR ITS AFFILIATES FOR ANY LOSS OF USE, LOST OR INACCURATE DATA, INTERRUPTION OF BUSINESS, COSTS OF DELAY, COVER COSTS, LOST PROFITS, OR ANY INDIRECT, SPECIAL, INCIDENTAL, RELIANCE, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES OF ANY KIND, EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES IN ADVANCE;

(B) SUBJECT TO SUBSECTION (C) BELOW, EACH PARTY'S AND ITS AFFILIATES' TOTAL LIABILITY TO THE OTHER PARTY AND ITS AFFILIATES FOR ALL CLAIMS IN THE AGGREGATE (FOR DAMAGES OR LIABILITY OF ANY TYPE) SHALL NOT EXCEED THE AMOUNT ACTUALLY PAID OR PAYABLE TO SNOWFLAKE IN THE PRIOR 12 MONTHS UNDER THE APPLICABLE ONLINE ORDER OR SOW TO WHICH SUCH LIABILITY RELATES ("GENERAL LIABILITY CAP");

(C) IN THE CASE OF "DATA PROTECTION CLAIMS," EACH PARTY'S AND ITS AFFILIATES' TOTAL LIABILITY TO THE OTHER PARTY AND ITS AFFILIATES FOR ALL CLAIMS IN THE AGGREGATE (FOR DAMAGES OR LIABILITY OF ANY TYPE) SHALL NOT EXCEED FIFTY THOUSAND DOLLARS (USD \$50,000) AND ("DATA PROTECTION CLAIMS CAP");

(D) IN NO EVENT SHALL EITHER PARTY (OR ITS RESPECTIVE AFFILIATES) BE LIABLE FOR THE SAME EVENT UNDER BOTH THE GENERAL LIABILITY CAP AND THE DATA PROTECTION CLAIMS CAP. SIMILARLY, THOSE CAPS SHALL NOT BE CUMULATIVE; IF A PARTY (AND/OR ITS AFFILIATES) HAS ONE OR MORE CLAIMS SUBJECT TO THE "GENERAL LIABILITY CAP" AND THE "DATA PROTECTION CLAIMS CAP," THE MAXIMUM TOTAL LIABILITY FOR ALL CLAIMS IN THE AGGREGATE SHALL NOT EXCEED THE "DATA PROTECTION CLAIMS CAP";

(E) THE PARTIES AGREE THAT SECTION 12 WILL APPLY REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE AND WILL APPLY EVEN IF ANY LIMITED REMEDY SPECIFIED IN THIS AGREEMENT IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE; AND

(F) THE APPLICABLE MONETARY CAPS SET FORTH IN SECTION 12 SHALL APPLY, ON AN AGGREGATED BASIS, ACROSS THIS AGREEMENT AND ANY AND ALL SEPARATE AGREEMENT(S) GOVERNING CUSTOMER'S USE OF THE "SNOWFLAKE OFFERINGS" ENTERED INTO BETWEEN SNOWFLAKE AND ANY CUSTOMER "AFFILIATES."

13. General Terms.

13.1. Assignment. This Agreement will bind and inure to the benefit of each party's permitted successors and assigns. Neither party may assign this Agreement without the advance written consent of the other party, except that either party may assign this Agreement in its entirety in connection with a merger, reorganization, acquisition, or other transfer of all or substantially all of such party's assets or voting securities to such party's successor; and Snowflake may assign this Agreement in its entirety to any Authorized Snowflake Affiliate. Each party shall promptly provide notice of any such assignment. Any attempt to transfer or assign this Agreement except as expressly authorized under this section will be null and void.

13.2. Severability; Interpretation; Conflicts. Except as specified in Section 13.3(b) (U.S. Customer) below, if an arbitrator or court of competent jurisdiction holds any provision of this Agreement to be unenforceable or invalid, that provision will be limited to the minimum extent necessary so that this Agreement will otherwise remain in effect. Section headings are inserted for convenience only and shall not affect interpretation of this Agreement. Except for the Acceptable Use Policy, the DPA, the Offering-Specific Terms, the Security Addendum and the Support Policy, each of which shall govern solely with respect to the subject matter therein, this Agreement governs and controls in the event of a conflict with any other ancillary documents or provisions applicable to the Snowflake Offerings unless otherwise expressly agreed in writing by the parties.

13.3. Dispute Resolution.

(a) Generally. Each party agrees that before it seeks any form of legal relief (except for a provisional remedy as explicitly set forth below) it shall provide written notice to the other party of the specific issue(s) in dispute (and reference the relevant provisions of the contract between the parties which are allegedly being breached). Within thirty (30) days after such notice, knowledgeable executives of the parties shall hold at least one meeting (in person or by video- or tele-conference) for the purpose of attempting in good faith, to resolve the dispute. The parties agree to maintain the confidential nature of all disputes and disagreements between them, including, but not limited to, informal negotiations, mediation or arbitration, except as may be necessary to prepare for or conduct these dispute resolution procedures or unless otherwise required by law or judicial decision. The procedures in this Section 13.3(a) (Generally) shall not apply to claims subject to indemnification under Section 11 (Indemnification) or prior to a party seeking a provisional remedy related to claims of misuse, misappropriation or ownership of intellectual property, trade secrets or Confidential Information. Where the Customer is the U.S. Government, and the parties fail to reach agreement on any request for equitable adjustment, claim, appeal, or action arising under or relating to this Agreement, the dispute shall be in accordance with applicable law and will not be subject to the binding arbitration terms set forth in Section 13.3(b) (U.S. Customer) below.

(b) U.S. Customer. Without limiting Section 13.3(a) (Generally) above, if Customer is, or at any time during the term of this Agreement becomes, party to an Order Form having a "ship-to" address located in the United States, then: EACH PARTY (I) EXPRESSLY AND IRREVOCABLY AGREES THAT, EXCEPT AS EXPLICITLY PROVIDED HEREIN, ANY DISPUTES OR CLAIMS ARISING HEREUNDER OR RELATING TO THE SNOWFLAKE OFFERINGS INCLUDING WITHOUT LIMITATION PAYMENT DISPUTES OR DISPUTES UNDER SECTION 11 (INDEMNIFICATION) ABOVE (COLLECTIVELY, "DISPUTES") WILL BE DETERMINED SOLELY AND EXCLUSIVELY IN BINDING, INDIVIDUAL ARBITRATION PURSUANT TO THE U.S. FEDERAL ARBITRATION ACT AND FEDERAL ARBITRATION LAW

AND NOT IN A CLASS, REPRESENTATIVE, OR CONSOLIDATED ACTION OR PROCEEDING (EXCEPT THAT EITHER PARTY MAY ELECT TO PROCEED IN SMALL CLAIMS COURT IF THE DISPUTE QUALIFIES), AND (II) WAIVES THE RIGHT TO A TRIAL BY JURY. Either party may commence an arbitration proceeding by filing a demand for arbitration with the Judicial Arbitration and Mediation Services (“JAMS”). Arbitration of Disputes for total damages: (1) of \$250,000 or less will be conducted under the then-applicable JAMS “Streamlined Arbitration Rules & Procedures”; and (2) exceeding \$250,000, will be conducted by the then-applicable JAMS “Comprehensive Arbitration Rules & Procedures,” located at <https://www.jamsadr.com/>. Arbitration hearings will be conducted in the JAMS office nearest Customer’s United States mailing address set forth in the Order Form if initiated and selected by Customer, otherwise in San Francisco County, California, U.S.A. The arbitrator(s) shall have the exclusive authority to decide all issues relating to the interpretation, applicability, enforceability, formation, existence, validity, and scope of the parties’ agreement to arbitrate. Payment of all arbitration filing, administrative, and arbitrator fees will be governed by applicable JAMS rules. The award rendered by the arbitrator(s) will be final and binding, and judgment may be entered upon it and enforced under applicable law in accordance with Section 13.4 of this Agreement. If the class action waiver in Section 13.3(b)(I) is found to be unenforceable, then the entirety of this Section 13.3(b) shall be null and void. Notwithstanding the foregoing, the parties expressly and irrevocably agree that a party may seek injunctive or other equitable relief in court in accordance with Section 13.4 below to enjoin misuse, misappropriation or ownership of intellectual property, trade secrets or Confidential Information.

13.4. Governing Law; Jurisdiction and Venue. This Agreement will be governed by the laws of the State of Delaware, U.S.A. without regard to the conflict of laws. Except with respect to any claims subject to arbitration in accordance with Section 13.3(b) (U.S. Customer), the exclusive jurisdiction and venue for any actions will be the state and federal courts located in New Castle County, Delaware, U.S.A. and Snowflake and Customer each expressly and irrevocably consent to, and waive any objection to, jurisdiction and venue in such courts.

13.5. Authorized Snowflake Affiliate.
