

ENTERPRISE INFRASTRUCTURE PARTNERS TERMS OF SERVICE

Welcome to Enterprise Infrastructure Partners. Please carefully review these **"Terms of Service"** (or **"Terms"**) as they contain important information about your legal rights, remedies and obligations. When these Terms of Service mention "Enterprise Infrastructure Partners," "EIP," "we," "us" or "our," it refers to Enterprise Infrastructure Partners LLC including its subsidiaries and affiliates, if any.

These Terms of Service constitute a legally binding agreement between you and EIP governing your access to and use of our end-to-end cloud-based technology solution that provides access to the "EIP Assured Data Connector," the "EIP Verified Data Connector" and any related **"EIP Materials"** (as defined below) (collectively, **"SaaS Services"**). These Terms also govern our provision of certain technical support services and any other services related to the SaaS Services (collectively, with the SaaS Services, the **"Services"**).

When these Terms mention "you" or "your," it refers to you as a **"Customer"** of the Services, in the capacity of an individual **"End User"** or a company customer (**"Organization,"**).

When these Terms mention **"Organization,"** it means the inclusion of such Organization's **"Representatives"** which means the Organization and its officers, directors, **"Personnel"** (which means such party's employees, independent contractors, consultants, subcontractors, vendors, suppliers, agents and any other authorized representatives), legal advisors and any other authorized consultants, advisors or representatives. For the avoidance of doubt, an Organization's affiliates and their Representatives are separately governed by the Terms since all such affiliates and their Representatives are not parties authorized to use the Accounts of the subject Organization or its Representatives.

Your access to and use of the Services are also governed by the following, each of which is incorporated by reference into and made a part of these Terms: (i) the terms set forth in a **"Purchase Order"** (as defined below), (ii) any additional terms from third-party providers described below or applicable to certain programs or services in which you may elect to participate (**"Additional Terms"**), and (iii) any other policies and procedures applicable to your use of the SaaS Services that we make available.

Further, any information we collect through your use of the Services, whether as an Organization or End User, is subject to our **"Privacy Policy,"** which can be requested at info@entisp.com, and also governs your use of the Services. The Privacy Policy, together with these Terms are collectively referred to as the **"Agreement."**

All references to **"Party"** or **"Parties"** means you or us or both you and us. All capitalized terms not defined in these Terms are defined in our Privacy Policy.

IF YOU DO NOT AGREE WITH ALL OF THESE TERMS, DO NOT ACCESS AND/OR USE THESE SERVICES.

15.3 **You acknowledge and agree that ALL of Customer access to Customer Data or Customer Property and any related information and analyses will terminate immediately upon the expiration of the Term or termination of your Account, whichever earlier, as permitted under this Agreement.**

15.4 Survival. Even after your rights under these Terms are terminated, the following provisions of these Terms will remain in effect (e.g., survive the termination of the Terms): Sections 8 and 17 through 27, and any other right or obligation of the Parties in this Agreement that, by its nature, sense and context are intended or should survive termination or expiration of this Agreement.

16. COPYRIGHT AND OTHER INTELLECTUAL PROPERTY INFRINGEMENT CLAIMS

16.1 We take the protection of Intellectual Property seriously. We respect the rights of others' content and Intellectual Property, and we expect our End Users to do the same. You agree not to copy, distribute, display or otherwise reproduce any of the Services or any information available through the Services without obtaining our prior written permission in each such instance. We reserve the right (in our sole discretion) to terminate and/or disable the Accounts of any Customer or related End Users for materially or repeatedly infringing the intellectual property rights of ours, our suppliers and any other third parties in accordance with all applicable Laws.

Claims of copyright or other intellectual property infringement can be sent to our copyright agent at info@entisp.com.

16.2 Any claims of alleged copyright or other intellectual property infringement must include:

- Identification of the intellectual property works which are the subject of the claimed infringement.
- Identification of the claimed infringing activity, including the location within the applicable Services of the infringing copy.
- A statement with the signature of the person making the claim, which states that he/she is the owner, or authorized to act on behalf of the owner, of the infringed intellectual property, along with current contact information, which should include a mailing address, telephone number, and email address.
- A statement of a good faith belief that the subject use is not authorized by the intellectual property owner.
- A statement as follows: "I hereby state that the information in this Notice is accurate and, under penalty of perjury, that I am the owner, or authorized to act on behalf of the owner, of the intellectual property that is allegedly infringed."

16.3 If a statement does not include all required elements, it will **not** be treated as actual notice under the U.S. Digital Millennium Copyright Act (17 U.S.C. §512), or other applicable U.S. intellectual property law.

16.4 Although U.S. law does not provide for a similar procedure for trademark infringement, we recommend that you send us similar information as described above regarding any allegation of trademark infringement, and we will address it as soon as practicable.

16.5 In the event we receive a claim, which substantially complies with the complaint requirements detailed above, we may (in our sole discretion) decide to remove the alleged infringing material from our Services and if we do so, we will then notify you (with the contact information you provide us) that the material has been removed. If you are the recipient of a removal notice from us, you may provide us with a counter notice if you believe the claim is in error. If you are the subject of multiple claims of infringement, we may, in our sole discretion, terminate your Account without any notice to you.

17. **CONFIDENTIALITY**

17.1 **Confidential Information.** Each Party (as the "**Disclosing Party**") may disclose or make available Confidential Information to the other Party (as the "**Receiving Party**"). "**Confidential Information**" means non-public information in any form or medium (whether oral, written, electronic or other) that could reasonably be considered to be confidential or proprietary, including, but not limited to, confidential knowledge, inventions, works, ideas, processes, formulas, source and object codes, data, programs, works of authorship, know-how, improvements, discoveries, developments, designs and techniques, information consisting of or relating to the Disclosing Party's technology, Trade Secrets, know-how, business operations, plans, strategies, customers, vendors, licensors, pricing, and information with respect to which the Disclosing Party has contractual or other confidentiality obligations, in each case whether or not marked, designated or otherwise identified as "confidential," and including information disclosed before the execution of this Agreement. Without limiting the foregoing, all EIP Materials are the Confidential Information of EIP and the financial terms and existence of this Agreement are the Confidential Information of the Parties. Customer shall not disclose EIP Materials to any third party without EIP's prior written approval.

17.2 **Confidentiality Obligations.** Each Party shall protect the Disclosing Party's Confidential Information, using the same degree of care as it uses to protect its own confidential information, but no less than a reasonable degree of care. Each Party shall use a similar degree of care to ensure that Confidential Information is not disclosed or distributed by its Personnel or any other Representatives in violation of this Agreement. Neither Party will sell, transfer, publish, disclose, or otherwise make available any portion of the Confidential Information of the other Party to third parties, except as necessary to perform its obligations under this Agreement or as expressly authorized in this Agreement. Each Receiving Party shall disclose Confidential Information only to its Personnel or any other Representative who: (i) need to know such Confidential Information for purposes of the Receiving Party's exercise of its rights or performance of its obligations under this Agreement; (ii) have been informed of the confidential nature of the Confidential Information and the Receiving Party's obligations under this Section 17; and (iii) are bound by confidentiality and restricted use obligations at least as protective of the Confidential Information as the terms set forth in this Section 17. Each Party shall cause its Representatives to comply with and be responsible for any of its Representatives' non-compliance with the terms of this Section 17. The Parties agree to hold each other's Confidential Information in confidence during the Term of this Agreement and thereafter.

17.3 **Non-Confidential Information.** Notwithstanding the above, Confidential Information of a Party will not include information which: (a) is, as of the time of its disclosure or thereafter becomes part of the public domain through no breach of this Agreement by the Receiving Party; (b) was rightfully known to the Receiving Party as of the time of its disclosure; (c) is independently developed by the Receiving Party; (d) is subsequently learned from a third party not known to the Receiving Party that the third party is under a confidentiality obligation to the Disclosing Party; or (e) is required to be disclosed pursuant to a duly authorized subpoena, court order, or government authority, whereupon the Receiving Party will provide prompt written notice to the Disclosing Party so that prior to such disclosure, the Disclosing Party may seek a protective order or other appropriate remedy, with Receiving Party's reasonable efforts to help preserve the confidence of such Confidential Information as much as reasonably possible.

- 17.4 Duty to Notify and Mitigate. The Receiving Party shall promptly notify the Disclosing Party of any unauthorized use or disclosure of the Disclosing Party's Confidential Information, whether known or suspected, and shall use all reasonable efforts to mitigate any harm that may be caused by such unauthorized use or disclosure and reasonably cooperate with the Disclosing Party in any efforts by the Disclosing Party to mitigate any harm that may be caused by such unauthorized use or disclosure.

18. **INDEMNIFICATION**

- 18.1 Indemnification. Each Party (as "**Indemnitor**") agrees to indemnify, defend and hold harmless the other Party and its Representatives (collectively, as "**Indemnitee**") from any claims, disputes, demands, liabilities, damages, losses and costs and expenses (including without limitation reasonable attorney' fees and costs) or demand ("**Claims**") made by third parties and any losses, costs and expenses ("**Losses**") incurred by Indemnitee to the extent caused by, resulting from or arising out of or in connection with: (a) Indemnitor's breach of its obligations under the Agreement; (b) Indemnitor's violation of applicable Law in connection with its performance of the Agreement; (c) Indemnitor's gross negligence, willful misconduct, fraud or fraudulent misrepresentations related to its performance of the Agreement; (d) the actions or inactions of Indemnitor's Representatives related to subsections (a) through (c) in this Section 18.1; or (d) an allegation that Indemnitee's use of some or all of Indemnitor's property (EIP Property for EIP as Indemnitor and Customer Property for Customer as Indemnitor), in accordance with the terms of the Agreement, constitutes an infringement, misappropriation or unlawful use or disclosure of any intellectual property or Personal Information, or other privacy or proprietary rights of a third party.

- 18.2 Indemnification Procedure. Each Party's obligations as the Indemnitor are conditioned upon the Indemnitee completing the following: (a) giving Indemnitor prompt written notice of any claim, action, suit or proceeding for which the Indemnitee is seeking indemnity; (b) granting complete control of the defense and settlement to the Indemnitor; and (c) reasonably cooperating with the Indemnitor at Indemnitor's expense. Notwithstanding anything to the contrary in this Section 18.2, any negotiations relative to the settlement of any such claim intended to bind the Indemnitee shall not be final without the Indemnitee's prior written consent, which shall not be unreasonably withheld or delayed. Indemnitee may participate in or observe the proceedings at its own cost and expense with counsel of its own choosing. The Indemnitee's failure to promptly notify the Indemnitor as to the existence of an indemnifiable Claim will not relieve the Indemnitor's indemnification obligations under this Agreement, except to the extent that such failure or delay is prejudicial.

- 18.3 Mitigation. If any of the EIP Property are, or in EIP's opinion are likely to be, claimed to infringe, misappropriate or otherwise violate any third party's Intellectual Property Rights, or if Customer's use of the EIP Property is enjoined or threatened to be enjoined by a court of competent jurisdiction, EIP may, in its sole discretion and its sole cost and expense: (a) obtain the right for Customer to continue to use the EIP Property materially as contemplated by this Agreement; (b) modify or replace the EIP Property, in whole or in part, to seek to make the EIP Property (as so modified or replaced) non-infringing, while providing materially equivalent features and functionality, in which case such modifications or replacements will constitute EIP Property, as applicable, under this Agreement; or (c) by providing thirty (30) day's prior written notice to Customer, terminate this Agreement with respect to all or part of the EIP Property, and require Customer to immediately cease any use of the affected Services or any specified part or feature thereof. Accordingly, Customer will be entitled to a refund of any pre-paid Fees or Expenses attributable to the period of time after such termination.

- 18.4 Notwithstanding anything to the contrary in Sections 18.1 and 18.2, neither Party as Indemnitor shall be obligated to indemnify the Indemnitee as required if any Claim or Loss arises out of or relates to: (a) the negligent or culpable acts or omissions of Indemnitee; (b) any breach of this Agreement by Indemnitee to the extent such breach caused or created the Claim or Loss.

19. **REPRESENTATIONS AND WARRANTIES**

Each Party represents and warrants that: (a) it has all necessary authority to enter into and perform its obligations hereunder without the consent of any third party or breach of any contract or agreement with any third party; (b) this Agreement, when executed and delivered, will be a legal, valid and binding obligation of such Party enforceable in accordance with the terms of this Agreement; (c) it will comply in all material respects with applicable Law related to its duties and obligations under this Agreement; (d) it will obtain all applicable permits and licenses required of it in connection with its obligations under this Agreement; and (e) other than as specified in this Agreement, it will not make any representation, warranty, or other legally binding commitments on behalf of the other Party or any of its third party providers.

20. **DISCLAIMERS**

- 20.1 THE SERVICES ARE PROVIDED ON AN "AS-IS" AND "AS AVAILABLE" BASIS, AND WE (AND OUR SUPPLIERS) EXPRESSLY DISCLAIM ANY AND ALL WARRANTIES AND CONDITIONS OF ANY KIND, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ALL WARRANTIES OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, QUIET ENJOYMENT, ACCURACY, OR NON-INFRINGEMENT. WE (AND OUR SUPPLIERS) MAKE NO WARRANTY THAT THE SERVICES WILL MEET YOUR REQUIREMENTS, WILL BE AVAILABLE ON AN UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE BASIS, OR WILL BE ACCURATE, RELIABLE, FREE OF VIRUSES OR OTHER HARMFUL CODE, COMPLETE, LEGAL, OR SAFE. IF APPLICABLE LAW REQUIRES ANY WARRANTIES WITH RESPECT TO THE SERVICES, ALL SUCH WARRANTIES ARE LIMITED IN DURATION TO NINETY (90) DAYS FROM THE DATE OF FIRST USE; OTHERWISE, THERE IS NO SUCH WARRANTY AVAILABLE.

20.2 SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU. SOME JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

20.3 WE DO NOT ENDORSE ANY SPECIFIC PRODUCTS, PROGRAMS, PROCEDURES, OPINIONS OR OTHER INFORMATION THAT MAY BE MENTIONED OR DESCRIBED THROUGH OUR SERVICES. IF YOU RELY ON ANY CONTENT OBTAINED BY YOU THROUGH THE SERVICES, YOU DO SO SOLELY AT YOUR OWN RISK. EIP ASSUMES NO RESPONSIBILITY FOR ANY ACT, OMISSION, ACTIVITY, PRODUCT OR SERVICE THROUGH INDIVIDUALS OR PROGRAMS PROVIDED THROUGH THE SERVICES.

21. **LIMITATION OF LIABILITY**

21.1 TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT SHALL EIP BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY LOST PROFITS, LOST DATA, COSTS OF PROCUREMENT OF SUBSTITUTE PRODUCTS, OR ANY INDIRECT, CONSEQUENTIAL, EXEMPLARY, INCIDENTAL, SPECIAL OR PUNITIVE DAMAGES ARISING FROM OR RELATING TO THESE TERMS OR YOUR USE OF, OR INABILITY TO USE, THE SERVICES, EVEN IF EITHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. ACCESS TO AND USE OF THE SERVICES IS AT YOUR OWN DISCRETION AND RISK, AND YOU WILL BE SOLELY RESPONSIBLE FOR ANY DAMAGE TO YOUR DEVICE OR COMPUTER SYSTEM, OR LOSS OF DATA RESULTING THEREFROM.

21.2 TO THE MAXIMUM EXTENT PERMITTED BY LAW, NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, OUR TOTAL, AGGREGATE LIABILITY FOR THE ENTIRE TERM OF THE AGREEMENT (INCLUDING FREE TRIAL, MONTHLY, YEARLY SUBSCRIPTIONS AND ANY RENEWALS) TO YOU FOR ANY DAMAGES ARISING FROM OR RELATED TO THESE TERMS (FOR ANY CAUSE WHATSOEVER AND REGARDLESS OF THE FORM OF THE ACTION), WILL AT ALL TIMES BE LIMITED TO THE AMOUNTS YOU HAVE PAID TO EIP, IN THE IMMEDIATELY PRECEDING SIX-MONTH PERIOD PRIOR TO THE CLAIM, FOR USE OF THE SERVICES, PROVIDED YOU DO NOT HAVE ANY THEN-EXISTING PAYMENT OBLIGATIONS TO EIP. THE EXISTENCE OF MORE THAN ONE CLAIM WILL NOT ENLARGE THIS LIMIT.

21.3 YOU AGREE THAT OUR SUPPLIERS WILL HAVE NO LIABILITY OF ANY KIND ARISING FROM OR RELATING TO THIS SECTION 21 AND ANY OTHER RELEVANT TERMS IN THIS AGREEMENT.

21.4 SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

21.5 THE EXCLUSIONS AND LIMITATIONS OF DAMAGES SET FORTH IN THESE TERMS ARE FUNDAMENTAL ELEMENTS OF THE BASIS OF THE BARGAIN BETWEEN EIP AND YOU.

22. **CALIFORNIA RESIDENT WAIVER**

IF YOU ARE A CALIFORNIA RESIDENT, YOU HEREBY WAIVE CALIFORNIA CIVIL CODE SECTION 1542 IN CONNECTION WITH THE FOREGOING, WHICH STATES: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR." YOU HEREBY WAIVE ANY SIMILAR PROVISION IN LAW, REGULATION, OR CODE THAT HAS THE SAME INTENT OR EFFECT AS THE AFOREMENTIONED RELEASE.

23. **FORCE MAJEURE**

You agree that we are not responsible to you for anything that we may otherwise be responsible for, if it is the result of events beyond our control, including, but not limited to, acts of God, war, insurrection, riots, terrorism, crime, pandemics, epidemics, labor shortages (including lawful and unlawful strikes), embargoes, postal disruption, communication disruption, failure or shortage of infrastructure, shortage of materials, or any other event beyond our control (collectively, "**Force Majeure**"). We reserve the right (in our sole discretion) to terminate any or all Services to any Organization or End Users due to any Force Majeure event.

24. **INFORMAL DISPUTE PROCEDURE**

Prior to formally filing any claim against EIP or any of its Representatives ("**Dispute**"), Customer shall use good faith efforts to attempt to resolve such Dispute informally by submitting to EIP a written notice of the Dispute describing the nature and basis of the Dispute and the requested relief ("**Dispute Notice**"). Upon receiving such Dispute Notice, EIP will use good faith efforts to resolve the Dispute informally by contacting Customer within thirty (30) days of such receipt. If a Dispute is not resolved within ninety (90) days after the date of EIP's first contact with Customer, then either Party may bring a formal proceeding through the arbitration procedures as described in Section 25 below.

25. **MISCELLANEOUS TERMS**

25.1 Order of Precedence. In the event that the terms of the Privacy Policy, Additional Terms, and any other EIP Materials conflict with those terms in these Terms of Use, the order of precedence (with respect to the subject matter in conflict) will, unless otherwise expressly stated in these Terms only, be as follows: (a) Terms of Use, (b) Privacy Policy, (c) Additional Terms, and (d) any other EIP Materials.

- 25.2 Publicity. EIP may publicize that the Customer, as an organization, is a customer by including such Customer's name, trademarks or logos in EIP's marketing and promotional materials, including the website(s), mobile application(s) and other digital properties. For any press releases or other public announcements related to this Agreement, EIP will obtain Customer's prior written consent, which shall not be unreasonably withheld or delayed. EIP's use of Customer's trademarks, names, logos, as permitted in this Section must be in accordance with Customer's established guidelines, if any are provided by Customer.
- 25.3 Assignment. Either Party may, upon written notice to the other Party, assign this Agreement in its entirety, without consent of the other Party, in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of the assigning Party's assets. Any other purported assignment shall be void and constitute a material breach of this Agreement. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the parties, their respective successors and permitted assigns.
- 25.4 Independent Contractors. The relationship between the Parties is that of independent contractors. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture or other form of joint enterprise, employment or fiduciary relationship between the Parties, and neither Party shall have authority to contract for or bind the other Party in any manner whatsoever.
- 25.5 Equitable Relief. Customer acknowledges and agrees that its obligations regarding non-competition, non-solicitation, Confidential Information and any intellectual property rights hereunder have a unique, very substantial and immeasurable value to EIP, and breach of such obligations would cause irreparable harm and unascertainable damages to EIP; entitling EIP to injunctive relief and any other available remedies, including reasonable attorneys' fees and costs, without posting a bond or security or proving any actual damages, and in addition to any monetary relief as may be recoverable by law.
- 25.6 Waiver of Class or Consolidated Actions. ALL CLAIMS AND DISPUTES WITHIN THE SCOPE OF THIS AGREEMENT MUST BE LITIGATED (AS PERMITTED IN THIS AGREEMENT) ON AN INDIVIDUAL PERSON OR ORGANIZATION BASIS AND NOT ON A CLASS BASIS, AND CLAIMS OF MORE THAN ONE CUSTOMER, END USER (WHETHER AN INDIVIDUAL OR AN ORGANIZATION) CANNOT BE LITIGATED JOINTLY OR CONSOLIDATED WITH THOSE OF ANY OTHER CUSTOMER, END USER (WHETHER AN INDIVIDUAL OR ORGANIZATION).
- 25.7 Governing Law and Jurisdiction. The validity, construction and interpretation of the Agreement will be governed by the laws of the State of California, excluding its conflict of laws provisions, and will specifically not be governed by the United Nations Conventions on Contracts for the International Sale of Goods, if otherwise applicable. Except for either Party seeking equitable relief under Section 25.5 in any court having jurisdiction, the Parties irrevocably consent to the jurisdiction and venue of the federal and state courts located in the City of Coronado and in San Diego County, California for the interpretation of and resolution of all disputes, initiated by either of the Parties or any other party, under this Agreement.
- 25.8 Time Limit. Notwithstanding any to the contrary in this Agreement, except for those subject to Section 25.5 (Equitable Relief), any claim or cause of action arising out of or related to Customer's use of the Services must be filed within one (1) year after such claim or cause of action arose, or else such claim or cause of action will be barred forever.
- 25.9 Waiver of Jury Trial. When applicable under this Agreement, the Parties irrevocably waive any and all rights to trial by jury in any legal proceeding arising out of or relating to this Agreement. Further, in the event any litigation should arise between the Parties in any state or federal court in a suit to vacate or enforce an arbitration award or otherwise, both Parties and their Representatives waive all rights to a trial by jury, instead electing that the dispute be resolved by a judge.
- 25.10 Attorneys' Fees. The prevailing Party in any action related to the interpretation, performance or breach of any provision of this Agreement will be entitled to seek to be reimbursed for any and all reasonable attorneys' fees, costs and expenses incurred in pursuing such remedy hereunder.
- 25.11 Notice Requirements. Except as otherwise specified in this Agreement including Section 26, all notices pertaining to any action related to the interpretation, disputed performance or breach of any provision of this Agreement must be in writing and must be sent via email and also delivered or sent by: (i) first class mail, registered or certified, return receipt requested, postage pre-paid; or (ii) express mail, or national express courier with a tracking system, to the addresses for each Party specified in this Agreement. All notices required under this Agreement will be deemed given on the day actually received by the Party to whom the notice is addressed, except receipt of emails will be deemed given based on the date that is automatically included in the email, provided such a day is a business day; otherwise, on the next business day after the email is sent. Notwithstanding anything to the contrary in this Section 25.11, we may but are not required to send to Customer any notices as described in subsections (i) and (ii) so long as we send such notices via email in accordance with this Section 25.11. For clarification, Customer must send to EIP any notices subject to this Section 25.11 in accordance with all the terms in this Section 25.11.
- 25.12 Interpretation. For purposes of this Agreement: (a) the words "include," "includes" and "including" are deemed to be followed by the words "without limitation"; (b) the word "or" is not exclusive; and (c) the words "herein," "hereof," "hereby," "hereto" and "hereunder" refer to this Agreement as a whole.
- 25.13 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid, illegal or unenforceable in any jurisdiction, such provision shall be deleted and the remainder thereof shall remain in full force and effect. Upon such determination the Parties shall negotiate in good faith to substitute (to the greatest extent possible) the invalid or voidable provision with a valid provision most closely approximating the economic effect and intent of the invalid provision that was originally contemplated by the Parties.
- 25.14 Entire Agreement, Etc. This Agreement embodies the entire agreement and understanding of the Parties and supersedes all prior or contemporaneous written or oral communications or agreements between the Parties regarding this

Agreement. No amendments or additions to this Agreement will be binding unless in writing and signed by both Parties. Unless expressly provided in this Agreement, no remedy specified herein is intended to be exclusive of any other remedy, and each and every remedy will be cumulative and in addition to every other right or remedy provided herein or available at law or in equity. No delay or omission by either Party to exercise any right or power it has (in whole or in part) under this Agreement will be construed as a waiver of such right or power. A waiver by either Party of any breach by the other Party will not be construed to be a waiver of any succeeding breach or any other covenant by the other Party. All waivers must be in writing and signed by the Party waiving its rights. This Agreement is for the sole benefit of the Parties under this Agreement and such Parties' successors and permitted assigns, and nothing herein express or implied shall give or be construed to give any person or entity other than such Parties any legal or equitable rights hereunder.

26. **EIP ELECTRONIC COMMUNICATIONS TO YOU**

The communications between you and EIP use electronic means, whether you use the Services or send us emails, or whether we post notices on the Services or communicate with you via email. For contractual purposes, you (a) consent to receive communications from us in an electronic form; and (b) agree that all terms and conditions, agreements, notices, disclosures, and other communications that we provide to you electronically satisfy any legal requirement that such communications would satisfy if it were in a hardcopy writing. The foregoing does not affect your non-waivable rights.
