The term “EU Data Protection Legislation” means the: (i) Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and, as of 25 May 2018, the then applicable General Data Protection Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (“GDPR”); and (ii) to the extent applicable to the Software and Maintenance, any other EU or EU Member State data protection laws with respect to the processing of Personal Data under this License Agreement.

Use Level is based on the license use meter and model (which may include operating system, hardware system, application or machine tier limitations, if applicable) by which Symantec measures and licenses the right to use the Software and Maintenance. The applicable use meter and model options are defined in each Product Use Rights Supplement.

2. TERM; TERMINATION. The term of the software licenses granted under this Agreement shall be either perpetual or term-limited ("Subscription License") as indicated on the Order Confirmation.

Maintenance/Support is only for the term indicated on the Order Confirmation. Under a Subscription License Your rights to use such Software and any access to Maintenance/Support shall end on the date indicated on the applicable Order Confirmation and You shall cease use of the Software and access to Maintenance/Support at the end of that term. However, this License Agreement and access to Maintenance/Support shall terminate immediately without notice upon Your breach of any material term of this License Agreement. Upon any expiration or termination, You shall immediately stop using and destroy all copies of the Software.

3. OWNERSHIP/TITLE. Symantec Corporation and/or its licensors retain any and all rights, title and interest in and to the Software and any related copies, including all related intellectual property rights. Symantec Limited is an authorized licensee of Symantec Corporation and/or its licensors. Your rights to the Software shall be limited to those expressly granted in this Agreement. All rights not expressly granted to You are retained by Symantec Corporation and/or its licensors.

4. THIRD PARTY PROGRAMS. The Software may contain third party software programs that are made available under certain open source or free software licenses ("Third Party Programs"). This License Agreement does not alter any rights or obligations You may have under the applicable open source or free software licenses. Notwithstanding anything to the contrary contained in such licenses, the disclaimer of warranties and the limitation of liability provisions in this License Agreement shall apply to such Third Party Programs. Inquiries regarding open source programs in the Software, including source code requests pursuant to the applicable open source licenses, must be directed to opensource@symantec.com. Additionally, as a convenience to You, You may, from time to time, receive a copy of, or access to, stand-alone third party products (with which Software may be specially designed to interoperate) or Web sites under other proprietary commercial licenses that are not available for licensing from Symantec ("Commercial Third Party Applications"), and which must be licensed by You directly from the applicable vendor of that Commercial Third Party Application or used in accordance with their posted terms of use. This License Agreement does not create any right for You to use or access the Commercial Third Party Applications. SYMANTEC MAKES NO WARRANTIES AND ASSUMES NO LIABILITY WITH RESPECT TO ANY THIRD PARTY PROGRAMS OR COMMERCIAL THIRD PARTY APPLICATIONS.

5. LICENSE GRANT. Subject to Your compliance with this License Agreement, Symantec grants to You the following rights: (i) a non-exclusive, non-transferable, non-sublicensable, revocable, limited right to use the Software solely in support of Your internal business operations and solely at the Use Level; and (ii) the right to make a single uninstalled copy of the Software for archival purposes which You may use and install for disaster-recovery purposes (i.e., where the primary installation of the Software becomes unavailable for use). Certain Software may require registration in order to activate the Software. If You

fail to complete the registration requirements, the Software features may become inoperable and You may be unable to use such features until You have completed registration. You may exercise Your rights through third-party contractors to deliver services to You, provided such parties are under written obligation to comply with this License Agreement, and You assume full responsibility for their actions in connection with such use.

6. PRODUCT USE RIGHTS SUPPLEMENT. The Software may be subject to supplemental terms that define the Product Use Rights, which may be found at or accessed through <https://www.symantec.com/about/legal/repository>, or successor URL (the "PUR Supplement"). The PUR Supplement forms an integral part of this License Agreement and is incorporated by reference. If the applicable version of the Software is not specifically listed on or through the above website, the PUR Supplement for the most recent prior version applies.

7. LICENSE RESTRICTIONS. You may not, either directly or indirectly, do any of the following: (i) Use, reproduce, publish, distribute, modify, rent, lease, sublease, sublicense, assign or transfer the Software except as expressly provided in this Agreement; (ii) Create any modifications or derivative works of the Software; (iii) Reverse-engineer, disassemble, or attempt to derive the source code of the Software; (iv) Decompile the Software except and only to the extent described below; (v) Modify, block, circumvent, or interfere with any authentication, license key, or security measures in the Software; (vi) Use the Software on behalf of a third party such as for a service bureau, facility management, timeshare, or service provider; or (vii) Use a later version of the Software other than the version governed by this Agreement unless You have separately acquired the right to use such later version and received an Order Confirmation. If, the Software is embedded, incorporated, or loaded onto a hardware appliance when delivered or made available for download to a designated hardware appliance, then the license is restricted to use solely on that appliance. As an exception to the restrictions in Section 7 (iv) above, You may decompile the Software only when expressly permitted by law and when essential to achieve interoperability of the Software with another software program, provided You have first asked Symantec to provide the information necessary to achieve such interoperability and Symantec has not reasonably made such information available. You may not disclose to a third party any information supplied by Symantec or obtained by You as a result of decompilation or use any such information to create software that is substantially similar to the Software. Requests for such information should be directed to customercare@symantec.com.

8. CRITICAL APPLICATIONS. The Software is not fault tolerant and use of the Software is prohibited for on-line control equipment in hazardous environments requiring fail-safe performance, such as the operation of aircraft navigation or aircraft communications systems, air traffic control, life-support systems, human implantation, nuclear facilities or systems, weapons systems, or any other application where failure of the Software could lead to death, personal injury, or severe physical or environmental damage.

9. MAINTENANCE RIGHTS AND RESTRICTIONS. Symantec has no obligation under this License Agreement to offer a Maintenance option for the Software.

9.1. Maintenance and Renewals. Any Maintenance purchased for the Software is subject to then-current published Maintenance and renewal policies, including end-of-life notifications. Maintenance is made available only for the specific Software, for the Use Level, and Maintenance term stated in the applicable Order Confirmation. You must acquire the same Maintenance option for the aggregate Use Level of the corresponding Software title. Maintenance purchased for a certain Software title, may not be used for a different Software title. Maintenance must be continuous and renewed before the end of the current term, otherwise, to acquire current Maintenance, You will be required to pay the applicable fees from the end of the most recent valid term to the start date of the new term and You may be subject to additional costs in accordance with Symantec's policies, such as administrative and reinstatement costs. Maintenance must be purchased and renewed for the aggregate Use Level for the Software as indicated in all applicable Order Confirmations. You must submit to Symantec Customer Care, in writing, any request for a reduction in any Maintenance renewal quantity. You may be permitted, in Symantec's or its affiliates sole discretion, to order Maintenance or renewal Maintenance at a quantity less than the aggregate Use Level for the Software. To renew Maintenance for any Software for which the aggregate renewal requirement was previously waived, You may be required to pay Maintenance fees to cover the waived period before You may purchase current Maintenance. Any use of Maintenance without a valid Order Confirmation is deemed a breach of this License Agreement.

9.2. Content Update Rights and Restrictions. If Content Updates are included in Your current Maintenance, You are granted the right to receive and use such Content Updates as and when they are made generally available, for the Maintenance term, and only for the Use Level, indicated on the applicable Order Confirmations. Content Updates shall also be subject to any accompanying terms and conditions, and in any absence of or conflict with such terms, Content Updates are subject to this License Agreement. This License Agreement does not otherwise give You the right to obtain or use Content Updates, and any unauthorized access to or use of Content Updates is deemed a breach of this License Agreement.

9.3. Product Updates/Upgrades Rights and Restrictions. Product Updates/Upgrades to the Software may only be obtained for the Use Level indicated in the applicable Order Confirmations. Any Product Updates/Upgrades to an existing license do not modify or alter Your Use Level and are provided under Symantec's then-current applicable policies. If You are permitted to transfer your licenses to a different Software title, then You may receive a new Order Confirmation on the condition that You cease using the replaced Software prior to use of such replacement Software. Product Updates/Upgrades shall be subject to accompanying terms and conditions, otherwise the Product Updates/Upgrades are subject to this License Agreement.

9.4. Technical Support. If acquired, Technical Support will be performed in accordance with the published terms and conditions and technical support policies published at https://support.symantec.com/en_US/terms/support-fundamentals.html, or successor URL.

10. LIMITED WARRANTY.

10.1. SOFTWARE PERFORMANCE WARRANTY. Subject to Your compliance with the terms of this License Agreement, Symantec warrants that the Software, as delivered by Symantec or its affiliates, and when used in accordance with the Documentation, will substantially conform to the Documentation for a period of ninety (90) days from delivery. If the Software does not comply with this warranty and such non-compliance is reported in writing by You to Symantec within the ninety (90) day warranty period, Symantec will arrange for one of the following remedies, selected at Symantec's sole reasonable discretion: (i) repair the Software, (ii) replace the Software with software of substantially the same functionality, or (iii) terminate this License Agreement and refund the relevant license fees paid for such non-compliant Software. The above warranty specifically excludes defects resulting from accident, abuse, unauthorized repair, modifications or enhancements, or misapplication. THE FOREGOING IS YOUR SOLE AND EXCLUSIVE REMEDY FOR SYMANTEC'S BREACH OF THIS WARRANTY.

11. WARRANTY DISCLAIMERS. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE WARRANTIES SET FORTH ABOVE ARE YOUR EXCLUSIVE WARRANTIES AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, AND NONINFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS. SYMANTEC MAKES NO WARRANTIES OR REPRESENTATIONS THAT THE SOFTWARE, CONTENT UPDATES, UPDATES OR UPGRADES WILL MEET YOUR REQUIREMENTS OR THAT OPERATION OR USE OF THE SOFTWARE OR MAINTENANCE WILL BE UNINTERRUPTED OR ERROR-FREE. YOU MAY HAVE OTHER WARRANTY RIGHTS, WHICH MAY VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

NOTWITHSTANDING ANY OTHER TERM IN THIS LICENSE AGREEMENT, SYMANTEC MAKES NO REPRESENTATIONS NOR ASSUMES ANY OBLIGATIONS REGARDING, ARISING FROM OR RELATED TO THE LEGALITY OF MONITORING, INSPECTION, DECRYPTION AND/OR RE-ENCRYPTION OF CUSTOMER CONTENT IN ANY PARTICULAR JURISDICTION, AND YOU SHALL BE SOLELY RESPONSIBLE, AND SYMANTEC SHALL HAVE NO RESPONSIBILITY FOR, DETERMINING THAT YOUR PROPOSED OR ACTUAL USE OF THE SOFTWARE COMPLIES WITH APPLICABLE LAWS. YOU ACKNOWLEDGE AND AGREE THAT YOU ARE SOLELY RESPONSIBLE FOR SELECTING CONFIGURATIONS, POLICIES AND PROCEDURES IN THE SOFTWARE THAT ARE CONFIGURABLE INCLUDING, WITHOUT LIMITATION, THE SELECTION OF FILTERED CATEGORIES AND WEB APPLICATION CONTROLS, AND FOR ASSURING THAT THE SELECTION (A) CONFORMS TO YOUR POLICIES AND PROCEDURES AND (B) COMPLIES WITH ALL APPLICABLE LAWS.

12. LIMITATION OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW AND REGARDLESS OF WHETHER ANY REMEDY SET FORTH IN THIS LICENSE AGREEMENT FAILS OF ITS ESSENTIAL PURPOSE, IN NO EVENT WILL SYMANTEC OR ITS LICENSORS, RESELLERS, SUPPLIERS OR AGENTS BE LIABLE TO YOU FOR (i) ANY COSTS OF PROCUREMENT OF SUBSTITUTE OR REPLACEMENT GOODS AND SERVICES, LOSS OF PROFITS, LOSS OF USE, LOSS OF OR CORRUPTION TO DATA, BUSINESS INTERRUPTION, LOSS OF PRODUCTION, LOSS OF REVENUES, LOSS OF CONTRACTS, LOSS OF GOODWILL, OR ANTICIPATED SAVINGS OR WASTED MANAGEMENT AND STAFF TIME; OR (ii) ANY SPECIAL, CONSEQUENTIAL, PUNITIVE, INCIDENTAL OR INDIRECT DAMAGES WHETHER ARISING DIRECTLY OR INDIRECTLY OUT OF THIS LICENSE AGREEMENT, EVEN IF SYMANTEC OR ITS LICENSORS, RESELLERS, SUPPLIERS OR AGENTS HAS BEEN ADVISED SUCH DAMAGES MIGHT OCCUR. IN NO CASE SHALL SYMANTEC'S LIABILITY EXCEED THE FEES YOU PAID FOR THE SOFTWARE GIVING RISE TO THE CLAIM. NOTHING IN THIS LICENSE AGREEMENT SHALL OPERATE SO AS TO EXCLUDE OR LIMIT SYMANTEC'S LIABILITY TO YOU FOR DEATH OR PERSONAL INJURY ARISING OUT OF NEGLIGENCE OR FOR ANY OTHER LIABILITY WHICH CANNOT BE EXCLUDED OR LIMITED BY LAW.

YOU ACKNOWLEDGE AND AGREE THAT SYMANTEC WILL HAVE NO LIABILITY WHATSOEVER FOR ANY CLAIMS, LOSSES, ACTIONS, DAMAGES, LIABILITIES, SUITS, PROCEEDINGS, COSTS, OR EXPENSES, INCLUDING REASONABLE LEGAL EXPENSES OR FEES ARISING OUT OF, RESULTING FROM OR RELATING TO: (A) THE USE OF THE SOFTWARE BY YOU OR BY THIRD PARTIES; (B) SECURITY BREACHES; (C) EAVESDROPPING, INTERCEPTION, FAILURE OF DELIVERY OR LOSS OF DATA SENT, STORED, OR RECEIVED WHILE USING THE SOFTWARE; OR (D) USE OR LOSS OF YOUR SOFTWARE, FIRMWARE, INFORMATION OR MEMORY DATA CONTAINED IN, STORED ON, OR INTEGRATED WITH ANY SOFTWARE RETURNED TO SYMANTEC UNDER THIS LICENSE AGREEMENT. THESE LIMITATIONS SHALL APPLY EVEN IF SYMANTEC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

13. CONFIDENTIAL INFORMATION. "Confidential Information" means, for purposes of this License Agreement, the non-public information provided by a Party ("Discloser") to the other Party ("Recipient") related to the relationship between the Parties, provided that such information is: (a) identified or marked as confidential at the time of disclosure by the Discloser, or (b) if the initial disclosure is not in written or other tangible form, the Confidential Information will be so identified at the time of disclosure and reduced to written or other tangible form, appropriately marked and submitted by the Discloser to the Recipient as soon as reasonably practicable thereafter, but no later than thirty (30) days after disclosure. Confidential Information of Symantec shall include product architecture, product research and development plans, non-public financial data and roadmaps, whether marked as confidential or not. The Recipient may use the Confidential Information that it receives from the Discloser solely for the purpose of performing activities contemplated under this License Agreement. For a period of five (5) years following the applicable date of disclosure of any Confidential Information, the Recipient will not disclose the Confidential Information to any third party. The Recipient will protect it by using the same degree of care, but no less than a reasonable degree of care, to prevent the unauthorized use, dissemination or publication as the Recipient uses to protect its own confidential information of a like nature. The Recipient may disclose the Confidential Information to its affiliates, agents and subcontractors with a need to know in order to fulfill the purpose of this License Agreement, under a nondisclosure agreement at least as protective of the Discloser's rights as this License

Agreement. This Section imposes no obligation upon the Recipient with respect to Confidential Information which: (i) is or becomes public knowledge other than by breach of this License Agreement; (ii) was in the Recipient's possession before receipt from the Discloser and was not subject to a duty of confidentiality; (iii) is rightfully received by the Recipient without any duty of confidentiality; (iv) is disclosed generally to a third party by the Discloser without a duty of confidentiality on the third party; or (v) is independently developed by the Recipient without use of the Confidential Information. The Recipient may disclose the Discloser's Confidential Information as required by law or court order provided: (x) the Recipient promptly notifies the Discloser in writing of the requirement for disclosure, if legally permissible; and (y) discloses only as much of the Confidential Information as is required. Each Party will retain all right, title and interest to such Party's Confidential Information. The Parties acknowledge that a violation by the Recipient of its obligations with respect to Confidential Information may cause irreparable harm to the Discloser for which a remedy at law would be inadequate. Therefore, in addition to any and all remedies available at law, the Discloser will be entitled to seek an injunction or other equitable remedies in all legal proceedings in the event of any threatened or actual violation of any or all of the provisions.

14. PROCESSING OF PERSONAL DATA. You acknowledge and agree that Symantec will collect and process Personal Data as part of the provision, and Your use, of the Software and Maintenance under this License Agreement. To the extent that the processing activities involved in the provision and/or Your use of the Software and Maintenance are subject to the EU Data Protection Legislation, then the relevant Symantec privacy notice(s) and privacy policy made available at www.symantec.com/privacy shall apply.

15. AUDIT RIGHTS. Symantec may audit Your use of the Software and Maintenance to verify that Your usage complies with applicable Order Confirmations, including without limitation through collection and use of Collected Data, self-certifications, on-site audits and/or audits done using a third-party auditor. Third-party audits will be done upon reasonable notice and during normal business hours, but not more often than once each calendar year unless a material discrepancy is identified during the course of a prior review, at Symantec's expense. You agree to implement internal safeguards to prevent any unauthorized copying, distribution, installation, or use of, or access to, the Software. You further agree to keep records sufficient to certify Your compliance with this License Agreement, and, upon request of Symantec, provide and certify metrics and/or reports based upon such records and accounting for both numbers of copies (by title and version) and network architectures as they may reasonably relate to Your licensing and deployment of the Software. If Your use level of the Software or Maintenance is determined as not compliant, You will promptly submit an order within thirty (30) days, at current Manufacturer's Suggested Reseller Price (MSRP), or as otherwise mutually agreed, applicable to Your actual use of the Software or Maintenance in excess of Your entitlement rights including, but not limited to software license fees, new and lapsed Maintenance fees, and reinstatement costs. Lapsed Maintenance or excess subscription fees will be calculated at a minimum of one (1) year, unless an accurate calculation can be determined. Such fees are subject to interest at the rate of one and one-half percent (1½%) per month or the highest interest rate allowed by law, whichever is lower, from the date on which such amount became due. If the audit demonstrates that the MSRP value of Your non-

compliant usage exceeds five percent (5%) of the MSRP value of Your compliant deployments, You shall also reimburse Symantec for any third-party costs related to the audit.

16. SOFTWARE EVALUATION. If the Software is provided to You for evaluation purposes and You have a signed evaluation agreement with Symantec for the Software, Your rights to evaluate the Software will be pursuant to the terms of such signed evaluation agreement. If You do not have a signed evaluation agreement with Symantec for the Software and if You are provided the Software for evaluation purposes, Section 5 (License Grant) is replaced with the following terms and conditions. Symantec grants to You a non-exclusive, temporary, royalty-free, non-assignable license to use the Software solely for internal non-production evaluation subject to the applicable PUR Supplement. Such evaluation license shall terminate (i) on the end date of the pre-determined evaluation period, if an evaluation period is pre-determined in the Software or (ii) sixty (60) days from the date of Your initial installation of the Software, if no such evaluation period is pre-determined in the Software ("Evaluation Term"). The Software may not be transferred and is provided "AS IS" without warranty of any kind. You are solely responsible to take appropriate measures to back up Your system and take other measures to prevent any loss of files or data. The Software may contain an automatic disabling mechanism that prevents its use after a certain period of time. Upon expiration of the Evaluation Term, You will cease use of the Software and destroy all copies of the Software. Symantec shall accept no liability for Your use of the Software for evaluation purposes. All other terms and conditions of this License Agreement shall otherwise apply to Your evaluation of the Software.

17. U.S. GOVERNMENT COMMERCIAL LICENSE RIGHTS. The Software and accompanying documentation is deemed to be "commercial computer software" and "commercial computer software documentation" respectively, as defined in DFARS Section 227-7202 and FAR 12.212 as applicable. Any use, modification, reproduction release, performance, display or disclosure of the Software by the U.S. Government shall be solely in accordance with the terms of this License Agreement, and except as otherwise explicitly stated in this License Agreement all provisions of this License Agreement shall apply to the U.S. Government.

18. EXPORT REGULATION. The export, re-export, or in-country transfer of the Software is subject to the export laws and regulations of the U.S. and other jurisdictions including, but not limited to, the U.S. Export Administration Regulations and European Union Council Regulations. The export or re-export of Software in violation of the foregoing laws and regulations is strictly prohibited. You agree that you will comply with all applicable export or import control laws and regulations and obtain appropriate U.S. and foreign governmental authorizations before exporting, re-exporting, importing, transferring or using the Software. The Software may be subject to import, distribution, transfer, or use restrictions for which You are solely responsible. The Software is prohibited for export or re-export to Cuba, North Korea, Iran, Syria, Sudan, the Crimea Region of Ukraine and to any other country or region subject to trade sanctions. You shall not, directly or indirectly, facilitate giving a sanctioned country or entity access to the Software. You represent that You are neither located in, nor a resident or national of, any prohibited country or region, and that You are not a sanctioned person or entity named on a U.S. or other

government list (including lists published by the U.S. Government, European Union, and United Nations). You may not export the Software in connection with the use or development of missiles or chemical, biological, and nuclear weapons. You may not export the Software to any military entity, or to any other entity for a military purpose, unless subject to a valid license.

19. **PRODUCT MISUSE.** You may not use the Software in an electronic communications network that is used wholly or mainly for the provision of publicly available electronic communications services (“Public Network”) in a manner that violates the rights to privacy or freedom of expression as outlined in the Universal Declaration of Human Rights and the International Covenant on Civil and Political Rights (collectively, “International Human Rights Standards”), of any individual user who directly accesses the Internet or otherwise transmits data through a Public Network, provided the foregoing shall not limit use of the Software in a Public Network to restrict, monitor, collect or process data accessed or transmitted by individual users based upon exceptions to the rights of privacy or freedom of expression that are recognized by International Human Rights Standards or authorized by local law or regulation.

20. **SURVIVAL.** The following provisions of this License Agreement survive termination of this License Agreement: Definitions, License Restrictions and any other restrictions on use of intellectual property, Ownership/Title, Warranty Disclaimers, Limitation of Liability, U.S. Government Commercial License Rights, Export Regulation, Processing Personal Data, Confidential Information, Survival, and General.

21. GENERAL.

21.1. **ASSIGNMENT.** You may not assign the rights granted under this License Agreement, in whole or in part and whether by operation of contract, law or otherwise, without Symantec’s prior express written consent. Symantec may assign this License Agreement to any party.

21.2. **GOVERNING LAW; SEVERABILITY; WAIVER.** If You are located in North America or Latin America, this License Agreement will be governed by the laws of the State of California, United States of America. If you are located in Europe, Middle East, Africa or China, this License Agreement will be governed by the laws of England and Wales. If you are located in Asia Pacific, outside of China, this License Agreement shall be governed by the laws of Singapore. Such governing laws are exclusive of any provisions of the United Nations Convention on Contracts for Sale of Goods, including any applicable amendments, and without regard to principles of conflicts of law. If any provision of this License Agreement is found partly or wholly illegal or unenforceable, such provision shall be enforced to the maximum extent permissible, and remaining provisions of this License Agreement shall remain in full force and effect. A waiver of any breach or default under this License Agreement shall not constitute a waiver of any other subsequent breach or default.

21.3. CUSTOMER CARE. Should You have any questions concerning this License Agreement, or if You desire to contact Symantec for any reason, please send an email to customercare@symantec.com.

21.4. ENTIRE AGREEMENT. This License Agreement and any related Order Confirmation are the complete and exclusive agreement between You and Symantec relating to the Software and Maintenance and supersede any previous or contemporaneous oral or written communications, proposals, and representations with respect to its subject matter. This License Agreement prevails over any conflicting or additional terms of any purchase order, ordering document, acknowledgement or confirmation or other document issued by You, even if signed and returned. This License Agreement may only be modified by a mutually agreed upon writing between You and Symantec, signed by an authorized representative of each party.
