Provided that You are not in material breach of these License Terms, Hitachi will, at its option and sole discretion: (i) secure the rights for You to continue to use the affected Software; (ii) modify the affected Software; (iii) replace the affected Software with something that has substantially similar functionality; or (iv) provide You with a pro-rated refund for the affected Software. To the extent that withholding, value-added or similar taxes are required, the paying Party will exercise due care to determine whether relief is available under a tax treaty and if, despite this, withholding tax applies, the Paying party will: (i) deduct the withholding from the amount due; (ii) remit to the taxing authority the withheld amount; (iii) provide all appropriate documents to the invoicing party. The paying Party may provide to the invoicing Party any resale certificate, treaty benefits exemption certificate or other exemption document required to reduce or eliminate any taxes. The Parties will co-operate and assist each other to use the documents to reduce the taxes and if it is determined that a refund of any taxes is appropriate, to enable a timely collection of the refund.
