

## Terms of Service

Solink's Legal Center is a single hub where Solink publishes and organizes the company's key legal policies and customer-facing agreements—such as its Terms of Service, Privacy Policy, Data Processing Addendum, Cookie Policy, Installation Terms and Conditions, API Software License Agreement, and Acceptable Use Policy—so customers and partners can review the rules that govern use of Solink's services, including licensing and usage rights, data handling and privacy, acceptable use, and other compliance expectations.
