If any of the provisions of this Agreement are invalid under any applicable law, they are, to that extent, deemed omitted, and the balance of this Agreement will be enforceable in accordance with its terms. Neither this Agreement nor the license granted hereunder are assignable or transferable (and any attempt to do so shall be void); provided that Aerospike may assign or transfer all of its rights and obligations under this Agreement to a successor-in-interest in connection with a sale of all or substantially all of Aerospike's business relating to this Agreement. This Agreement will be governed by the laws of the State of California, without regard to the conflict of laws provisions thereof.
