

Access to and use of StormForge's services (including access via online marketplaces, such as the Amazon Web Services Marketplace) is subject to your acceptance of the applicable StormForge agreement.

For free trials of StormForge services, you accept and agree to the StormForge Free Trial Terms of Use available at <https://stormforge.io/free-trial-terms-of-use>.

For all other StormForge services:

1) If you have entered into a negotiated StormForge SAAS Agreement or other agreement that both (a) has not expired or been terminated, and (b) governs the use of the StormForge services, then that agreement applies.

2) Otherwise, you accept and agree to the StormForge SAAS Agreement available at <https://stormforge.io/saas-agreement>.

If you are entering into the applicable terms on behalf of a company (such as your employer) or other legal entity, you represent and warrant that you are authorized to bind that entity thereto, in which case "you" or "your" will refer to that entity (otherwise, such terms refer to you as an individual). If you do not have authority to bind your entity or do not agree with any provision of the applicable terms, you are not permitted to and may not access or use StormForge's Services.
