(g) Deidentified and Aggregated Data. Laserfiche may retain and use deidentified or aggregated information derived from use of the AI Tools for internal analytics, service improvement, security, reliability, and research and development purposes, in accordance with applicable law. For clarity, nothing in this Agreement prohibits Laserfiche from using deidentified, aggregated, synthetic, or other information that does not identify Subscriber, its Users, or any individual, or information otherwise authorized by Subscriber, for model evaluation, testing, validation, safety, security, quality assurance, research, development, or improvement of Laserfiche products, services, AI Tools, models, or algorithms, in each case in accordance with applicable law.

(h) Outputs and Limitations. Outputs are produced through automated and probabilistic processes and may be inaccurate, incomplete, or unsuitable for Subscriber’s intended purpose. Unless expressly stated otherwise in the Documentation, Outputs are not reviewed or supervised by Laserfiche. Subscriber is responsible for reviewing and validating Outputs prior to use or reliance. Subscriber remains responsible for assessing the suitability of AI Tools for its intended use cases, including where AI Tools are configured to initiate, recommend, or execute actions automatically. For the avoidance of doubt, references to Outputs in this Section do not limit the application of Sections 5.5(d) and 5.5(e) relating to Agent Actions and Connected Systems.

(i) Ownership. As between the parties, Laserfiche retains all intellectual property rights in the AI Tools and AI Artifacts, to the extent constituting Laserfiche Software or Laserfiche Content. As between the parties, Subscriber retains all rights in its Subscriber Content and Outputs, subject to the licenses expressly granted under this Agreement.

(j) Third Party Large Language Models. To the extent AI Tools rely on third party large language models, Subscriber acknowledges that limited portions of Subscriber Content may be shared with such providers solely to enable and operate the AI Tools, subject to the providers’ applicable terms. Laserfiche will utilize commercially reasonable efforts to require that any Subscriber Content shared with third-party LLM providers is subject to confidentiality, security, and data protection obligations substantially similar to those set forth in this Agreement and the DPA.

5.6 Laserfiche API. To the extent Subscriber chooses to utilize the Laserfiche API functionality, the Laserfiche API License Agreement is hereby incorporated by reference. A copy of the API License Agreement is available upon request.

6.0 Term; Termination. This Agreement commences on the Effective Date and continues until all of Subscriber's Laserfiche Cloud Subscriptions have expired or have been terminated.

6.1 Term of Purchased Subscriptions. The term of each Subscription will be as specified in the applicable order (a "**Subscription Period**"). With respect to each Subscription, except for Evaluation Products (see Section 7.2), the Subscription Period will automatically renew for one year, effective on the first day after the end of the previous Subscription Period (the "**Renewal Date**"), unless Subscriber gives us written notice of Subscriber's election not to renew that Subscription ("**Notice of Non-Renewal**") at least 30 days before the Renewal Date. Subscriptions for which Subscriber has given Notice of Non-Renewal will terminate as of 12:01 a.m. Pacific Time on the day following the last day of the expiring Subscription Period. The per-unit pricing during any renewal Subscription Period will be at Laserfiche's then-current pricing for that Subscription on the Renewal Date.

6.2 Termination for Cause. Without prejudice to any other remedies, each party will have the right to terminate this Agreement upon written notice if the other party fails to cure any material breach of this Agreement within 20 days after receiving written notice of such breach, provided, that the period to cure a breach with respect to Subscriber's payment obligations will be 10 days after receipt of written notice. Material breaches include non-payment or any violation of law or the confidentiality obligations set forth in Section 14.

6.3 Access Post Termination. Upon Subscriber's written request prior to termination of this Agreement, Subscriber will have 30 days immediately following termination (the "**Wind Down Period**") to export or download Subscriber Content. Subscriber will be charged our then-current rates for downloading Subscriber Content during the Wind Down Period. For clarity, during the actual Subscription Period, and subject to compliance with this Agreement, Subscriber may retrieve and download its own Subscriber Content at no additional charge. After the Wind Down Period, we will have no obligation to maintain or provide any of Subscriber Content at any time and reserve the right to delete or destroy Subscriber Content in connection with Subscriber's Account or that is otherwise in our possession or control, unless prohibited by law.

6.4 Miscellaneous. From and after termination or expiration of this Agreement: (i) except for the licenses granted in Sections 5 and 7 and, subject to Section 6.3, all rights and licenses granted by one party to the other will immediately cease; (ii) any and all provisions or obligations contained in this Agreement which by their nature or effect are required or intended to be observed, kept or performed after termination or expiration of this Agreement will survive the termination or expiration of this Agreement and remain binding upon and for the benefit of the parties; and (iii) all fees and any other monies due to Laserfiche by Subscriber will become immediately due and payable. Without limiting Section 6.4(ii), the following Sections shall survive any termination or expiration of this Agreement: 1, 3 (to the extent Subscriber owes us any fees as of termination or expiration of this Agreement), 4, 5, 6.3, 6.4, 7.3, 9, and 10 through 19.

7.0 Limited License Grants by Laserfiche

7.1 Limited License Grants

7.1.1 Cloud Components. Subject to the terms and conditions of this Agreement (including timely payment of any applicable Subscription fees), we grant Subscriber a limited, revocable, non-exclusive, non-sublicensable, non-transferable right, during the applicable Subscription Period, to: (a) access and use those Cloud Components made available by Laserfiche in

the Services Environment, and (b) download, install and execute Cloud Client Components solely on servers owned or operated by or for Subscriber for the purpose of interacting with the Services Environment. The foregoing licenses are limited to the Cloud Components included within the Subscription and Subscriber may not use the Cloud Components except in accordance with this Agreement and in conjunction with Subscriber Content that complies with this Agreement. Subscriber's right to use all Cloud Components will terminate upon on the date on which Subscriber's right to use Laserfiche Cloud ends.

7.1.2 Laserfiche Content. Subject to the terms and conditions of this Agreement (including timely payment of any applicable Subscription fees), we grant Subscriber a limited, revocable, non-exclusive, non-sublicensable, non-transferable right, during the applicable Subscription Period, to access and use within the Services Environment, or download, reproduce and use solely on servers owned or operated by or for Subscriber, Laserfiche Content in each case solely in connection with Subscriber's use of Laserfiche Cloud. Subscriber's right to use Laserfiche Content will terminate upon the date on which Subscriber's right to use Laserfiche Cloud ends.

7.2 Evaluation License. Subscriber's use of any Evaluation Product is only permitted: (a) for the period limited by the license key or otherwise stated by us in writing ("**Evaluation Period**"), and (b) by Subscriber's employees, contractors, and consultants for no purposes other than demonstration of the capabilities of the Evaluation Product to prospective licensees or evaluation and testing of the Evaluation Product for suitability. No Evaluation Product may be used in a production environment. An Evaluation Product is licensed "AS-IS" without support or warranty (including any service level provided in Section 4.5 and warranty provided in Section 10) of any kind, express or implied. Laserfiche does not assume any liability arising from any use of the Evaluation Product. Subscriber may not publish any results of benchmark tests run on the Evaluation Product without first obtaining written approval from us. Subscriber's receipt of the Evaluation Product does not constitute a license to use (other than as permitted in this Section 7.2), sell, distribute, or commercialize the Evaluation Product. No compensation will be paid to Subscriber for any use of the Evaluation Product. Subscriber authorizes Laserfiche and its Affiliates, and their respective sublicensees to use, in any manner (including in any products or services) and without any duty of accounting or other obligation whatsoever, any feedback or ideas Subscriber or any User provides to us in connection with Subscriber's use of the Evaluation Product. In addition to the restrictions set forth in this Section 7.2 and this Agreement, Subscriber shall not attempt to circumvent, dismantle or otherwise interfere with any time-control disabling functionality in the Evaluation Product that causes the Evaluation Product to cease functioning upon the expiration of the Evaluation Period. With respect to Evaluation Products, except to the extent this Section modifies this Agreement, all other provisions stand and remain unaltered. Laserfiche reserves the right to terminate the licenses granted under this Section 7.2 with respect to any Evaluation Product prior to the end of the Evaluation Period for any breach of this Agreement or other cause. At the end of the Evaluation Period, Subscriber's access to the Evaluation Product will be automatically terminated, with or without notice, unless Subscriber elects to license the services on a paid subscription basis at least two business days prior to the end of the Evaluation Period. This Section shall apply only with respect to Evaluation Products.

7.3 Unauthorized Use or Misuse of Laserfiche Cloud, Laserfiche Software, or Laserfiche Content. Neither Subscriber nor any User may use Laserfiche Cloud or any Subscription in any manner or for any purpose other than as expressly permitted by this Agreement. Without limiting the foregoing, Subscriber may not nor shall Subscriber allow any third-party (including any User) to: (a) modify, alter, tamper with, repair, or otherwise create derivative works of any Laserfiche Software or Laserfiche Content; (b) except to the extent explicitly permitted by applicable law notwithstanding this limitation, reverse engineer, disassemble, or decompile any Laserfiche Software or apply any other

process or procedure to derive the source code of any Laserfiche Software; (c) access, download or use any Laserfiche Software in a way intended to avoid incurring fees or exceed usage limits or quotas; or (d) access, download, or use Laserfiche Software or Laserfiche Content in any manner or for any purpose other than as expressly permitted by this Agreement. All licenses granted to Subscriber in this Agreement are conditioned on Subscriber's continued compliance with this Agreement, and such licenses will terminate in accordance with this Agreement if Subscriber does not comply with any term or condition of this Agreement. During and after any Subscription Period, Subscriber will not assert, nor will Subscriber authorize, assist, or encourage any third-party to assert, against us or any of our Affiliates, Laserfiche Solution Providers, Hosting Provider, Laserfiche authorized resellers, or our licensors, any patent infringement or other intellectual property infringement claim regarding Laserfiche Cloud or any Laserfiche Software or Laserfiche Content. Subscriber may not use any trademark of Laserfiche without our express, prior written permission.

8.0 Data Protection; Data Center Region

8.1 The DPA, terms of which are incorporated herein by reference, is available [here](#). The DPA describes the parties' respective roles for the processing and control of Personal Data that Subscriber provides to Laserfiche as part of subscribing to Laserfiche Cloud. Subscriber acknowledges that Subscriber has reviewed a copy of the current DPA.

8.2 To the extent Subscriber Content includes Personal Data (as defined in the DPA), Subscriber agrees that Subscriber will be the data controller and Laserfiche will be the data processor. The parties will comply with the applicable DPA associated with Subscriber's Account, unless otherwise stated in Subscriber's order.

8.3 Laserfiche will provide production and failover systems in the Data Center Region. Laserfiche and its Affiliates may perform certain aspects of Laserfiche Cloud, such as high level service administration and support, as well as other services (including professional services and disaster recovery), from locations worldwide. If Subscriber is a United States based governmental, quasi-governmental, or public entity, political subdivision, or public instrumentality (including, without limitation, state-supported educational institutions, public utilities, or special districts) unable, as a matter of applicable law to agree, the foregoing shall not apply, and Subscriber's Services Environment will reside solely in a data center (and Data Center Region) located within the United States of America.

9.0 Infringement Indemnification. Laserfiche will defend, at its own expense, any claim or action against Subscriber or its Affiliates brought by a third-party to the extent that the action is based upon a claim that the Laserfiche Software or Laserfiche Content infringes any copyrights or misappropriate any trade secrets of such third-party, and Laserfiche will pay those costs (including reasonable attorneys' fees) and damages finally awarded against Subscriber or its Affiliates in any such action that are specifically attributable to such claim or those costs (including reasonable attorneys' fees) and damages agreed to by Laserfiche in a monetary settlement of such action. The foregoing obligations are conditioned on Subscriber notifying Laserfiche promptly in writing of such action, giving Laserfiche sole control of the defense thereof and any related settlement negotiations, and at Laserfiche's reasonable request and expense, cooperating and assisting in such defense. If the Laserfiche Software or Laserfiche Content becomes, or in Laserfiche's opinion is likely to become, the subject of an infringement claim, or if Laserfiche is enjoined or, in Laserfiche's opinion is likely to be enjoined, from making available any Laserfiche Software or Laserfiche Content, or Laserfiche Cloud, Laserfiche may, at its option and expense, either (a) procure for Subscriber the right to continue exercising the rights licensed hereunder with respect to Laserfiche Cloud or such Laserfiche Software or Laserfiche Content; (b) replace or modify the Laserfiche Software or Laserfiche Content so that Laserfiche Cloud or such

Laserfiche Software or Laserfiche Content, becomes non-infringing; or (c) refund to Subscriber any fees paid in advance by Subscriber for any unused portion of the then-current Subscription Period for Laserfiche Cloud that relates to the infringing Laserfiche Software or Laserfiche Content, whereupon Laserfiche may terminate the applicable Subscription(s) upon written notice to Subscriber. Notwithstanding the foregoing, Laserfiche will have no obligation under this Section or otherwise with respect to any infringement or misappropriation claim (each, an “**Excluded Claim**”) (i) based upon the use of a superseded release of the Laserfiche Software or Laserfiche Content, if the claim would have been avoided by the use of the current release, (ii) that is pending or threatened against Subscriber as of the Effective Date, (iii) based upon any modification of Laserfiche Cloud or such Laserfiche Software or Laserfiche Content by any person other than Laserfiche, (iv) based upon the use, operation, or combination of Laserfiche Cloud or such Laserfiche Software or Laserfiche Content with software programs, data, equipment, materials or business processes not provided by Laserfiche, if the claim would have been avoided by the use of Laserfiche Cloud or such Laserfiche Software or Laserfiche Content without such software programs, data, equipment, materials, or business processes, (v) based upon Subscriber Content, or the incorporation or interaction of Subscriber Content in or with Laserfiche Cloud or the Services Environment if the claim would not have arisen but for Subscriber Content or the incorporation or interaction of Subscriber Content in or with Laserfiche Cloud or the Services Environment, or (vi) based upon or in relation to the use of any Evaluation Product. This Section states Laserfiche’s entire liability and Subscriber’s sole and exclusive remedy for infringement and misappropriation claims and actions. Subscriber may participate and retain its own counsel at its own expense. For the purposes of this Section 9, costs (including reasonable attorneys’ fees) and damages finally awarded against Subscriber or its Affiliates as a result of a relevant third-party claim shall be deemed to be suffered by Subscriber directly.

12.0 Basis of Bargain. The warranty disclaimers in Section 10 and limitations of liability set forth in Section 11 are fundamental elements of the basis of the agreement between Laserfiche and Subscriber. The limitations of liability in Section 11 shall apply notwithstanding the failure of any essential remedy. No course of performance, course of dealing, or usage of trade will override the written terms of this Agreement.

To the extent permitted by applicable law, any suit, claim, action or proceeding based on or related to this Agreement, its terms or conditions, including the SLA, or arising out of its performance or breach, whether in contract or tort, must be instituted by Subscriber against us within one (1) year after the occurrence of any one or more of the acts, omissions, facts, conduct, events, claims or allegations upon which the action, proceeding or claim is based.
