1. Subscription License Grant. Gathr grants to Licensee a limited, personal, revocable, non-transferable, non-sub licensable, non-exclusive license during the term of this Agreement to install and execute the Software described on the applicable product page, in object code, and use the Software on the number of AWS EC2 instances for which Licensee has purchased a license, solely for Licensee's internal use and in accordance with the applicable user documentation made available to Licensee by Gathr for the Software.

2. Additional Terms and Restrictions.

(a) Restrictions. Licensee may not, and will not permit or induce any third party to: (i) decompile, reverse engineer, disassemble or otherwise attempt to reconstruct or discover the source code, underlying ideas or algorithms of any components of the Software; (ii) alter, modify, translate, adapt in any way, or prepare any derivative work based upon the Software; (iii) rent, lease, network, loan, pledge, encumber, sublicense, sell, distribute, disclose, assign or otherwise transfer the Software or any copy thereof; (iv) use the Software in commercial timesharing, rental or other sharing arrangements; (v) remove any proprietary notices from the Software or any related documentation or other materials furnished or made available hereunder; or (vi) conduct any performance or functional evaluation, benchmarking, comparative, and/or other tests or studies of the Software without the prior express written approval of Gathr (on a case-by-case basis). In addition, Licensee agrees to comply with all local, state, national, and international laws, rules and regulations applicable to Licensee's use of the Software.

(b) Third Party Software. Gathr may in its sole discretion, make available third party software ("Third Party Software") embedded in, or otherwise provided with, the Software. Third Party Software is expressly excluded from the defined term "Software" as used throughout this Agreement. Licensee's use of the Third Party Software is subject to the applicable third party license terms which can be viewed at 'Notice.txt' and 'License.txt' within the software itself and such Third Party Software is not licensed to Licensee under the terms of this Agreement. If Licensee does not agree to abide by the applicable license terms for the Third Party Software, then Licensee may not access or use the Software or the Third Party Software. Additionally, Licensee acknowledges and agrees that Licensee may be required to separately acquire and download certain Third Party Software to use with the Software.

(c) Proprietary Rights. Gathr or its licensors retain all right, title and interest in and to the Software and related documentation and materials, including, without

limitation, all patent, copyright, trademark, and trade secret rights, embodied in, or otherwise applicable to the Software, whether such rights are registered or unregistered, and wherever in the world those rights may exist. Licensee shall not commit any act or omission, or permit or induce any third party to commit any act or omission inconsistent with Gathr' or its licensors' rights, title and interest in and to the Software and the intellectual property rights embodied therein or applicable thereto. All materials embodied in, or comprising the Software, including, but not limited to, graphics, user and visual interfaces, images, code, applications, and text, as well as the design, structure, selection, coordination, expression, "look and feel", and arrangement of the Software and its content, and the trademarks, service marks, proprietary logos and other distinctive brand features found in the Software ("Gathr Marks"), are all owned by Gathr or its licensors; Licensee is expressly prohibited from using the Gathr Marks. Title to the Software shall not pass from Gathr to Licensee, and the Software and all copies thereof shall at all times remain the sole and exclusive property of Gathr. There are no implied rights or licenses in this Agreement. All rights are expressly reserved by Gathr. Licensee may provide Gathr with oral feedback and/or written feedback related to the use of the Software, including, but not limited to, a report of any errors. Such reports, and any other materials, information, ideas, concepts, feedback and know-how provided by Licensee to Gathr concerning the Software and any information reported in log files regarding the Software ("Feedback") will be the property of Gathr. Licensee agrees to assign, and hereby assigns, all right, title and interest worldwide in the Feedback, and the related intellectual properties rights to Gathr, and agree to assist Gathr, at Gathr' expense, in perfecting and enforcing such rights. Licensee retains all rights in and to the data that it uploads to or processes using the Software.

(d) Privacy. Any personally identifiable information submitted or provided by Licensee to Gathr in connection with the use of the Software and/or support shall be used by Gathr in accordance with the Privacy Policy available at <https://www.gathr.one/privacy-policy-v2/>.

3. Support and Warranty Disclaimer.

(a) Support. Gathr will use commercially reasonable efforts to provide web forum and email support with an initial response within twenty-four (24) to forty-eight (48) hours. To contact Gathr with support requests, use the contact information on the applicable product page for the Software.

(b) Disclaimer of Warranties. THE SOFTWARE IS PROVIDED TO LICENSEE ON AN "AS IS" BASIS, WITH ANY AND ALL FAULTS, AND WITHOUT ANY WARRANTY OF ANY KIND; AND (II) GATHR EXPRESSLY DISCLAIMS ALL REPRESENTATIONS, WARRANTIES AND CONDITIONS WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS. GATHR DOES NOT WARRANT THAT THE SOFTWARE OR SERVICES WILL MEET LICENSEE'S REQUIREMENTS, OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE SOFTWARE OR SERVICES WILL BE CORRECTED. LICENSEE EXPRESSLY ACKNOWLEDGES AND AGREES THAT THE USE OF THE SOFTWARE AND SERVICES AND ALL RESULTS OF SUCH USE IS SOLELY AT LICENSEE'S OWN RISK. SOME JURISDICTIONS MAY NOT ALLOW THE EXCLUSION AND/OR LIMITATION OF IMPLIED WARRANTIES OR CONDITIONS, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO LICENSEE. IN SUCH EVENT, GATHR'S WARRANTIES AND CONDITIONS WITH RESPECT TO THE SOFTWARE AND SERVICES WILL BE LIMITED AS MUCH AS PERMITTED BY APPLICABLE LAW IN SUCH JURISDICTION.

4. Fees & Payment Terms.

(a) Fees. Licensee agrees to pay the applicable usage subscription fees, if any, based on Licensee's actual usage in accordance with the pricing tables for the applicable product page for the Software, as set forth in the AWS Marketplace. Licensee acknowledges and agrees that the fees payable by Licensee to Gathr do not include, and Licensee shall be solely responsible for, any and all fees and/or charges arising from Licensee's use of any Third Party Software or Licensee's access or use of third party services in connection with the Software.

(b) Changes to Fees. Gathr may change its fees in the pricing table set forth in the applicable product page for the Software from time to time. Price changes go into effect immediately for new Licensees. For existing Licensees, if the price change is a price decrease, it goes into effect immediately. If it is a price increase, AWS Marketplace will notify Licensees of the impending change which will take effect 90 days from the date the change was submitted by Gathr to AWS Marketplace. Gathr will not raise prices more than once in any consecutive 90-day period.

5. Term & Termination.

(a) Term. Subject to termination as set forth in this Section 5, the term of this Agreement shall start on the Effective Date and continue until terminated as provided herein.

(b) Termination. Either party may terminate this Agreement immediately without further notice if the other party breaches its obligations under this Agreement and does not remedy such breach within thirty (30) calendar days of the date on which the breaching party receives written notice of such breach from the non-breaching party. Licensee may also terminate this Agreement by cancelling its subscription to the Software within the AWS Marketplace after deleting the instances of the Software.

(c) Effects of Termination. Upon the termination of this Agreement for any reason, (i) the licenses granted under this Agreement in respect of the Software shall immediately terminate; and (ii) within ten (10) calendar days of such termination, each party shall destroy or return all Confidential Information of the other party in its possession, and will not make or retain any copies of such information in any form, except that the receiving party may retain one (1) archival copy of such information solely for purposes of ensuring compliance with this Agreement. Notwithstanding the foregoing, the following terms shall survive the termination of this Agreement, together with any other terms which by their nature are intended to survive such termination: Sections 2(a) (Restrictions), 2(c) (Proprietary Rights), 2(d) (Privacy), 3(b) (Disclaimer of Warranties), 4 (Fees & Payment Terms), 5(c) (Effects of Termination), 6(a) (Confidentiality), 7 (Indemnification), 8 (Limitation of Liability), 10 (Export), 11 (Notices), 12 (Modifications to Agreement) and 13 (General).

6. Confidentiality & Publicity.

(a) Confidentiality. "**Confidential Information**" means any proprietary information received by the other party during, or prior to entering into, this Agreement that is marked as confidential or proprietary. The Software and any non-public technical and business information of a party shall be deemed Confidential Information, whether or not marked. Confidential Information does not include information that (a) is or becomes generally known to the public through no fault of or breach of this Agreement by the receiving party; (b) is rightfully known by the receiving party at the time of disclosure without an obligation of confidentiality; (c) is independently developed by the receiving party without use of the disclosing party's Confidential Information; or (d) the receiving party rightfully obtains from a third party without restriction on

use or disclosure. Licensee and Gathr will maintain the confidentiality of Confidential Information. The receiving party of any Confidential Information of the other party agrees not to use such Confidential Information for any purpose except as necessary to fulfill its obligations and exercise its rights under this Agreement. The receiving party shall protect the secrecy of and prevent disclosure and unauthorized use of the disclosing party's Confidential Information using the same degree of care that it takes to protect its own confidential information and in no event shall use less than reasonable care. The receiving party may disclose the Confidential Information of the disclosing party if required by judicial or administrative process, provided that the receiving party first provides to the disclosing party prompt notice of such required disclosure to enable the disclosing party to seek a protective order. Upon termination or expiration of this Agreement, the receiving party will, at the disclosing party's option, promptly return or destroy (and provide written certification of such destruction) the disclosing party's Confidential Information.

(b) Publicity. During the term of this Agreement, Licensee hereby agrees that Gathr shall have the right, but not the obligation, to include Licensee's name and logo as a customer who uses the Software and/or support in marketing materials promoting the Software and/or support.

7. Indemnification. Licensee shall indemnify, defend and hold harmless Gathr and its officers, directors, employees, shareholders, contractors and agents, and its and their respective officers, directors, employees, agents, representatives, and contractors (each, a "Gathr Party"), from and against any and all liability and costs (including, without limitation, attorneys' fees and costs) incurred by any Gathr Party in connection with any actual or alleged claim arising out of, or relating to: (i) Licensee's breach of this Agreement, any or any applicable law, rule or regulation; (ii) Licensee's use of the Software and support, (except to the extent Gathr is responsible for the event giving rise to Licensee's liability under this Section 7); and (iii) Licensee's gross negligence, fraudulent misrepresentation or willful misconduct. Counsel Licensee selects for the defense or settlement of a claim must be consented to by Gathr prior to counsel being engaged to represent any Gathr Party. Licensee and Licensee's counsel will cooperate as fully as reasonably required, and provide such information as reasonably requested, by Gathr in the defense or settlement of any claim. Gathr reserves the right, at its own expense, to assume the exclusive defense or settlement, and control of any matter otherwise subject to indemnification by Licensee. Licensee shall not in any event, consent to any judgment, settlement, attachment, or lien, or any other act adverse to the interests of any Gathr Party without the prior written consent of each relevant Gathr Party.

8. Limitation of Liability.

(a) Consequential Damages Waiver. UNDER NO CIRCUMSTANCES, SHALL ANY GATHR PARTY BE LIABLE TO LICENSEE OR ANY THIRD PARTY FOR ANY INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE, RELIANCE, OR CONSEQUENTIAL DAMAGES, OR FOR ANY DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION AND THE LIKE) ARISING OUT OF OR RELATING TO THE USE AND/OR INABILITY TO USE THE SOFTWARE OR SERVICES, REGARDLESS OF THE LEGAL THEORY UPON WHICH ANY CLAIM FOR SUCH DAMAGES IS BASED AND EVEN IF AN GATHR PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

(b) Limitation of Damages. WITHOUT LIMITING THE FOREGOING, IN NO EVENT SHALL THE GATHR PARTIES' TOTAL CUMULATIVE LIABILITY TO LICENSEE OR ANY THIRD PARTY FOR ALL DAMAGES, LOSSES AND CAUSES OF ACTION (WHETHER IN CONTRACT, TORT, INCLUDING NEGLIGENCE AND STRICT LIABILITY, OR OTHERWISE) EXCEED ONE HUNDRED DOLLARS (\$100).

(c) Failure of Essential Purpose. THE PARTIES AGREE THAT THESE LIMITATIONS SHALL APPLY EVEN IF THIS AGREEMENT OR ANY LIMITED REMEDY SPECIFIED HEREIN IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. SOME JURISDICTIONS MAY NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR OTHER DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO LICENSEE. IN SUCH EVENT, THE LIABILITY OF THE GATHR PARTIES FOR SUCH DAMAGES WITH RESPECT TO THE SOFTWARE AND SERVICES WILL BE LIMITED AS MUCH AS PERMITTED BY APPLICABLE LAW IN SUCH JURISDICTION. The sections of this Agreement that address indemnification, limitation of liability and the disclaimer of warranties allocate the risk between the parties. This allocation of risk is an essential element of the basis of the bargain between the parties.

9. Government Rights. The Software licensed to Licensee under this Agreement is "commercial computer software" as that term is described in DFAR 252.227-7014(a)(1). If acquired by or on behalf of a civilian agency, the U.S. Government acquires this commercial computer software and/or commercial computer software documentation subject to the terms of this Agreement as specified in 48 C.F.R. 12.212 (Computer Software) and 12.11 (Technical Data) of the Federal Acquisition Regulations ("FAR") and its successors. If acquired by or on behalf of any agency within the Department of Defense ("DOD"), the U.S. Government acquires this commercial computer software and/or commercial computer software documentation subject to the terms of this Agreement as specified in 48 C.F.R. 227.7202 of the DOD FAR Supplement and its successors.

10. Export. Licensee acknowledges that the laws and regulations of the United States of America and foreign jurisdictions may restrict the export and re-export of certain commodities and technical data of United States of America origin, including the Software. Licensee agrees that it will not export or re-export the Software without the appropriate United States or foreign government licenses or permits and without explicit written permission of Gathr.

11. Notices. All notices permitted or required under this Agreement shall be in writing and shall be delivered by personal delivery, e-mail, or by certified or registered mail, return receipt requested, and shall be deemed given upon personal delivery, five (5) business days after deposit in the U.S. mail, or upon confirmation of transmission if sent by e-mail. Notices shall be sent to each party at their respective addresses. Without limiting the foregoing, Licensee consents to receive communications from Gathr electronically, including by e-mail. Licensee agrees that all agreements, notices, disclosures, and other communications that Gathr provides to Licensee electronically satisfy any legal requirement that such communications be in writing, to the extent permitted by applicable law.

12. Modifications to Agreement. Gathr may modify this Agreement from time to time by giving notice to Licensee through the AWS Marketplace and/or through the Software. Unless a shorter period is specified by Gathr (e.g., due to changes in the law or exigent circumstances), modifications become effective thirty (30) days from the date Gathr notified Licensee of the change as set forth above. If Licensee notifies Gathr by email at support@gathr.one of its objection to such modifications prior to the applicable date the modified Agreement goes into effect as set forth above, Gathr (at its option and as Licensee's exclusive remedy) will either: (i) permit Licensee to continue under the existing version of this Agreement for a period of six (6) months (after which time the modified Agreement will go into effect, unless Licensee cancels its subscription to the Software and deletes all copies thereof prior to the new Agreement going into effect); or (ii) terminate this Agreement and provide Licensee a refund of any pre-paid and unused Software fees as of the effective date of termination. Licensee may be required to click to accept or otherwise agree to the modified Agreement in order to continue using the Software, and in any event (unless otherwise agreed by

Gathr above) continued use of the Software after the updated version of this Agreement goes into effect will constitute Licensee's acceptance of such updated version.

13. General. This Agreement shall constitute the entire agreement between Gathr and Licensee relating to the subject matter hereof and shall supersede all prior negotiations, agreements, and understandings between the Parties. No force or effect shall be given to any other terms and conditions including, without limitation, terms contained in any purchase order submitted by Licensee and notice is hereby given that Gathr rejects any additional or conflicting terms or conditions in Licensee's purchase order. No waiver of any provision of this Agreement shall be effective unless made in writing. In addition, no waiver by either party of any breach of any provision of this Agreement shall be construed as a waiver of any subsequent breach or as a continuing waiver of such breach of this Agreement. In addition, no failure to enforce any contract term shall be deemed a waiver of future enforcement of that or any other term. The provisions of this Agreement shall be severable. If any provision of this Agreement is held invalid or unenforceable in any relevant jurisdiction, then (i) such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of the Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, (ii) the application of such provision in any other circumstances shall not be affected, and (iii) the application of the remaining provisions of this Agreement shall not be affected by such application. This Agreement may not be assigned by either party without the express prior written consent of the other party. Any attempted assignment without such consent will be null and void and of no effect, except that, upon written notice to the other party, either party may assign all or portions of this Agreement to a subsidiary or successor to its business (whether by merger, a sale of all or substantially all of its assets relating to this Agreement, a sale of a controlling interest of its capital stock, or otherwise). No remedy or election of remedy under this Agreement shall be deemed exclusive, except as otherwise provided in this Agreement, but shall, wherever possible, be cumulative with all other remedies at law or equity. To the extent permitted in the relevant jurisdiction, no action relating in any way to performance or nonperformance of this Agreement may be brought by Licensee more than one (1) year after the performance hereunder. If either Gathr or Licensee employs attorneys to enforce any rights arising out of or relating to this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees. This Agreement will be governed by and construed in accordance with the laws of the State of California, excluding its conflicts of law rules. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement. Furthermore, this Agreement will not be governed or interpreted in any way by referring to any law based on the Uniform Computer Information Transactions Act (UCITA) or any other act derived from or related to UCITA. Any action or proceeding arising from or relating to this Agreement must be brought in the courts in Santa Clara County, California. The parties hereby waive all objection which it may have at any time to the laying of venue of any proceedings brought in such courts, waives any claim that such proceedings have been brought in an inconvenient forum and further waives the right to object with respect to such proceedings that any such court does not have jurisdiction over such party.
