

BLUE RIDGE NETWORKS LICENSE AGREEMENT - CYBERCLOAK(TM) CLOUD (AWS AMI)

This License Agreement ("Agreement") supplements and governs your use of the CyberCloak(TM) Cloud Amazon Machine Image ("Software") provided by Blue Ridge Networks Networks, Inc. ("BLUE RIDGE NETWORKS") and is in addition to any applicable AWS Marketplace terms and conditions.

BYOL NOTICE

This Software is distributed on a Bring Your Own License (BYOL) basis. Blue Ridge Networks Networks does not receive payment through AWS Marketplace for use of this Software. Customers are responsible for acquiring and maintaining a valid license directly from Blue Ridge Networks Networks.

1. AGREEMENT

Subject to the terms herein, BLUE RIDGE NETWORKS grants to the LICENSEE a non-exclusive, non-transferable license to deploy and use the Software within LICENSEE's AWS account. The Software is made available as a preconfigured Amazon Machine Image (AMI) via AWS Marketplace. The features and functionality of the Software are defined in official documentation and the AWS listing. The scope and duration of the License shall be defined by the applicable order form or license certificate issued by BLUE RIDGE NETWORKS.

2. LICENSE ACTIVATION & PAYMENT

This product is delivered under a Bring Your Own License (BYOL) model. Customers must contact Blue Ridge Networks Networks to obtain a valid license key prior to activation. All pricing, terms, and billing are managed directly by Blue Ridge Networks Networks and are not handled by AWS. Each license is tied to the AWS account and instance ID. Unauthorized duplication or deployment of the Software may result in suspension or termination of the License. The Software will cease to function properly if a valid license is not maintained.

3. CUSTOMER RESPONSIBILITIES

LICENSEE is solely responsible for maintaining the Software in an updated and supported

configuration. Failure to apply patches, updates, or follow published maintenance guidance may result in reduced functionality or complete service interruption. Continued failure to comply may result in automatic license deactivation or termination.

4. CLOUD ENVIRONMENT

LICENSEE acknowledges that the Software is hosted in the LICENSEE's AWS infrastructure. AWS is solely responsible for underlying infrastructure uptime, network availability, and cloud platform security. BLUE RIDGE NETWORKS disclaims all responsibility for interruptions or failures originating from the AWS environment.

5. USAGE RESTRICTIONS

LICENSEE may use the Software solely for internal business operations within their AWS tenancy. LICENSEE may not sublicense, rent, lease, or otherwise make the Software available to third parties. LICENSEE shall not reverse engineer, modify, decompile, disassemble, or otherwise tamper with the Software except as expressly permitted under applicable law. All intellectual property rights remain the sole property of BLUE RIDGE NETWORKS.

6. WARRANTY DISCLAIMER

BLUE RIDGE NETWORKS warrants that the Software will perform substantially in accordance with documentation for a period of thirty (30) days following activation. BLUE RIDGE NETWORKS may provide patches and updates at its discretion. ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT ARE HEREBY DISCLAIMED. THE SOFTWARE IS NOT DESIGNED FOR USE IN HIGH-RISK ENVIRONMENTS WHERE FAILURE COULD RESULT IN LOSS OF LIFE OR SEVERE PHYSICAL DAMAGE.

7. SERVICE AVAILABILITY

BLUE RIDGE NETWORKS does not guarantee uninterrupted availability or uptime of the Software within the AWS environment. Interruptions may occur due to AWS service disruptions, misconfiguration, licensing issues, or failure to maintain updates.

8. DATA COLLECTION & PRIVACY

BLUE RIDGE NETWORKS may collect anonymized operational and licensing data such as AWS instance metadata, usage statistics, and configuration status. No personally identifiable information (PII) is collected unless explicitly provided by the LICENSEE for support purposes. BLUE RIDGE NETWORKS complies with all applicable data protection laws.

9. MONITORING & COMPLIANCE

BLUE RIDGE NETWORKS reserves the right to verify licensing compliance using automated checks, metadata queries, or direct contact with the LICENSEE. LICENSEE consents to such monitoring solely for purposes of license enforcement and product improvement.

10. DELIVERY

The Software is delivered via the AWS Marketplace as a BYOL Amazon Machine Image (AMI). Activation requires a separate license key from Blue Ridge Networks Networks. Updates, enhancements, and new releases may be made available by Blue Ridge Networks Networks either via Marketplace or direct download.

11. INDEMNITY

BLUE RIDGE NETWORKS will indemnify LICENSEE against third-party claims alleging that the Software infringes a U.S. patent or copyright, subject to timely notice and full cooperation from the LICENSEE. BLUE RIDGE NETWORKS may, at its option, replace the Software, obtain rights, or refund a prorated fee if the Software must be withdrawn due to such claims.

12. LIMITATION OF LIABILITY

IN NO EVENT SHALL BLUE RIDGE NETWORKS BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES INCLUDING LOSS OF PROFITS, BUSINESS INTERRUPTION, OR LOSS OF DATA. BLUE RIDGE NETWORKS'S TOTAL LIABILITY SHALL NOT EXCEED THE AMOUNT PAID BY LICENSEE FOR THE SOFTWARE IN THE SIX (6) MONTHS PRIOR TO THE CLAIM.

13. CONFIDENTIALITY

LICENSEE agrees to treat the Software, related documentation, interfaces, and all supporting tools as confidential information. Disclosure to third parties is prohibited unless expressly authorized in writing by BLUE RIDGE NETWORKS.

14. TERMINATION

BLUE RIDGE NETWORKS may terminate this License immediately for breach of this Agreement, failure to maintain an active license, or use of the Software in violation of applicable laws. Upon termination, LICENSEE must immediately cease use and remove all instances of the Software.

15. ASSIGNMENT

LICENSEE may not assign this Agreement or transfer the Software without prior written approval from BLUE RIDGE NETWORKS.

16. U.S. GOVERNMENT RIGHTS

The Software is classified as "Commercial Computer Software" under FAR 12.212 and DFARS 227.7202, and is licensed with only those rights provided to all other commercial users.

17. EXPORT COMPLIANCE

The Software is subject to U.S. export laws and regulations. LICENSEE agrees to comply fully with all export controls and will not export or allow access to the Software in violation of such laws.

18. THIRD PARTY COMPONENTS

The Software may contain or reference third-party components under separate licenses. In such cases, those licenses govern the use of those components and are available upon request or listed in the product documentation.

19. FEEDBACK

Any suggestions, improvements, or other feedback provided to BLUE RIDGE NETWORKS shall become the sole property of BLUE RIDGE NETWORKS, with no obligation of compensation to the LICENSEE.

20. GOVERNING LAW

This Agreement is governed by the laws of the Commonwealth of Virginia, USA. Any disputes shall be resolved in the courts of competent jurisdiction located within Virginia. The United Nations Convention on Contracts for the International Sale of Goods does not apply.
