WILEY

NOTICE: This is Not a Contract or Offer

Thank you for your interest in Wiley's products and services available through AWS Marketplace.

THIS LISTING IS FOR INFORMATIONAL PURPOSES ONLY

Important Information

- **This Listing is Informational** Only: This public listing does not constitute an offer, agreement, or contract. No binding commitments are created by viewing or interacting with this listing.
- **How to Proceed**: To explore Wiley's solutions for your organization, please select **REQUEST PRIVATE OFFER and complete the form on the next page**.
- Our team will:
    - Provide you with applicable Terms and Conditions for your review
    - Discuss your specific requirements and use cases
    - Prepare a customized Private Offer through AWS Marketplace with actual pricing
- **About the Displayed Pricing**: The pricing shown here is a placeholder required for AWS Marketplace technical setup and **does not reflect actual pricing**. Your actual pricing will be provided through a Private Offer tailored to your organization's needs.
- **Next Steps**: We look forward to working with you! Please reach out to our team by selecting the Request Private Offer option and complete the form on the next page to begin the conversation about how Wiley can support your organization's goals.

No rights, licenses, or services are granted through this public listing. Services will be provided only after mutual agreement through a Private Offer.
