

By subscribing to any product or service sold by Decagon AI, Inc. ("Decagon Services") on the AWS Marketplace, you agree to the terms located at <https://decagon.ai/legal/resellerterms> (the "MSA"). If you are entering into the MSA on behalf of a company (such as your employer) or other legal entity, you represent and warrant that you are authorized to bind that entity to the MSA, in which case "you," or "your" will refer to that entity (otherwise, such terms refer to you as an individual). If you do not have authority to bind your entity or do not agree with any provision of the MSA, you are not permitted to subscribe to and may not use the Decagon Services. If you have agreed a negotiated version of the MSA ("Negotiated MSA") that (a) has not expired or been terminated, and (b) covers the Decagon Services, then the Negotiated MSA will continue to govern your use of such Decagon Services on the AWS Marketplace.
