Customer represents, warrants and covenants that it will not use the Services in any way that is unlawful, is prohibited by this Agreement and which would give rise to civil liability, or that constitutes or encourages conduct that could constitute a criminal offense, under any applicable law or regulation. Although TASKE and its third-party suppliers and partners are not responsible for the misuse of the Registered User Account, unless the misuse is a result of the act(s) or omission(s) of TASKE (or TASKE’s supplier(s), agent(s), or (sub)contractor(s)), TASKE and its third-party suppliers and partners may delete any content in violation of the foregoing that TASKE or its third-party suppliers or partners become aware of, at any time without notice. If Customer terminates this Agreement due to a material breach by TASKE, then TASKE shall immediately repay to Customer all pre-paid amounts for any unperformed Services scheduled to be delivered after the termination date. Upon expiration or termination of this Agreement each party shall immediately destroy any of the other party’s confidential information and provide written certification of such return or destruction. Both parties acknowledge that termination and/or monetary damages may not be a sufficient remedy if the other party breaches this Agreement and that either party will be entitled, without waiving any other rights or remedies, to injunctive or equitable relief as may be deemed proper by a court of competent jurisdiction in the event of a breach.
