4.3 Any material changes to a SOW shall be set forth in a new SOW or Order signed by both parties.

5. OWNERSHIP AND USE.

5.1 Customer shall retain all ownership rights in the Customer Data (as defined in Section 1) and Customer Confidential Information. Except as otherwise expressly identified in a mutually executed SOW, Kentik shall have and retain all ownership rights in the SaaS Services, report format and structure and general statistical information, and all work developed or created by Kentik during the course of providing Support or Professional Services to Customer (if any). Kentik hereby grants Customer a royalty-free, nonexclusive, right to use the foregoing on the same terms and conditions as the SaaS Services subject to any and all agreed upon fees.

5.2 Kentik shall own any suggestions, enhancement requests, recommendations, or other feedback provided by Customer or its Users relating to the Kentik Products.

6. FEES.

6.1 The Fees for the SaaS Services are as stated in an Order and are effective during the Initial Term specified therein. Fees for any Extension Terms are due in accordance with the above, except that they are due on the effective date of the renewal.

6.2 Upon execution of this Agreement, payment obligations are non-cancelable and, except as expressly provided in this Agreement, upon payment, all payments made by Customer are non-refundable. Kentik or its authorized representative shall also have the right to audit the books and records of Customer, at Kentik's expense, to determine whether Customer is in compliance with this Agreement ("**Audit**"). If an Audit reveals that Kentik has been underpaid, Customer shall immediately pay Kentik such underpaid amount plus interest thereon at the rate of one and a half percent (1.5%) per month. Any Audit shall be performed only during Customer's normal business hours upon reasonable prior written notice, no more frequently than once per calendar year, and shall be performed in such a manner as to avoid unreasonable interference with Customer's business operations.

7. SUPPORT AND SLAs. Kentik shall provide Support as long as Customer is current on payment of any Support fees (if any) and all other Fees listed in an Order. Support shall be provided in accordance with Kentik's standard support policy, a copy of which may be found on Exhibit A.

8. WARRANTIES.

8.1 Each party represents and warrants that (i) it has the legal power to enter into and perform under this Agreement; and (ii) it shall comply with all applicable laws in its performance hereunder.

8.2 Kentik warrants (i) it will provide the Professional Services in a professional and workmanlike manner consistent with good industry standards and practices; and (ii) that for a period of thirty (30) days after completion, the Professional Services will conform to the representations in Section 4. 8.3 Kentik warrants that the SaaS Services will substantially conform in all material respects in accordance with the SaaS Services Description. Customer will provide prompt written notice of any non-conformity. As Customer's sole and exclusive remedy and Kentik's entire liability for any breach of the foregoing warranty, Kentik will confirm and then fix, provide a work around, or otherwise repair or replace the nonconforming portion of the SaaS Services, or, if Kentik is unable to do so, terminate the right to use the SaaS Services and return the SaaS Services Fees paid to Reseller for the period beginning with Customer's notice of nonconformity through the remainder of the Initial Term or then-current Extension Term, as applicable.

8.4 Kentik warrants that the SaaS Services will meet the requirements set forth in the SaaS Service Service Level Agreement ("SLA") on Exhibit A. In the event of a breach of the foregoing warranty, as Customer's sole and exclusive remedies, Kentik will provide the remedies set forth in the SLA.

9.2 As it relates to 9.1(i), Kentik may, at its sole option and expense: (i) procure for Customer the right to continue using the SaaS Services under the terms of this Agreement; (ii) replace or modify the SaaS Services to be non-infringing without material decrease in functionality; or (iii) if the foregoing options are not reasonably practicable, terminate the right to use the infringing SaaS Services and Reseller shall refund to Customer the prepaid fees for the remainder of the Initial Term or then-current Extension Term as measured from the date of termination.

9.3 As it relates to 9.1(i), Kentik shall have no liability for any Claim to the extent the Claim is based upon (i) the use of the SaaS Services in combination with any other product, service or device not furnished, recommended or approved by Kentik, if such Claim would have been avoided by the use of the SaaS Services, without such product, service or device; or (ii) Customer's use of the SaaS Services other than in accordance with this Agreement.

9.4 The provisions of this Section 9 set forth Kentik's sole and exclusive obligations, and Customer's sole and exclusive remedies, with respect to infringement or misappropriation of third party intellectual property rights of any kind.

9.5 Customer shall defend, indemnify and hold Kentik, its officers, directors, employees, subsidiaries and shareholders harmless against any loss, damage or costs (including reasonable attorneys' fees) incurred in connection with all Claims arising out of (i) a violation of any statute, law, ordinance, or regulation by Customer; and/or (ii) Customer Data used in conjunction with the SaaS Services. Kentik shall have the right to participate in such defense with counsel of its own choosing at its expense.

10. CONFIDENTIALITY AND DATA SECURITY.

10.1 As used herein, "Confidential Information" means all confidential and proprietary information of a party ("Disclosing Party") disclosed to the other party ("Receiving Party"), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure, including the terms and conditions of this Agreement (including pricing and other terms reflected in an Order), the SaaS Services, documentation, business and marketing plans, technology and technical information, product designs, and certification and business processes. Confidential Information shall not include any information that: (i) is or becomes generally known to the public without breach of any obligation owed to Disclosing Party; (ii) was known to Receiving Party prior to its disclosure by Disclosing Party without breach of any obligation owed to Disclosing Party; (iii) was independently developed by Receiving Party without breach of any obligation owed to Disclosing Party; or (iv) is received from a third party without breach of any obligation owed to Disclosing Party.

10.2 Receiving Party shall not disclose any Confidential Information of Disclosing Party for any purpose outside the scope of this Agreement, except with Disclosing Party's prior written consent. Receiving Party shall protect the confidentiality of Disclosing Party's Confidential Information in the same manner that it protects the confidentiality of its own confidential information of like kind (but in no event using less than reasonable care). Receiving Party shall promptly notify Disclosing Party if it becomes aware of any actual or reasonably suspected breach of confidentiality of Disclosing Party's Confidential Information.

10.3 If Receiving Party is compelled by law to disclose Confidential Information of Disclosing Party, it shall provide Disclosing Party with prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at Disclosing Party's cost, if Disclosing Party wishes to contest the disclosure.

10.4 Upon any termination of this Agreement, the Receiving Party shall continue to maintain the confidentiality of the Disclosing Party's Confidential Information as long as it remains confidential and, upon request, return to the Disclosing Party or destroy all materials containing such Confidential Information.

10.5 Kentik shall take appropriate physical, technical, and administrative security measures sufficient to secure the Customer data entered into the SaaS Services ("Customer Data") against any unauthorized disclosure, and as required by any applicable law or regulation. Without limiting the foregoing, Kentik will implement security measures that are consistent with industry standards.

10.6 Kentik will (a) process Customer Data only to the extent, and in such manner, as is necessary to provide the SaaS Services to Customer and its Users under this Agreement and in accordance with Customer's instructions from time to time; (b) not otherwise process or use the Customer Data; and (c) keep Customer Data logically separate from other data and information that is held by Kentik. For purposes of clarity, the provisions above apply to all Customer Data, including but not limited to personal information. Kentik shall promptly comply with any request from Customer requiring Kentik to delete Customer Data. Kentik will provide Customer with the means to access, amend, delete or transfer Customer Data. If Kentik receives any third-party communication relating directly or indirectly to the processing of the personal information, Kentik must promptly notify Customer and must fully cooperate and assist Customer in addressing the communication. Kentik will, at its expense, provide Customer with reasonable assistance to comply with any obligations under the applicable data protection laws relating to personal information.

11. LIMITATION OF LIABILITY.

11.1 EXCEPT (i) FOR THE PARTIES' INDEMNIFICATION OBLIGATIONS; (ii) FOR CUSTOMER'S FAILURE TO PAY ANY FEES DUE UNDER THIS AGREEMENT; (iii) IN THE EVENT OF EITHER PARTY'S UNAUTHORIZED USE, DISTRIBUTION OR DISCLOSURE OF THE OTHER PARTY'S INTELLECTUAL PROPERTY; OR (iv) EITHER PARTY'S MATERIAL BREACH OF SECTION 10 (COLLECTIVELY, "EXCLUSIONS"), IN NO OTHER EVENT SHALL EITHER PARTY'S AGGREGATE LIABILITY ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, EXCEED THE ANNUALIZED FEES OWED OR PAID TO KENTIK FOR THE SAAS SERVICES GIVING RISE TO THE CLAIM DURING THE TWELVE MONTHS PRIOR TO WHEN THE CLAIM ACCRUED.

11.2 EXCEPT FOR THE EXCLUSIONS, IN NO OTHER EVENT SHALL EITHER PARTY HAVE ANY LIABILITY TO THE OTHER FOR ANY LOST PROFITS OR FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES OR DAMAGE TO GOODWILL HOWEVER CAUSED AND, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, WHETHER OR NOT THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

11.3 THE PARTIES' LIABILITY FOR THE EXCLUSIONS WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, WILL BE LIMITED TO (5) TIMES THE ANNUALIZED FEES OWED OR PAID TO KENTIK FOR THE SAAS SERVICES GIVING RISE TO THE CLAIM DURING TWELVE MONTHS PRIOR TO WHEN THE CLAIM ACCRUED.

12. TERM AND TERMINATION.

12.1 This Agreement commences on the Effective Date and continues until all rights granted in accordance with this Agreement and the applicable Order(s) have expired or have been terminated. The Initial Term applicable to each Order commences upon Customer's execution of such Order and shall expire at the end of the Initial Term or then-current Extension Term. Each Order shall be automatically extended for Extension Term(s) equal to the greater of the previous Term or twelve (12) months (at the current price of the SaaS Services) unless either party provides written notice of non-renewal to the other at least thirty (30) days before such expiration.

12.2 A party may terminate this Agreement or an Order for cause: (i) upon 30 days' written notice to the other party of a material breach of this Agreement if such breach remains uncured at the expiration of such period; (ii) immediately upon written notice if the other party becomes the subject of a bankruptcy, insolvency, receivership, liquidation, assignment for the benefit of creditors or similar proceeding; and (iii) as otherwise provided herein.

12.3 Either party may terminate the Agreement immediately by written notice if no Order is in effect.

12.4 Upon termination of this Agreement or an Order, Customer shall: (i) cease all use of the Services. The parties' rights and obligations under Sections 5, 6, 8.5, 9-11, 12.5, and 13 shall survive termination of this Agreement.

13. General

13.1 The parties are independent contractors, and no partnership, franchise, joint venture, agency, fiduciary or employment relationship between the parties is created hereby.

13.2 Notices shall be in writing, sent using a recognized private mail carrier or the United States Postal Service and effective on proof of delivery. Notices sent to Kentik shall be sent to: Kentik Technologies, Inc., 625 2nd Street, Suite 100, San Francisco, CA 94107, Attn: CEO. Notices sent to Customer shall be sent to the address communicated to Kentik via the Order.

13.3 No amendment or waiver of any provision of this Agreement shall be effective unless in writing and signed by Customer and Kentik. Notwithstanding any language to the contrary therein, no terms stated in a purchase order or in any other order document (other than a SOW, or other mutually executed order document expressly incorporated herein) shall be incorporated into this Agreement, and all such terms shall be void. This Agreement, which includes all documents referenced herein, SOWs and attachments hereto, represents the entire agreement of the parties, and supersedes all prior or contemporaneous agreements, proposals or representations, written or oral, concerning its subject matter. This Agreement is not for the benefit of any third party.

13.4 No failure or delay in exercising any right hereunder shall constitute a waiver of such right. Except as otherwise provided, remedies provided herein are in addition to, and not exclusive of, any other remedies of a party at law or in equity. If any provision of this Agreement is held by a court of competent jurisdiction to be contrary to law,

such provision shall be modified by the court and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions shall remain in effect.

13.5 Neither party shall be liable to the other for any delay or failure to perform hereunder (excluding payment obligations) due to a natural disaster, actions or decrees of governmental bodies or communications line failure which (i) hinders, delays or prevents a party in performing any of its obligations, (ii) is beyond the control of, and without the fault or negligence of, such party, and (iii) by the exercise of reasonable diligence such party is unable to prevent or provide against.

13.6 Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other (not to be unreasonably withheld). Notwithstanding the foregoing, Kentik may assign this Agreement in its entirety, without consent of the Customer, to its successor in interest in connection with a merger, reorganization, or sale of all or substantially all assets or equity. Any attempted assignment in breach of this Section shall be void. This Agreement shall bind and inure to the benefit of the parties, their respective successors and permitted assigns. For clarity, Kentik may use subcontractors in the ordinary course of its business.

13.7 A party will be excused from a delay in performing, or a failure to perform, its obligations under the Agreement (other than payment obligations) to the extent such delay or failure is caused by the occurrence of any contingency beyond the reasonable control, and without any fault, of such Party. In such event, the performance times will be extended for a period of time equivalent to the time lost because of the excusable delay; provided, however, if the delay or failure continues for more than twenty (20) days, the Party not relying on the excusable delay may terminate the Agreement upon notice to the other party. In order to avail itself of the relief provided in this Agreement, a party must act with due diligence to remedy the cause of, or to mitigate or overcome, such delay or failure.

13.8 Kentik may access and use Customer Data to the extent necessary to provide, support and improve the Service under this Agreement and for its own business purposes on an anonymized and aggregated basis in a manner that does not disclose Customer as the source and the contents of the underlying Customer Data. Such uses may include, but are not limited to, enabling the sharing of network alerts and vulnerabilities and other network issues Kentik discovers through its provision of the SaaS Services.

13.9 In any action to interpret or enforce this Agreement, the prevailing party shall be awarded all court costs and reasonable attorneys' fees it incurs.

13.10 There are no third-party beneficiaries to this Agreement.

13.11 Kentik may list Customer's name in Kentik's customer lists on Kentik's website and in its marketing materials.

13.12 Each party agrees to comply fully with all applicable regulations of the United States Department of Commerce and with the United States Export Administration Act, as amended from time to time, and with all applicable laws and regulations of other jurisdictions with respect to the importation and use of the SaaS Services.

13.13 This Agreement shall be governed exclusively by the internal laws of the state of California, without regard to its conflicts of laws rules. The United Nations Convention on Contracts for the International Sale of Goods shall not apply. The parties hereby consent to the exclusive jurisdiction of the state and federal courts located in San Francisco, California, for resolution of any disputes arising out of this Agreement.
