

By purchasing any product or service ("Services") offered by Journey Mobile, Inc. ("JourneyApps") through the Amazon Web Services Marketplace, you acknowledge and accept the terms and conditions outlined at <https://www.powersync.com/terms-of-service> (referred to as the "Agreement").

If you are representing a company (such as your employer) or another legal entity while entering into this Agreement, you affirm that you possess the authority to legally bind that entity to the Agreement. In such cases, the terms "you" or "your" or "Customer" shall pertain to said entity. Otherwise, these terms refer to you as an individual. Should you lack the authority to bind your entity or disagree with any aspect of the Agreement, you are prohibited from subscribing to and utilizing the Services.

If you have previously entered into a negotiated version of the Agreement that remains valid and encompasses the Services, it will continue to regulate your utilization of said Services through the Amazon Web Services Marketplace.
